STUDENT COUNCIL

In the difficult days when the entire world was confined behind masks because of one virus that exterminated hundreds of lives every passing day, a year that stopped the clock for mankind, these brave heroes in their white coats and khaki uniforms put themselves in the path of this raging pandemic offering their selfless service which helped us all get through these tough times. A humble hearted gratitude to all the frontline workers who battled for humanity and without whom the existence of this book would have been impossible.

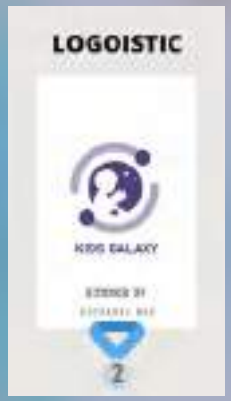
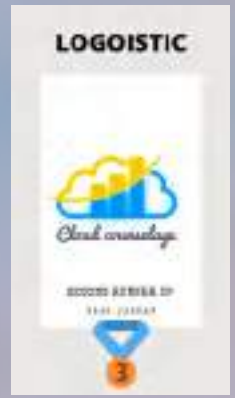
PAATHSHALA

LOGOISTIC

“A strong, positive image is the best possible preparation for success”

A Logo Design competition for students is to present their creativity in designing a compelling brand image, as logos play a vital part in building successful businesses and brands. It grabs attention and also makes a strong first impression. The participants were given 2 problem statements of 2 different companies Cloud Counselage Pvt. Ltd. which is an IT & Management services company and Kids Galaxy, a rapidly growing startup that provides e-learning solutions. To provide a better understanding, tutorial videos were uploaded on the Instagram channel of student council on IGTV from the 8 th of February.





"It is our choices that shows what we truly are, far more than our abilities"
This or That

CHOICES ARE WHAT ENABLES US TO TELL THE WORLD WHO WE ARE, THE CULTURAL COUNCIL WITH THEIR ORIGINALITY AND INGENUITY PRESENTED THE STUDENTS OF VIDYALANKAR A WITTY AND ENTERTAINING EVENT TERMED AS THIS OR THAT WHERE PARTICIPANTS HAD TO MAKE SOME INTERESTING CHOICES WITH A FAIR JUSTIFICATION FOR THEIR ANSWERS THOUGHT-PROVOKING CIRCUMSTANCES AND MIND-BOGGLING INTERROGATION WERE PUT BEFORE THE CONTESTANTS WHO HUSTLED TO PERFECT THEIR RATIONALE, DISCUSSING AMONG THEIR GROUP-MATES TO COME UP WITH A SUPREME ANSWER.

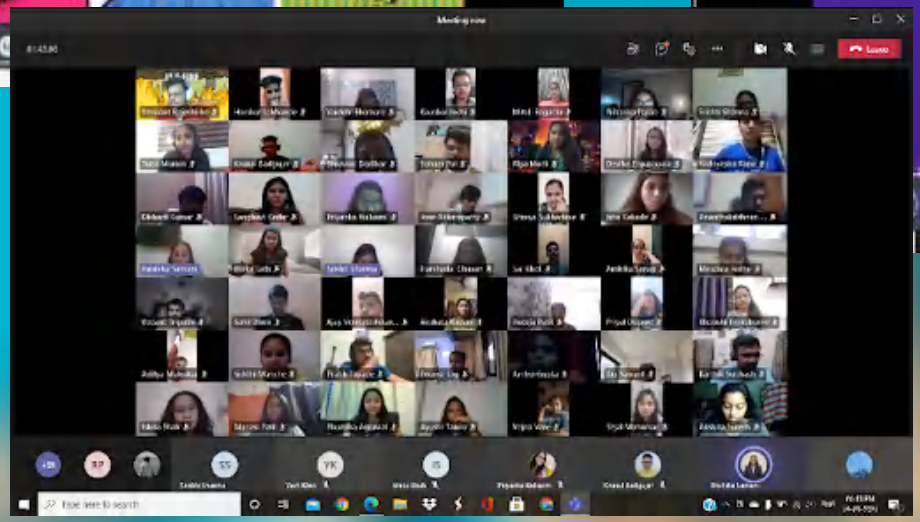
RADIANT VALORANT

Gamers always believe that an epic win is possible and that it is always worth trying, and trying for. The Riot Gamers stellar production, VALORANT is a Free-to-play multiplayer tactical shooter game which has been highly popular all over the world. To give all the gamers out there a chance to battle their skills, the Sports Council organized a tournament to showcase their gameplay. It was a single-elimination style tournament where eight teams consisting of five players each fought for victory.

“Gamers never die they respawn”

Spell-O-Genie

The main attribute of the SPELL-O-GENIE was to encourage students to learn about the word components' usage, meaning, and history, such as affixes, and to familiarize students with many different forms of words. The event was arranged in four rounds such as Picture Perfect, Inside Out, Link It Up and Spell Bee.



VIT Comic Eve

"Comedy keeps the heart sweet."

A day without laughter is a day wasted and the secret to humour is most certainly humour. The incredibly talented Comedian duo Sahil Horane and Bunty Biswas had everyone laughing their heads off.

SportsCentric

“It is hard to beat someone who never quits.”

The active participation in sports improves community health and productivity, imbibes discipline in character, generates great leaders, and enhances social cohesion. Two eminent personalities Ms. Tanaz Mohammed, a former National and International level Hockey player, and Mr. Shubham Vanmali, an Open water swimmer, were the speakers invited on this episode of Friday Paathshaala.

LIGHTS
★CAMERA★
ACTION!

“Captured inside a camera there is a reality so subtle that it becomes more real than reality.”

Lights Camera Action was a self-directed and produced play presented by the drama team of our college-“VRangkalamanch”. The idea of the play revolved around the current pandemic and how it changed our lives. The play started off by showing the audiences the reaction of a family to the news of the government announcing a nationwide lockdown. This set the premise of the play, from there on displayed sympathetic scenes relating to how the lockdown changed their lives.

