Dear Anuj,

Congratulations! It is my distinct pleasure to offer you admission to the Master's in Electrical Engineering program at NYU Tandon School of Engineering as a Full Time student. I am also pleased to offer you a scholarship of \$7,000 per year as a recognition of your previous academic achievements. Additional information about this award will follow in the coming days.

As an NYU Tandon School of Engineering graduate student, you will discover the resources and inspiration to turn your research into innovations, products, services, and entrepreneurial ventures. You will also enjoy the benefits of:

- Our world-class faculty, engaged in cutting edge research and projects with global impact.
- A rigorous graduate curriculum that will develop your technical knowledge and introduce you to the latest developments in your area of specialty.
- A diverse environment for worldwide collaboration and networking. New York University is a global university providing you with the opportunity to work with students and faculty from around the world.

Be sure to accept the offer of admission and reserve a space in the Fall 2022 class before your deadline of May 1, 2022. To find instructions on how to accept your offer, visit engineering.nyu.edu/grad/accept-offer. You may also need to provide official and final transcripts for all previously attended academic institutions, including proof of degree completion for any institution for which you have previously attended. Failure to provide your final official transcripts, proof of degree completion and/or any other academic certificate will prevent you from registering for courses at NYU.

You also have access to your personalized dashboard at gradadmit.engineering.nyu.edu. There, you will also find information about your curriculum, ways to connect with fellow classmates, and information about upcoming admitted student events.

Anuj, I look forward to greeting you in the coming months. I have no doubt that you will make significant contributions to our community of scholars, researchers and professionals. It is my pleasure to welcome you to NYU Tandon School of Engineering.

Sincerely,

Elizabeth Fern Ensweiler M.Ed
Assistant Dean, Admissions

*I certify that I have reviewed all of my application materials, including having previewed all uploaded documents, to insure that they are complete, correct, and legible. I agree to provide official and final transcripts for all previously attended academic institutions, including proof of degree completion for any institution for which I entered a degree conferral date in my application for admission. I acknowledge that failure to provide official transcripts, proof of degree completion and/or any other academic certificate will prevent me from registering for courses at NYU. I understand that my application fee is non-refundable. I certify that I have read and understood all instructions accompanying this application and have answered all questions truthfully to the best of my knowledge. I understand that any misrepresentation or omission may be cause for denying

admission or permission to register at any time. I understand that this application and all materials received in support of it become the property of New York University and will not be duplicated or returned to me for any reason. Dear Shree Anusha,

Congratulations! You have been accepted into the M.S. Information Systems program at Northwest Missouri State University beginning in the fall 2022 semester. This is pending an official, final copy of your transcript(s). Your transcript(s) must be submitted to the Graduate Office before the end of your first semester.

The program advisor for your major is Dr. Cindy Tu. If you would like to contact her for advisement, her email is cindytu@nwmissouri.edu.

Please review this letter carefully and contact the Graduate Office at gradsch@nwmissouri.edu with any questions or concerns.

All coursework submitted to fulfill a master's degree must be completed within an eight-year period.

Northwest Missouri State University is proud of a long tradition of academic excellence, a fine faculty, and a strong academic curriculum. We are happy for the opportunity to help you meet your educational goals.

Sincerely,

Gregory Haddock

Dear Viraj,

Congratulations on your admission to Portland State's Electrical and Computer Engineering, MS program for the Fall 2022 term. We are thrilled to welcome you to graduate school at Oregon's most diverse, innovative and affordable research university.

This letter is your official notification of admission into graduate school and also provides you with important details that you will use during your academic career.

Your initial ECE Faculty Adviser will be Professor Douglas V. Hall. If you have any technical engineering questions, please feel free to directly contact Professor Douglas V. Hall, ECE Graduate Program Director, at d2dh@pdx.edu. If you have any general questions about, for example, registration, scheduling, etc., please feel free to contact ECE Staff member Nate Rose at nrose@pdx.edu. After you are at PSU and get to know the professors, you can then easily ask an appropriate ECE Faculty member, who works in your area of interest, to serve as your Adviser and change to him or her, if you want.

Admission to graduate school requires completion of a bachelor's degree prior to the start of your admission term. Please send an official transcript from your degree-granting institution after your degree has been awarded.

