

Additional Information:

The details of the usage of library by teachers and students for the period 01/07/2021 to 30/06/2022 (footfalls and login data for online access) is as follows:

e-Resource (online) access	
Name of the e-resource	No. of users
IEEE Xplore	1507
EBSCO	87
K-Hub	2492

Physical access	
Type of access	No. of users
Book issue/return section	2737
Reference section and reading room	9000 (on an average 50 users visit library per day)

Total Item Investigations - The total number of times a content item or information related to a content item was accessed.

Total Item Requests - The total number of times the full text of a content item was downloaded or viewed.

Article Request (NON-Counter) - The number of documents requested from the server.

Page Views - The number of pages viewed on a Web site.

Searches Run - Reports the number of keyword searches performed.

Visits - Represents the number of individual durations of times visitors were on the site accessing a series of pages without 30 minutes of inactivity. A single visitor can account for multiple visits in a single day.