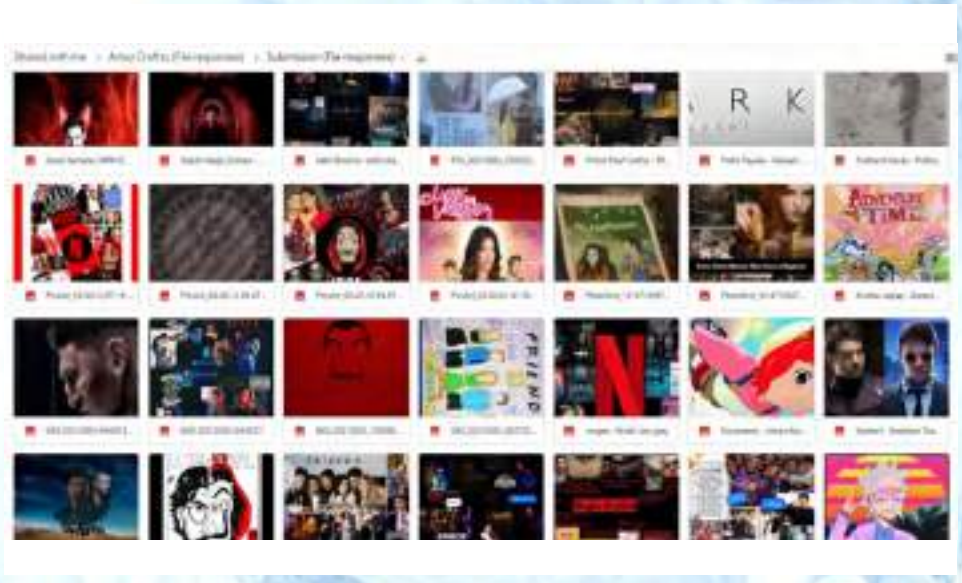
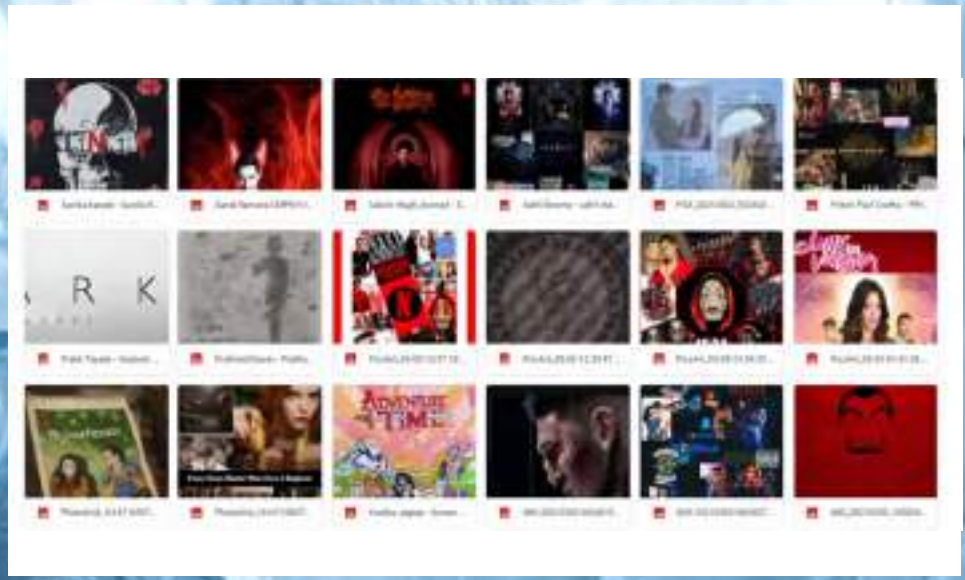
SUNBURN CAMPUS
By DJ Danika

Hosted by Sunburn Campus in partnership with TribeVibe, the night had everyone grooving to the music. It witnessed a wonderful set played by DJ Danika which surely gave freshers the feel of college life. Danika also graced the night with her solo violin set which was mesmerizing and around 600 viewers danced to awesome beats