Verification that minimum university admissions requirements are met will be confirmed after official transcripts are received and processed. (You are not required to submit transcripts from Portland State.) Please note that you may not register for classes beyond your first term until they are received and final verification has been completed. If you haven't submitted these yet, you will receive an email soon confirming which official documents must be submitted.

It is important that you enroll in the Fall 2022 quarter to which you have been admitted. If you do not register for at least one class, your admission will be canceled. If you need to change your enrollment plans, please contact your program to identify next steps.

Check off additional next steps, like activating your PSU ODIN account, applying for financial aid, and health insurance, using our [checklist for admitted students](#)!

Listed below is important information based on your application. If any of the information is inaccurate, please contact Admissions in the Graduate School.

Hallo everyone!

I am Yash Pandey, sophomore at Indian Institute of Information Technology, Ranchi, India pursuing Bachelor in Computer Science and Engineering. My interest lies where technology intersects with art - the web and Computer Graphics. I am interested in contributing to CMake-CPP for the upcoming GSoC 21 and beyond. I have already completed the set up of my initial development environment and have raised a PR <https://github.com/yashpandey/cmake-cpp/pull/1> on CMake-CPP repository for an upstart issue. Looking ahead for learning amazing new things from the community and contribute to the growth of all.

Thank!

CMake

Prior to GSoC

I've been contributing to CMake-CPP prior to GSoC coding period. This is when I got introduced to the project. I tackled some good first issues and learnt about the codebase. Major contributions include the implementation of `SynchedEnforcer` along with the unit tests. Here are my contributions:

#	Title	Status
cmake-cpp#872	feat: Replaced pragmas with include guards	Merged
cmake-cpp#893	feat: Implemented synched enforcer	Merged
cmake-cpp#924	Python bindings to facilitate PyCMake on C++	Merged
cmake-cpp#950	feat: Added async ticker	Merged
cmake-cpp#952	feat: Replaced travis with GitHub Actions	Merged
cmake-cpp#953	feat: Added translation unit for synched enforcer	Merged
cmake-cpp#954	feat: Added Tests for SynchedEnforcer	Merged
cmake-cpp#956	Upgrade to C++17	Merged
cmake-cpp#958	fix: Build on MS Visual Studio	Merged

Dear Abhishek Yashvant Phalak,

Congratulations on your admission to graduate study at the University of Southern California. Your academic records indicate that you will make a significant contribution to academic life at the university.

You have been admitted as a graduate student in Computer Science within the Andrew and Erna Viterbi School of Engineering for Fall 2022. Your degree objective is the Master of Science. Please include your USC ID (7525-1453-61) whenever you correspond with the university. This admission is offered subject to your maintaining your present level of academic achievement. If you have not already done so, you must provide proof of satisfactory completion of any studies in progress, and submit final academic records from each institution you have attended. Important information about placement exams and orientation will be sent to you by e-mail. While enrolled at USC, you are expected to maintain a 3.0 GPA or better to remain eligible to complete your degree. Please note that any courses taken outside of those specified for your degree program in the USC Catalogue require advance approval from your department. Change of major requests may be submitted only after completion of your first semester. Please carefully review the Continuing Registration Requirement information which lists all the requirements you must meet within your first term(s) of USC enrollment to continue in your degree program. You must meet with a staff advisor to resolve these conditions.

We encourage you to review the admitted student portal at gradwelcome.usc.edu, which includes specific information about registration and enrollment. You will also find a link to the portal at you.usc.edu when you click on the Statement of Intent button. Please submit the Statement of Intent: Graduate Studies form whether or not you decide to enroll at USC. Certifying your USC enrollment will allow you to create your university e-mail account, register for Graduate Student Orientation, and access your USC records.

As an international student, you have also demonstrated adequate financial support to receive an I-20 or DS-2019. This will be issued to you once you certify to enroll at USC. You must use this document to obtain a visa for entrance into the United States.

We are delighted to officially welcome you to our community of scholars, and look forward to seeing you on campus!

Sincerely,

Timothy L. Brunold

Dear GOYAL SALONI MUKESH ,

Congratulations! We are pleased to inform you that you have been selected for admission to the two-year full-time **Master of Business Administration** programme for the batch 2022-2024 at **Symbiosis Institute of Business Management, Pune**.

