Brief introduction of Governing body members of Vidyalankar Dnyanapeeth Trust

Ms. Rashmi Deshpande

Chairperson, Vidyalankar Dnyanapeeth Trust

Ms. Rashmi Deshpande completed her M.Sc. in Bio-Chemistry from the University of Mumbai, she went to the U.S.A. for higher education and completed her M.B.A. Because of her professional background in management studies, she is naturally and particularly inclined towards enriching the Vidyalankar School of Business.

Mr. Vishwas Deshpande

Managing Trustee, Vidyalankar Dnyanapeeth Trust

Mr. Vishwas Deshpande has been a merit holder all his academic life. After his B.E. in Electrical Engineering from V.J.T.I. which he completed with flying colours, he went to the U.S.A to complete his M.S. in Microelectronics from University of Maryland, College Park.

Mr. Avinash Chatorikar

Secretary, Vidyalankar Dnyanapeeth Trust

Mr. Avinash Chatorikar after completing his Bachelor's degree in Chemical Engineering from U.D.C.T in 1987 went on to do his M. Tech in Chemical Engineering from I.I.T, Mumbai. Passionate about studying further, he completed his M.S. from Oklahoma State University, U.S.A.

Dr. Vijay Gupchup

Nominee, Vidyalankar Dnyanapeeth Trust

Dr. Vijay Gupchup, BE (Civil, University of Mumbai), MS (MIT, USA), PhD (MIT, USA), former principal of Veermata Jijabai Technological Institute (VJTI), Mumbai, Pro Vice Chancellor of the University of Mumbai and was the Chairman of the 'National Board of Accreditation' set up by AICTE. He has authored numerous technical papers and has also presented invited lectures at several Universities in the USA including MIT, Northwestern University, Drexel University, Kansas and Texas State Universities etc. He is an active member of various academic bodies of the University of Mumbai, AICTE and UGC.

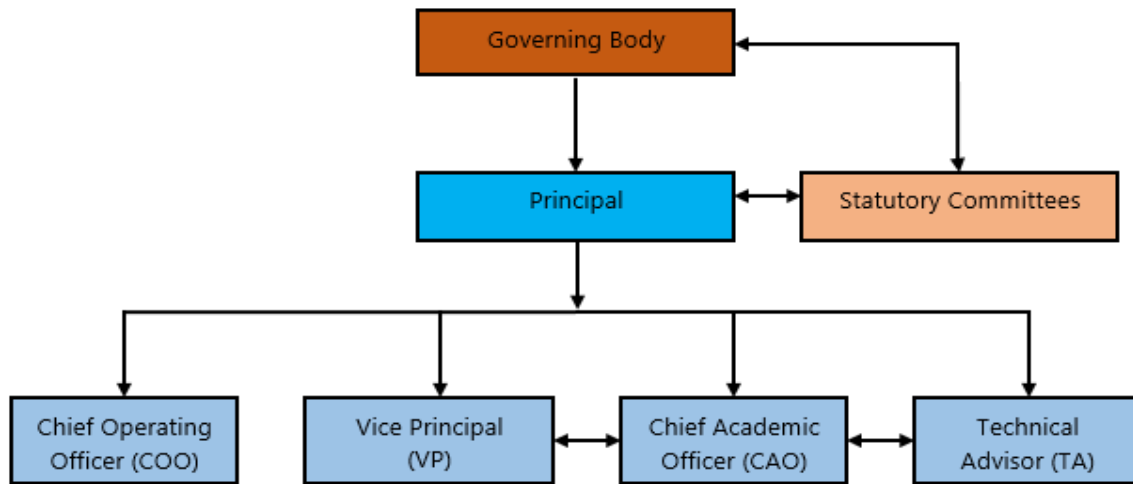

Dr. Sunil Patekar

Member Secretary & Principal, Vidyalankar Institute of Technology

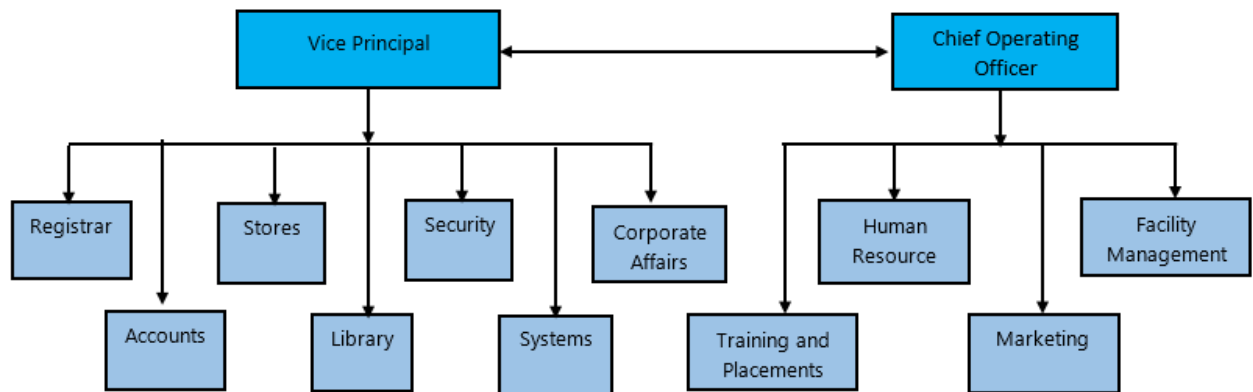

Dr. Sunil Patekar is the Principal of Vidyalankar Institute of Technology. He completed his LEE, BE, ME and PhD in Electrical Engineering from VJTI, University of Mumbai. He was awarded as the Best Teacher by the Government of Maharashtra (2007), the Lord Reay Gold Medal, ISTE National Award for Best Paper Presentation, etc. Dr. Patekar has co-authored 6 books on Computer Programming languages and has presented and published more than 50 technical research papers at international and national conferences and journals.