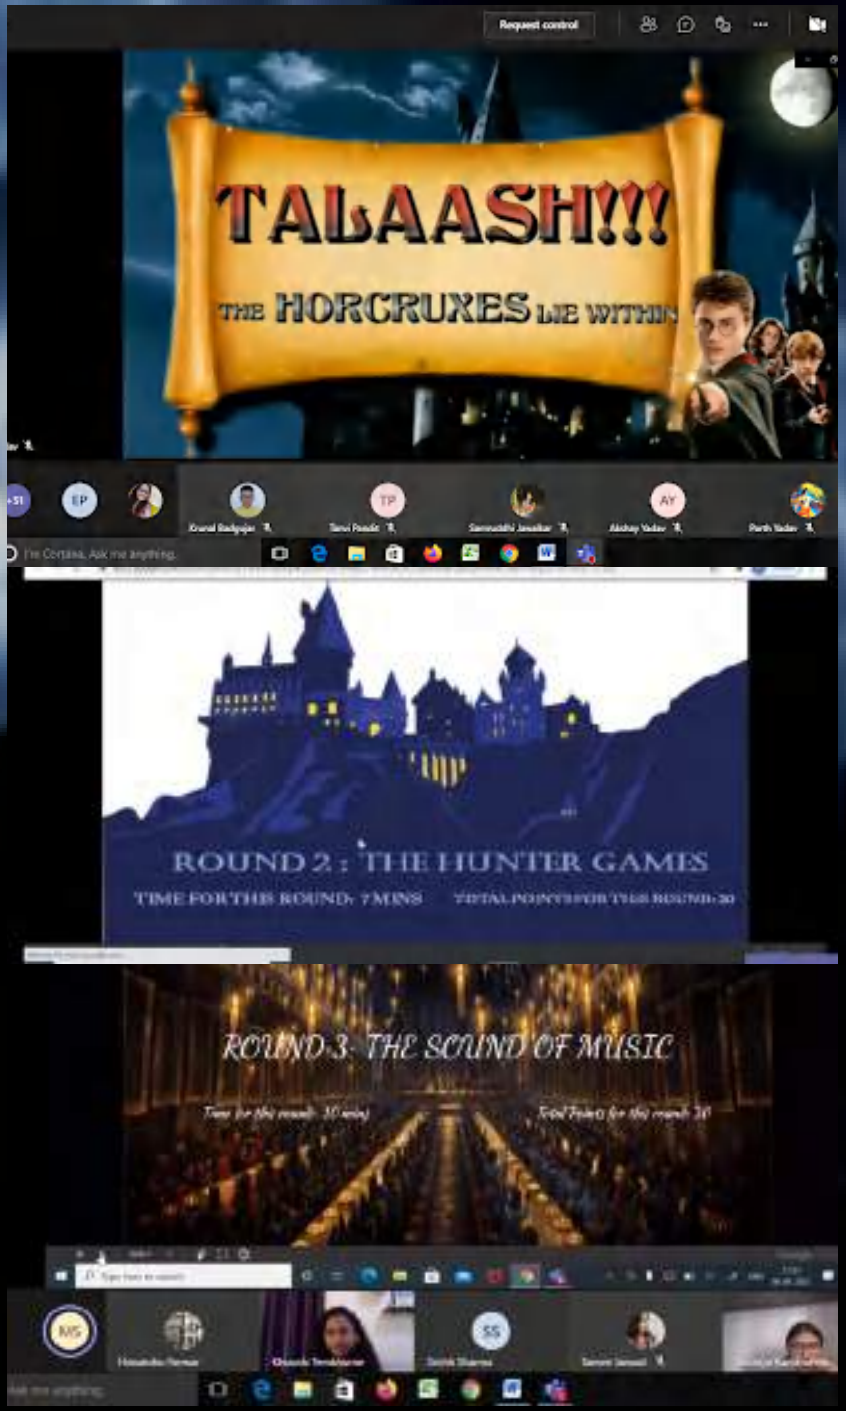
Artsy
Craftsy

The participants were given liberty to make any decorative and creative item out of cardboard and chart papers along with the stationery tools, provided that the Freshers theme be justified and had to submit their art works online through google forms.





TALAASH



“It is our choices, that show what we truly are, far more than our abilities.”

Harry Potter was, is and always going to be the best series of movies for all the time. This was a fun escape room event and one of the many pre-Fresher’s eve interesting events which were organized for the freshers so that they can start their college life with fun and enthusiasm based on the installment of the storyline when Harry the main character of this series tries and finds out the Horcruxes that can defeat his nemesis Lord Voldemort.

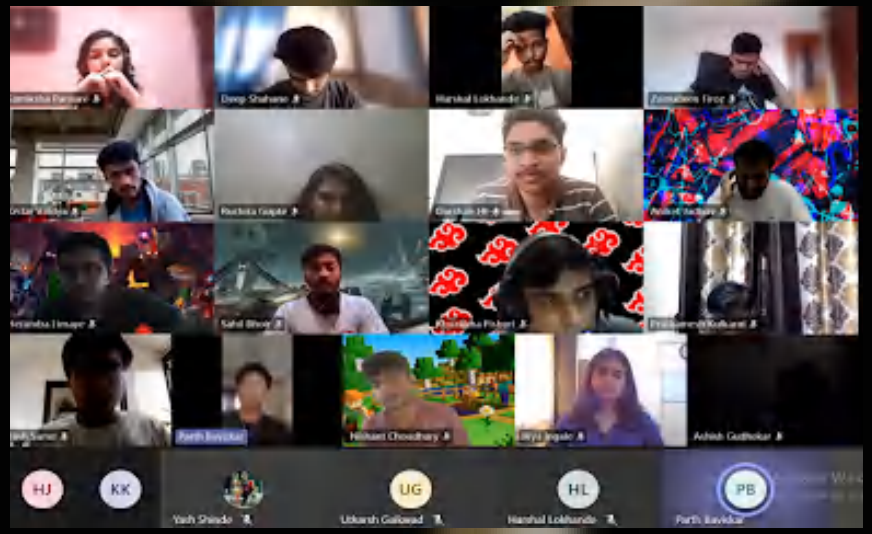
FITNESS
MONOPOLY

“Physical fitness is not only one of the most important keys to a healthy body, it is the basis of dynamic and creative intellectual activity.”

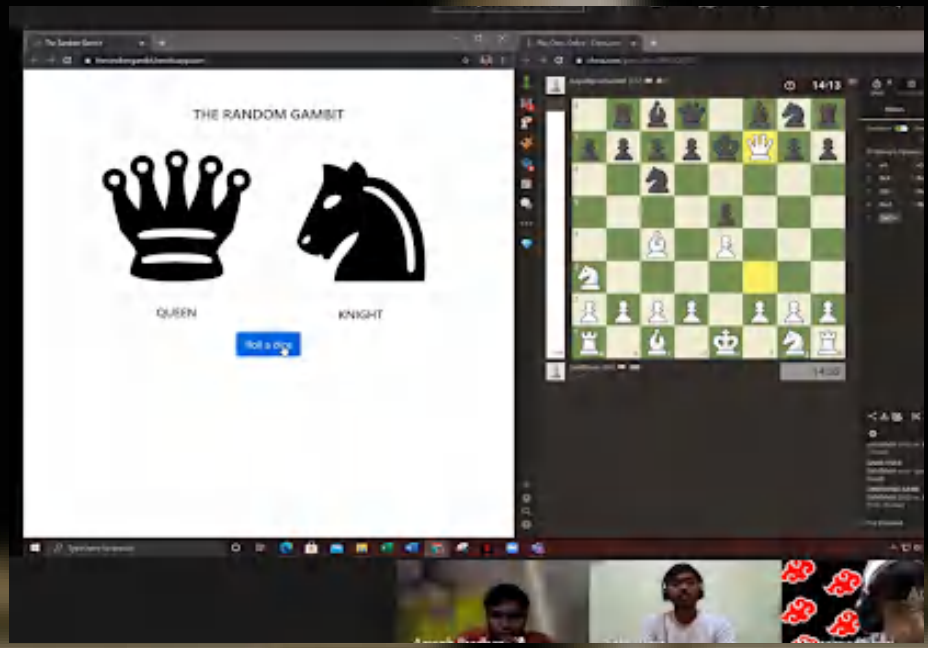
As the name suggests, one was required to complete practical challenges specified within the game. At the beginning of the game every participant was credited with 500 points and participants were divided into groups. Each group was allotted a room created on Teams where they competed against each other. It was mandatory for the participants to be in front of their camera throughout the game. Tokens were assigned to every participant.

RANDOM
GAMBIT

“In chess, knowledge is a very transient thing. It changes so fast that even a single mouse-slip sometimes changes the evaluation”



The event “The Random Gambit”, is basically derived from “The Queen’s Gambit”, it is a game of Dice Chess, where 2 virtual dice will be rolled by the moderator and the player has to choose any one piece to play the move, where each side of the dice will have a piece from the chess board.



MR & MISS FRESHERS

“Appearances makes Impression, but Personality makes an Impact.”