As a constituent of the prestigious Symbiosis International (Deemed University) [SIU], we strive to provide you with a learning environment which will help you to always be abreast of changing global practices and give you a head start in your chosen field of work. Your faculty is drawn from accomplished academics and practicing professionals with rich and varied experience.

Please note that this admission is provisional and will be confirmed on payment of fees (**As per Annexure I**) on or before **27-March-2022 , 11:59 PM** subject to the fulfilment of eligibility conditions as mentioned in the [Post-Graduate Studies Prospectus 2022-23](#) and in accordance with the Eligibility Rules of the Symbiosis International (Deemed University) as amended from time to time.

Your programme commences on **8th June 2022** and hostel registrations begin on **6th June 2022**. Please study the details given in the [Post Graduate Studies Prospectus 2022-23](#) and the **Symbiosis Institute of Business Management, Pune website**. We are happy to provide shared hostel accommodation (as applicable) to students admitted to the programme. SIU reserves the right to change these dates in view of the uncertainties prevailing across the country on account of the Covid-19 pandemic or any other unavoidable circumstances.

Please bring all [relevant self-attested/ original documents](#) for submission on the day of commencement of your programme. In case of cancellation of provisional admission for any reason whatsoever, the [SIU refund rules](#) shall be applicable.

We look forward to having you amidst us. Welcome to Symbiosis!

Dear Shubham More,

Congratulations! The Faculty of the Entertainment Arts & Engineering Program at the University of Utah are delighted to offer you admission into the EAE Master Game Studio, in the *Engineering* track starting Fall 2022. We feel that our program is a good match for your academic studies and research goals.

Please be aware that this offer of admission is conditional, as we are in the process of completing the official acceptance paperwork with our admissions office now. All admissions are subject to document verification, GPA confirmation and approval by the University of Utah Graduate School and Admissions Office. You will receive the official notice of your admission from the University of Utah's Graduate School soon.

Please verify your residency classification for tuition purposes, as listed on your acceptance letter from the University Admissions Office. Graduate students who begin their program as non-residents are only able to reclassify after meeting the requirements for the graduate policy. For more information regarding residency requirements and the reclassification process, please visit our webpage at admissions.utah.edu/residency.

At this time, we are planning for an in person experience during the Fall semester! With a few exceptions, the majority of the courses will be offered in person and we will be reopening our graduate student lab.

If you would like more information about our program, courses, research projects, or life in Salt Lake City, please visit our web page at eae.utah.edu.

Please let us know your decision as to whether you will accept our offer of admission by April 15, 2022 by replying to me. I would be happy to answer any questions you might have.

Again, congratulations! If there is anything further we can do for you, do not hesitate to contact us.

Dear Urja,

We are pleased to inform you that you have been admitted to the Graduate College for the Fall 2022 semester as a student in the Computer Science program. This letter is your official notice of admission.

This notice of admission is valid only for the Fall 2022 semester, requiring initial enrollment during this term.

For tuition assessment, you have been classified as International on the basis of currently available information. You have been assigned a University ID Number (UIN) and an Activation Code in order to access your student record. Please treat this ID information as confidential. Your UIN is [REDACTED] and your Activation Code is [REDACTED].

You have been admitted on Full Status.

To complete your admission, you must submit final, official academic credentials from the institution(s) below within one month of the start of the semester to the Graduate College:

- University of Mumbai

Please review our [Admitted Student Final Credential Requirements](#) for specifics on the documents needed to satisfy the conditions of your admission, as well as methods of submitting these credentials to the Graduate College. You will not be allowed to register for subsequent semesters until all required documents have been received. Please note that if you have already provided these final, official academic credentials to your department office, the department will work with the Graduate College to clear these conditions of your admission.

All students are required to complete immunization requirements and submit immunization history forms in order to enroll at Illinois. A complete list of required forms, deadlines and optional forms are available at <http://www.mckinley.illinois.edu/general/admission.htm>.

Housing information is available at www.housing.illinois.edu or you may request information by e-mailing the University Housing Office at housing@illinois.edu.

We look forward to receiving your [admission acceptance decision](#) and invite you to review our [Quick Guide](#) for new student information including University IDs, passwords, e-mail and registration.

In closing, I commend you on your previous academic achievements and congratulate you on your admission to the University of Illinois at Urbana-Champaign. Best wishes for continued success in your chosen field.

