Vidyalankar - A Sanskrit word which reveres 'Vidya' (Knowledge) as a precious 'Alankar' (Ornament), the essence being that knowledge is the true ornament of a progressive mind. A trusted and prestigious education specialist, the Vidyalankar Group of Educational Institutes continues to spread the radiance and the bright sparkle of knowledge and education far and wide.

Vidyalankar Institute of Technology is an Engineering Degree and Management College, approved by AICTE and affiliated to the University of Mumbai. Incepted in 1999 and awarded an ‘A’ Grade by the Govt. of Maharashtra, the institute generates quality engineers and managers with sound academic records and offers excellent placement opportunities. Biomedical and Electronics Engineering Departments are accredited by National Board of Accreditation.

Inspired by the philosophy of “Student Delight”, every year VIT welcomes and nurtures around 750 engineering talents at the undergraduate level in Electronics, Electronics and Telecommunication, Information Technology, Computer and Biomedical domains, around 120 Management students and makes them industry-ready. Around 50 graduate engineers hone their skills, expand their knowledge base and orient themselves to R&D while achieving post-graduate qualifications. The institute also has a Ph.D. centre in Computer Engineering.

Selected Papers will be published in
1. AET - Journal of Applied Engineering and Technologies - ISSN : 2278 - 1722
2. IJCA – International Journal of Computer Application
3. IJCIT – International Journal of Computer and Information Technology
4. IJAITE- International Journal of Advanced Innovative Technology in Engineering
5. IJIIT - International Journal of Integrative Sciences, Innovation and Technology
6. BMESI- Journal of Biomedical Engineering Society of India