The main aspect of the event was to give a golden chance to showcase the prowess, aptitudes, and strengths of novices. The event was organized in many rounds such as gather town round, Question and answer round and talent round. Head of Electronics department Professor Dr. Arun Chavan and Alumni and Assistant Professor of Computer Science department Snehal Andhare were the judges of the event. They took Q&A session of participants expertly and precisely. Each participant partook in the Q&A round in a gracious way.

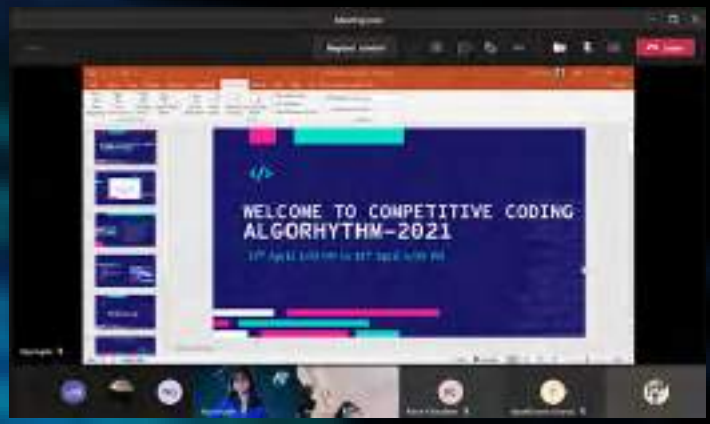
ALGORHYTHM
ALGORHYTHM
2020-2021

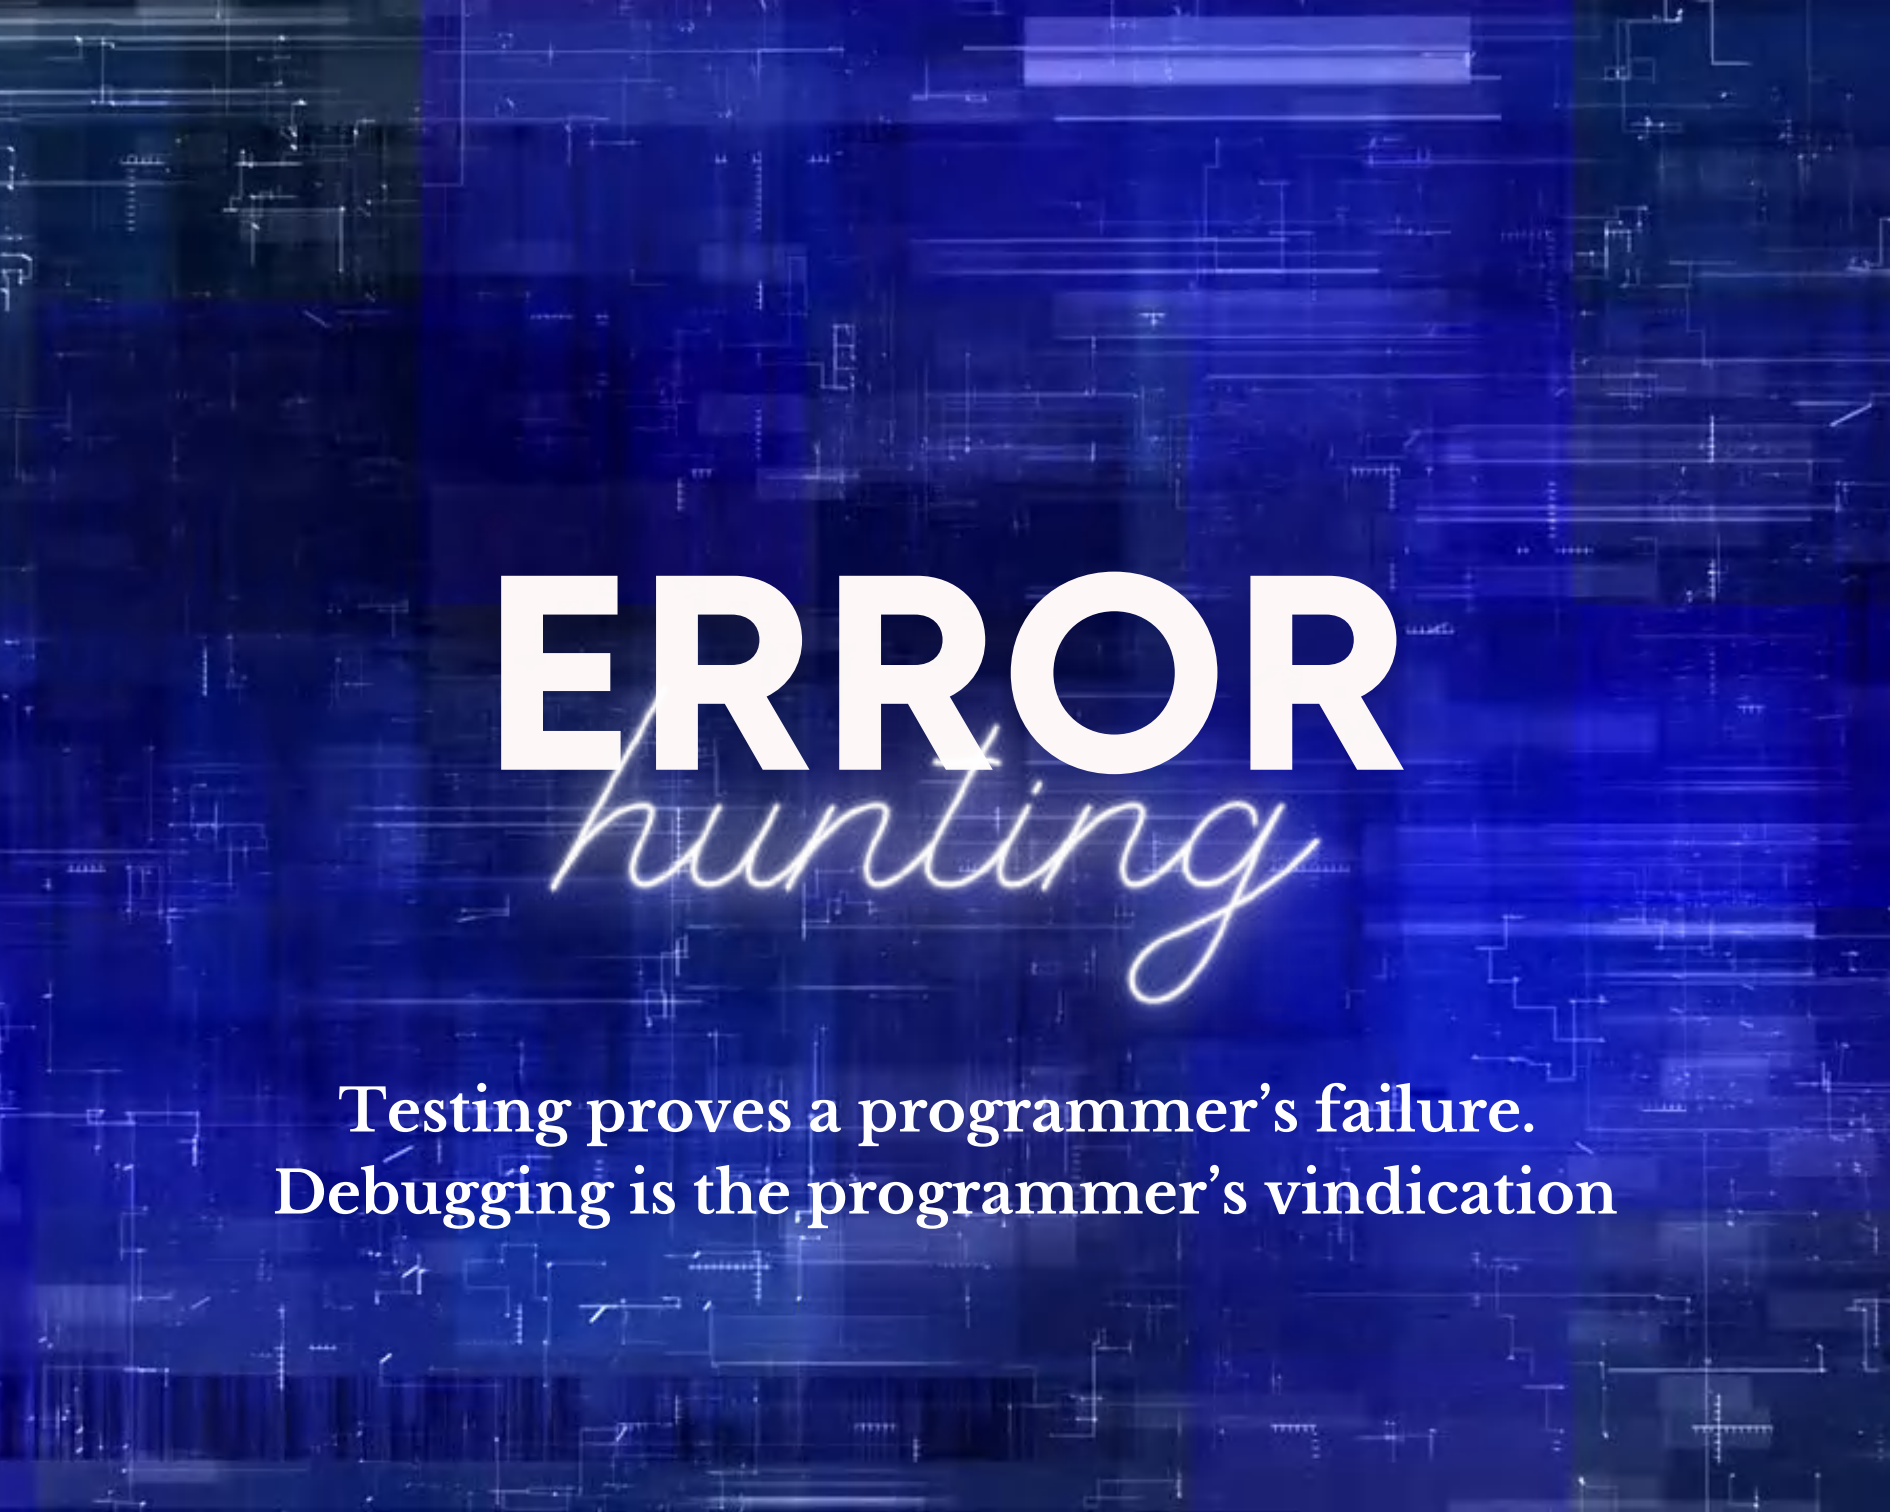
HACKATHON
Programming isn't about what you know;
it's about what you figure out

