

Vidyalankar Institute of Technology Organizes International Conference on

“Recent Advances and Challenges in Engineering and Management” (RACEM -2019), March 29-30, 2019

Vidyalankar- A Sanskrit word which reveres “ Vidya” (knowledge) as precious “ Alankar” (ornament), the essence being that knowledge is the true ornament of a progressive mind. A trusted and prestigious education specialist, the Vidyalankar group of Educational Institutes continues to spread the radiance and the bright sparkle of knowledge and education far and wide.

Vidyalankar Institute of Technology is an engineering degree and management college , approved by the AICTE and affiliated to the University of Mumbai. Incepted in the year 1999 and awarded an ‘A’ Grade by the Government of Maharashtra, the Institute generates quality Engineers and Managers with sound academic records and offers excellent placement opportunities. Biomedical, Electronics , Electronics & Telecomm-unication departments are accredited by National Board of Accreditation. Institute also has PhD centre in the Computer Engineering.

Inspired by the philosophy of “Student Delight”, every year VIT welcomes and nurtures around 750 engineering talents at the undergraduate level in Electronics, Electronics and Telecommunication, Information Technology, Computer and Biomedical Domains, around 120 management students and makes them strong players in technology and industry. This conference is an outlet to expand the technological skills and make the students ready for the industry.