E - Resources	Digital study material / NPTEL
Technical Journals	117
Periodicals	Available
Newspapers	Available

IT Initiatives

Wadala Data Center - an on-premise Server Farm featuring;

A virtualized setup of servers providing totalling to 32 Cores and 96 GB of RAM, for day to day management of over 7500 students & staff at the Campus.

SOPHOS firewall – a state of the art application level gateway and firewall for the Institute that,

- Allows access to only authorized users based on the access level
- Provides IDS and virus protection to the Campus systems

Wi-Fi setup for the entire Institute controlled from the Data center via firewall

- Access points strategically located across the Campus for access to Internet services
- Authentication driven; restrictions based on users according to access level

128 Mbps of Internet connection - 24x7 service availability.

Server Farm

On this setup, reside the critical systems and services which together act as enablers for IT enhanced management and provide streamlined collaborations among different teams. The setup includes;

An **Active Directory** Setup that is the backbone of all Systems related operations. It provides;

- Centralized authentication to users on any of the Campus' systems and for Internet access
- A roaming profile specific to a user giving users the freedom to access their data on any system on the Campus
- Enhanced domain protection by enforcing group policies

V-Print

- A state of the art, web based centralized printing service that allows users to give print jobs from around the globe to “Any Time Print” (ATP) stations at the Institute.
- Manages accounts and usage history for all users.
- Cheaper printing compared to alternatives available in the market.
- Colour and B/W printing options
- Duplex printing option to save papers
- Authentication integrated with Active Directory

MIS for all academic and Institute administration

To manage the day to day operations of the Institute, a customized ERP for the Institute has been developed that looks after all administrative and academic processes of the Institute. Some of the crucial modules include;

- Staff attendances, payrolls and leaves
- Student – admission and exam processes handling
- Library
- Accounts, Stores and inventory management
- Gymkhana, Security, etc.

Software License Management via dedicated license servers for major development related softwares that are part of the curriculum.

A **thin computing client** - server that runs PCs, mainly for browsing purpose.

A **digital signage** solution that is also used to keep students updated about the latest happening of the Institute.

Microsoft Partnership

Vidyalankar also has a Microsoft Partnership for;

Open source alternatives

Apart from the above mentioned Microsoft solution, students are also provided with ample opportunities to work on open source solution as well. For this, machines are on Linux based operating systems (Ubuntu) so that students are also exposed to development techniques on these Operating Systems platforms.

Extensive AD integration has been used to provide this situation as well. Specific shell scripts have been written that help in,

- Authenticating users via AD
- Mounting the profile of a user on the Linux machine
- Enforce specific group policies thus maintaining sufficient security

Internal Student Portal – Vidyalankar Live - Developed and Managed by Vidyalankar students.

The web server houses the student portal of the Institutes. VidyalankarLive.com is essentially a web based forum that bridges the communication gap between students, the Faculty, the non-teaching staff and departments and the Management of the Institute. Apart from being a center for discussion and though sharing; VidyalankarLive is also houses multiple custom modules that are focussed on routine tasks of the Institute.

Digital Learning

A pilot program of the Institute for Technology enhanced learning. Efforts are on for in house development of digital content suitable for iPad and other tablets.

Official websites

An off-premise Web Server – having 8 GB RAM and 4 Cores housing all the official websites and internal student portals of the Institute which is managed remotely from the Campus.

IT Consultancy

The Institute offers consultancy to other educational Institutes in,

- IT Infrastructure and management services

- Website hosting and student community portals
- Live streaming

Summary of IT Infrastructure

Desktop PCs	778 (Branded)
Laptops	150
iPads	72
Network	all PCs
Internet	on all PCs

Placements

Placement is the heart of any Professional institute and VIT is no exception for the same. VIT is making rigorous efforts by organizing Pre-Placement Training and AMCAT aptitude test sessions to make students 'Industry Ready.' Students have been placed in reputed companies like TCS, L&T Infotech, Capgemini, ATOS India, Media.Net, Interactive Brokers, ZEUS Learning, Reliance Retail, Reliance Jio, BYJUS to name a few. Now there are two major recruiters : TCS has recruited 146 students and L&T Infotech has recruited 141. We believe in creating a conducive environment for our students and left no stone unturned to conduct intensive pre-placement training including mock interviews and aptitude tests for the students. Students in their third year vacations are encouraged to participate in various Internship programs at reputed companies.

Maximum Salary : **10.00 lacs per annum**

Minimum Salary : **2.00 lacs per annum**

Average Salary : **3.78 lacs per annum**

Job Fair 2017-18

The Times job fair conducted on the 10th of February was a mammoth event organized on the Vidyalankar campus. Twenty six companies participated in the event namely like N.I.I.T

Kohinoor, Hyundai etc. Almost 1700 job aspirants walked in for their respective career enhance ments. Thus Vidyalankar has provided a platform for various job aspirants in securing jobs with reputed companies and lived up to its image of being a positive societal change manager! The students of FYMMS whole heartedly participated in the same as volunteers working as networking agents for the job seekers and the job givers.