"Algorhythm" was organized with the ambition to cultivate talent, creativity and to entertain Techno-community with an innovative series of technical events and competitions one of which was the "Hackaton". It was a 24 hours inter-college competition where participants coded innovative solutions for the given problems by ideating, innovating and hacking meaningful solutions to real-life problems.

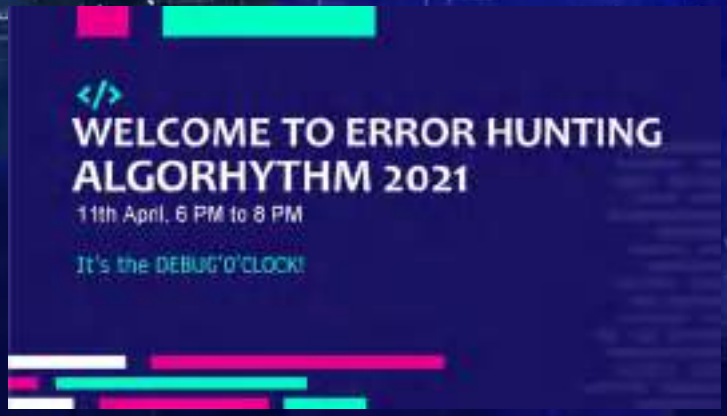
COMPETITIVE
CODING
Make it work, make it right, make it fast

The contest of competitive coding was conducted on an online platform Hackerrank, the participants of the contest were asked to join the meeting on Microsoft Teams, so that the event moderators could, not only keep a track of the progress of the participants but also to avoid any scene of plagiarism or any kind of false practice. Competitive Programming is similar to any sport like cricket, you walk in to bat for the first time. Swing and a miss, do it a couple of times and you'll eventually hit one over the ropes