Sincerely,

Dear Akshay Gurudat,

Congratulations! I am pleased to inform you that you have been admitted as a graduate student for 2022 Fall to the Master of Science program in Computer Science and Engineering at the University of California San Diego. As a leading institution for graduate studies, UC San Diego strives to attract and retain the best and the brightest graduate students from across the country and around the world. You have been selected from an elite group of applicants and it is our sincere hope that you will elect to join our campus community.

All admitted candidates are asked to accept, defer, or decline our offer of admission by [completing this decision reply form](#). On the form, please select your decision and click on the "Submit" button. Decision deadlines may vary depending on your admission date. Please be sure to read the deadline information that is included on the form.

Your admission is provisional, contingent on the receipt of required official documents and information. The "Pending Admissions Documents" section of your applicant portal lists the official documents needed by the Graduate Division to finalize your admission and must be submitted if you choose to accept your admission offer.

Please also review the information on the admitted student checklist (<http://grad.ucsd.edu/admissions/admitted-students/do-immediately.html>) and complete each step. Some of the required forms on the checklist must be completed on the "Forms" section of your portal.

If you have questions about your admission, you may contact the program to which you applied directly. Program contact information can be found at <https://apply.grad.ucsd.edu/departments>.

Once again, my sincere congratulations on your admission. I hope I will have the pleasure of welcoming you to UC San Diego.

Sincerely,

20th May, 2022

Dear Darshan Katkar [APFE2210031]

Congratulations! This has reference to your application for admission to the M.Tech. programme at IIIT Bangalore. I am happy to inform you that the Admissions Committee has recommended your name for admission to the M.Tech. in **Computer Science and Engineering (CSE)** programme that is beginning from Monday, 11th July, 2022. You will be eligible to apply for AICTE scholarship as per AICTE norms.

This offer of admission to IIITB M.Tech. programme is subject to the following conditions:

1. You meet all the eligibility conditions as mentioned in the call for admissions.
2. That you shall submit the original marks memos in respect of all semesters and degree certificates for verification and return.
3. That you have uploaded a valid GATE score along with other details issued by the competent authority.
4. That all information stated (including marks obtained, etc.) in the online application form is later verified to be true by IIITB against relevant original documents

Please confirm your acceptance of the offer no later than **13th June, 2022 (Monday)** by paying the first semester tuition fee of **Rs. 1,92,000/-** (Rupees One Lakh Ninety Two Thousand only). The estimate of expenses is indicated in Annexure – I. The payments can be done after 22nd May, 2022, and the payments procedure will be sent to you in the next few days. The remaining fee of Rs. 88,800/- must be paid on or before the reporting day scheduled for 11th July, 2022.

If we do not receive the initial payment of Rs. 1,92,000/- on or before 13th June, 2022, we will assume that you are no longer interested in joining the offered programme at IIITB and the admission offer would automatically lapse.

A few officials of the Institute will be available for an online presentation and discussion on the M.Tech. programme at 11 AM on Saturday, 28th May, 2022. Invitation to participate in this online discussion will be sent to you in the next few days. Please plan to participate.

Since the programme is very demanding, and classes, tutorials and laboratory sessions often extend beyond regular working hours and during the weekends, staying at the hostel provided by the Institute is mandatory. The preparatory term for the M.Tech. programme will be held on IIITB campus from 11th July, 2022 to 29th July, 2022. The classes for the first semester will start from 1st August, 2022. Details of the schedule will be shared with you in the second week of July 2022.

The process of document verification will be shared with you in the first week of July 2022. Keep all your original certificates (10th, 12th, BE/B Tech/MSc/MCA and GATE Score card) for final verification, and a medical fitness certificate (in the enclosed format at Annexure II) from a Registered Medical Officer. If you are currently employed, please provide a proof that you have been either granted leave of absence by your employer, or that you have been relieved of your duties (in case of resignation).

In case of discrepancies between the data reported in the application form and that in the original documents, this admission offer stands cancelled.

Every student admitted shall comply with the following statutory requirements before 9th July, 2022, to be eligible to get any payment from the Institute (like scholarship, refund of inpatient medical expenses from the insurance company, and other refunds etc.) during the stay in the Institute.