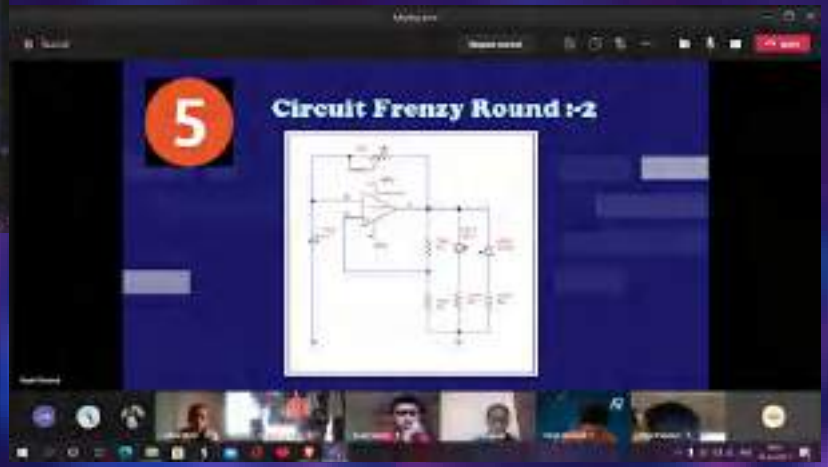


ERROR
hunting
Testing proves a programmer's failure.
Debugging is the programmer's vindication



The contest of Error Hunting was conducted on zoom meetings, where the event head gave participants the instructions of the contest which all contestants had to follow while performing the tasks. The participants in the event had been provided with a GitHub link where codes of various programming languages were provided while assessing those, the participants had to find the error and correct it thus making the code right. The main motto behind this contest was to check the skills, efficiency and also to check whether the contestants had a good knowledge of the basic concepts of the programming.

CIRCUIT
FRENZY
It is not enough to wire the world if
you short-circuit the soul.
Technology without a heart is not enough.



Circuits have become a part of human society and are present almost everywhere nowadays. To look for smart and keen-eyed engineers the event Circuit Frenzy was held in Vidyalankar Institute of Technology. The event was organized on Microsoft Teams and the First round was held on Quizizz and participants were provided with 5 circuits where every circuit had 5 hidden components of which only the clues were told to the participants. The participants had to guess the correct answer from the clues to score points. In the next and final round, contestants had to memorize the given circuit and had to draw and submit the same.

GAMING
CS-GO
Failure doesn't mean the game is over,
it means try again with experience

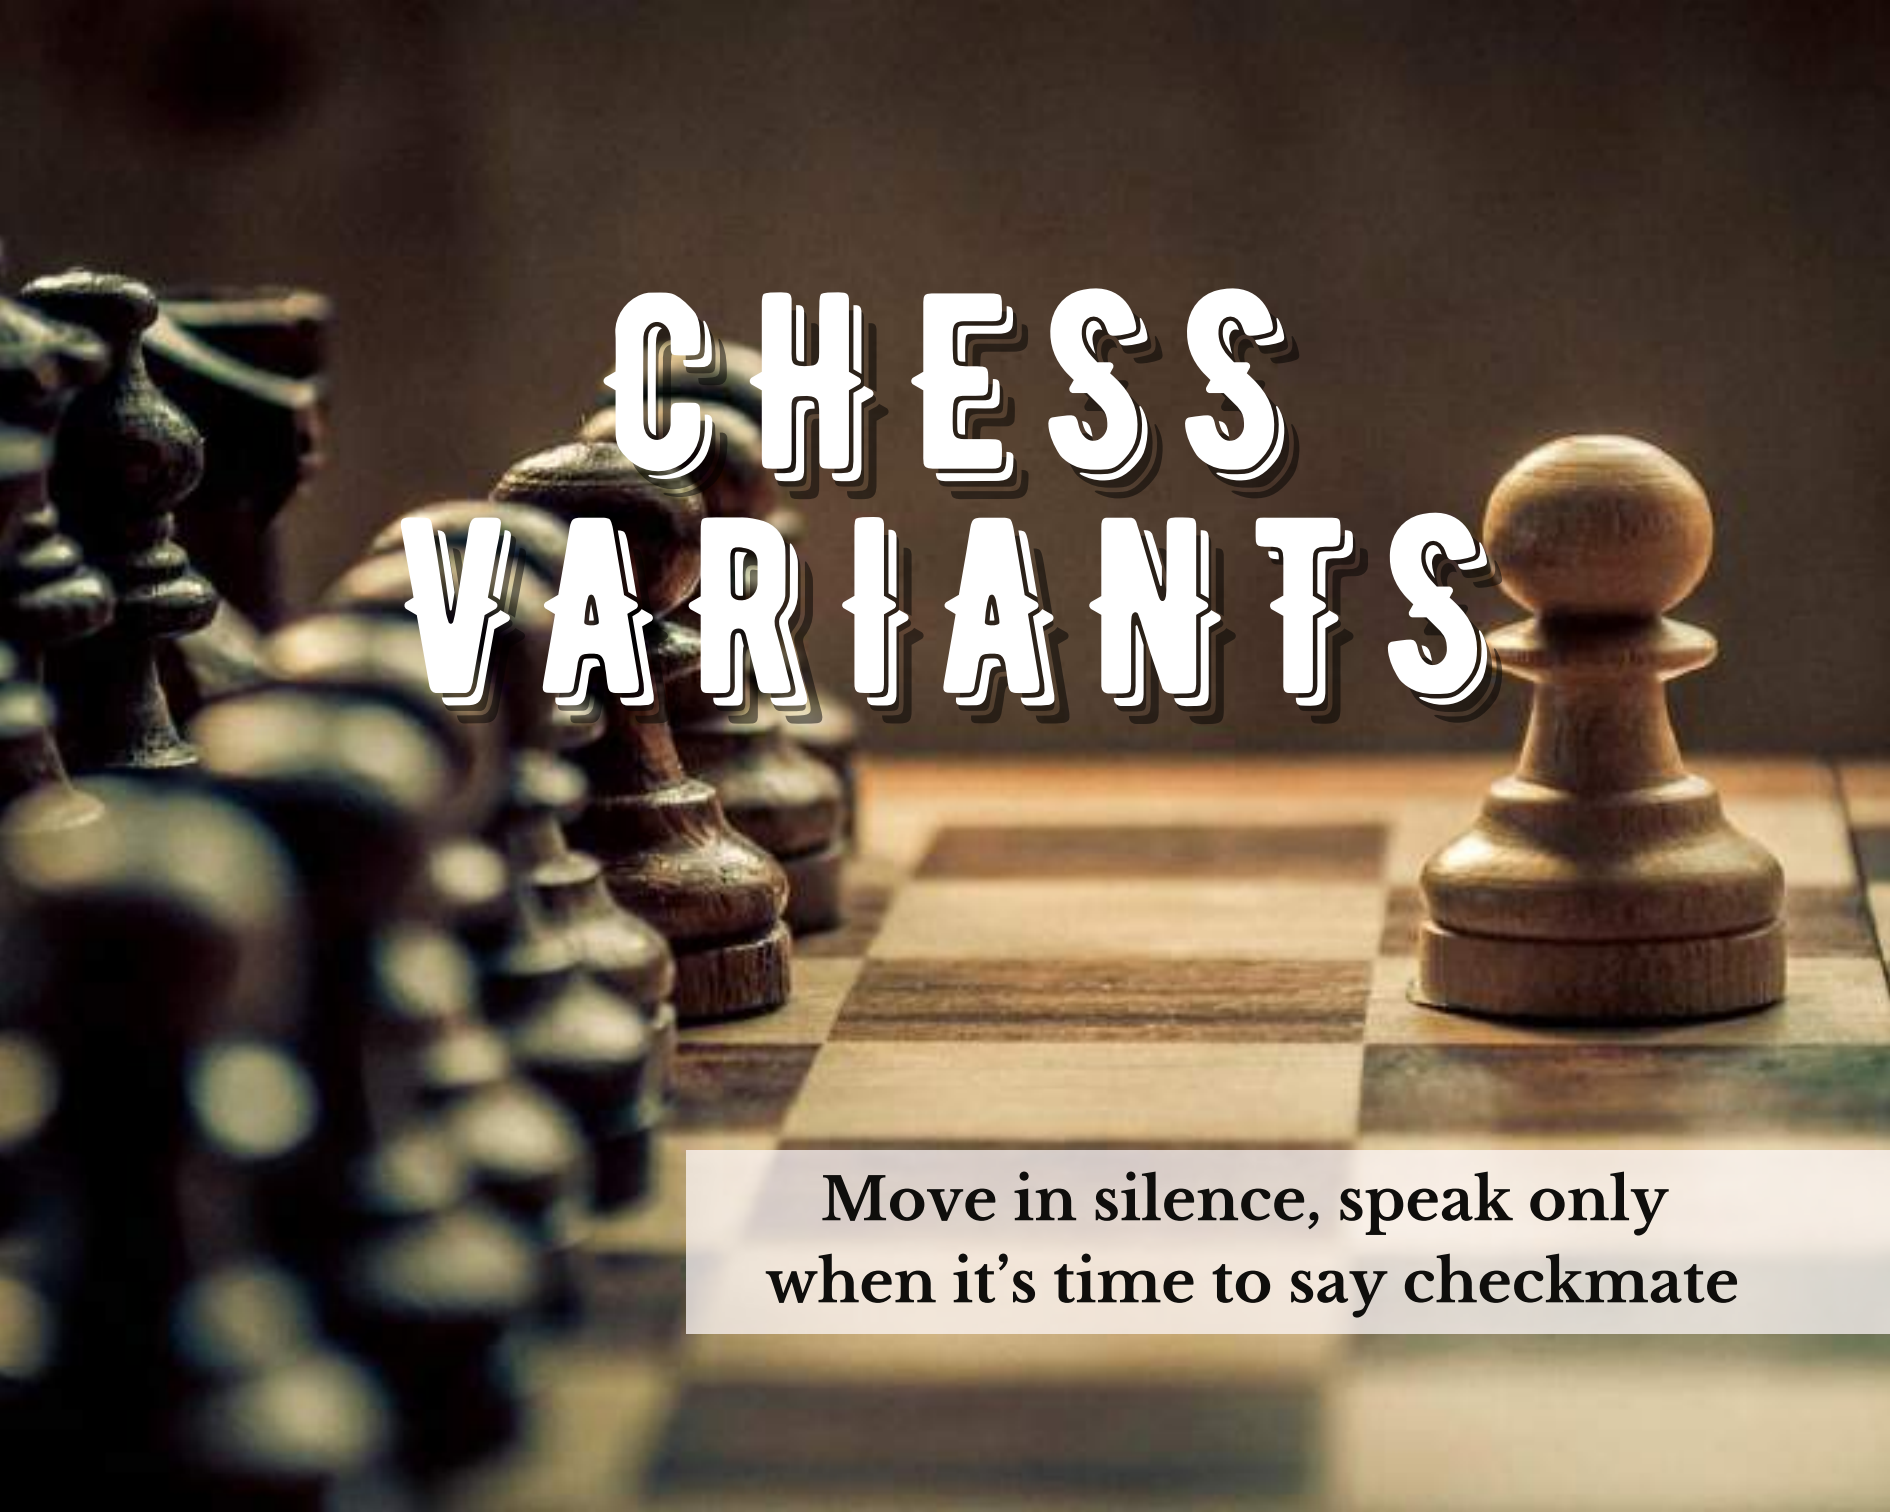
To be a good leader in cs or in life. You need to put people before yourself. Counter Strike: Global Offensive popularly known as CSGO is a Free-to-play multiplayer tactical shooter game which has been highly popular all over the world. The tournament was a single-elimination style tournament where nine teams fought for the victory.

VALORANT
Failure doesn't mean the game is over, it means try again with experience

What makes a great Valorant player is playing for the team rather than playing for yourself. The Riot Gamers stellar, Valorant is a Free-to-play multiplayer tactical shooter game which has been highly popular all over the world

CALL OF DUTY
Success is not final, failure is not fatal:
it is the courage to continue that counts.

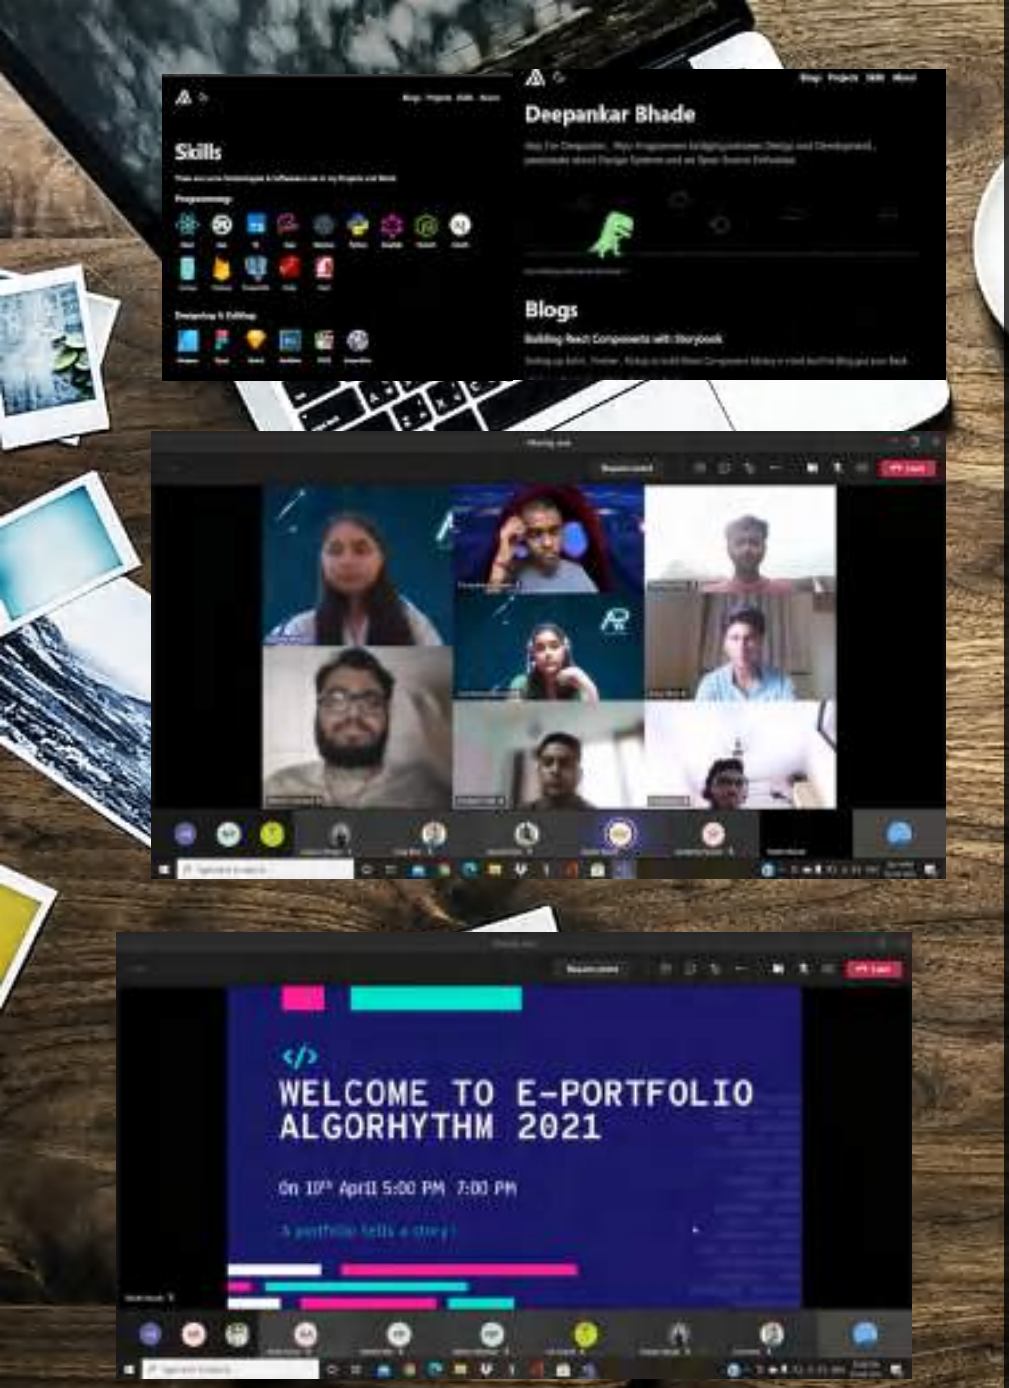
Shooter games often test a player's spatial awareness, reflexes, and speed in both isolated single player or networked multiplayer environments. Call of Duty: Mobile is one such popular free-to-play shooter video game which includes various modes and maps for gamers to explore their skills and indulge themselves in leisure activities. The tournament was held in private rooms where two teams clashed against each other.



CHESS
VARIANTS
Move in silence, speak only
when it's time to say checkmate

Being one of the oldest and most popular board games, Chess has traditionally been played by two opponents on a checkerboard with specially designed pieces of contrasting colors. Chess Variants was held on an online website- chess.com and was streamed on Discord. The contestants had to pass through 3 different rounds of elimination to achieve the winning title: ‘Four Player Chess’, ‘Fog of War’ and ‘Dice Chess’.

E-PORTFOLIO
Testing gives you snapshot;
Portfolios gives you movie



An E-Portfolio is a collection of work and evidence in an electronic format that showcases learning over time. Portfolios show the cumulative efforts and learning of a particular individual. The main purpose of the event was to encourage students to prepare themselves for the corporate world by guiding them on how to design their very own E-portfolio. The participants had to join Microsoft Teams and keep their camera on throughout the competition. To prepare an E-Portfolio, the participants could use various languages, tools and websites like Wix and Weebly and have to host it on any platform like GitHub Pages, Heroku, etc.

VERVE
2020-2021

V
FACTOR
TALENT HUNT COMPETITION
Mediocrity knows nothing higher
than itself;
but talent instantly recognizes genius.

Everyone has some talent in them, but not everyone gets the opportunity to show it. V-FACTOR gives the contestants a stage to showcase their brilliance. The Cultural Council of "Vidyalankar Institute of Technology" organised V-FACTOR, an event which gives an enormous platform to the talented artists and invited students to demonstrate the qualities and skills they excelled at.

TUG OF WORDS

INTRA DEBATE FINALS

It is better to debate a question
without settling it than to settle
a question without debating it

Organised to test the debating skills of the participants, the event had two semifinal rounds and the winners competed with each other in the grand finale.The notion for the semi round 1 was “The House believes that the Paris agreement is still relevant” and it was a competitive rebuttal round. The final round was conducted with the notion “This house is against India’s stance on RCEP (Regional Comprehensive Economic Partnership) and believes it might impact its competitiveness globally”.It ended with good comebacks and counters during the rebuttal.

DARPAN

Acting is behaving truthfully
under imaginary circumstances

The main objective behind this event was to encourage students to appreciate drama as a form of literature and cherish its beauty in language and emotions. It was judged by the two phenomenal figures of Marathi industry Sir Vijay Kadam a great actor mostly known for his comic roles and Sir Mukesh Jadhav, an incredible director and a great personality.