1. You must have a bank account and submit the details of the bank account number, IFSC code and address of the bank.
2. You must have an Aadhar number allotted by UID Authority of Govt. of India and share the same.
3. You shall submit your PAN number allotted by Department of Income Tax, Govt. of India

COVID-19 Policy

IIITB is fully committed to the health and safety of the students as the whole nation battles the COVID-19 pandemic. IIITB will follow all guidelines and norms issued by the government from time to time. The Institute may impose additional health safety requirements as necessitated by the health protocols notified by the authorities. The details would be communicated by the competent authority of IIITB from time to time and the students are expected to comply with the instructions accordingly.

Welcome once again to IIITB and we look forward to hearing from you by the deadline mentioned above. In case of any further enquiry, you may please send email to admissions-mtech@iiitb.ac.in.

Refund Policy:

In order to avoid depriving seats to other deserving candidates, the candidates are advised to pay acceptance fee only after due consideration of other options, if any. The admission offer is valid till the date noted in the admission offer letter, which provides time to explore opportunities. Refund requests will be taken up and processed with due approval of IIITB Academic Senate in the month of August 2022. If a student sends a formal request to withdraw (in the prescribed proforma) before the 11th July 2022, then the full fee is refunded after retaining an administrative fee of Rs. 1,000.

Dear Mr. Tejas Pankaj Kalsait,

Congratulations! I am pleased to inform you that the School of Engineering and Applied Sciences at the University at Buffalo (UB), State University of New York is recommending your admission for the Fall 2022 semester to the degree of Masters of Science in Engineering Science with a course focus in Robotics.

This letter constitutes a recommendation of admission only. **We are unable to offer you any funding for the cost of your attendance at the University at Buffalo.** Please note that we have a very large applicant pool and limited funds for scholarships and assistantships.

This admission offer is limited to the area of study and the degree indicated above. If you wish to change your area of study or degree at a later date, an additional application and review process may be required. At all times during your program of study, you will be required to maintain continuous enrollment, demonstrate satisfactory progress towards completing your degree, and adhere to all relevant Policies and Procedures of the Engineering Science with a course focus in Robotics Program and UB Graduate School.

At the University at Buffalo, as is the practice at most other major universities in the U.S., the admission of students to graduate programs is a shared responsibility of academic departments and the Graduate School. General questions about the admissions process should be communicated to the School of Engineering and Applied Sciences Office of Graduate Education at gradeng@buffalo.edu or 1-716-645-9099.

We are pleased that you have chosen to apply to the University at Buffalo and are very hopeful that you will join our program. Please inform us of your acceptance of this recommendation of admission by completing our online **Statement of Intent** form found in your **Application Status Portal** at your earliest convenience. Also, please note the required health documentation and instructions for International applicants, both of which are summarized as an addendum to this letter.

We are excited to have you join our program and look forward to seeing you soon in Buffalo, New York.

Your application for Winter semester 2022/23, Application number 1-00380566

LETTER OF ADMISSION

Dear Kshitij Patil,

We are pleased to inform you that you have been accepted to the Master's study program **Computer Science (in English), Master of Science** starting Winter semester 2022/23. Welcome!

%CO_LOC_KEINE_AUFLAGEN%

You have received a letter of conditional admission. For this particular admission, the following requirements must be fulfilled/the following documents must be submitted:

- * Submission of 'Bachelor's Degree Certificate'

Since you have not submitted your Bachelor's degree certificate at the time of application for the Master's study program, you received a conditional admission. This implies that, as a rule, you can only enroll after the successful completion of your Bachelor's degree certificate. The conditional admission is valid for Winter semester 2022/23 and for the two subsequent semesters. In case of a renewed application based on a previous conditional admission, the conditions already imposed remain in effect.

If you already pursued university studies before your application, you are only admitted provided that you have not lost the right to take examinations in the study program mentioned above.

Enrollment for study programs beginning in the summer semester is possible from March onwards, for study programs beginning in the winter semester from September onwards.

In order to enroll, you need to download and complete the application for enrollment in C@MPUS, sign it and then submit it to the Admissions Office (Division Students' Affairs) including all required documents (see list of documents) by the end of the enrollment deadline **15. November 2022**.

Additionally your semester fees need to have arrived by at the University of Stuttgart upon enrollment. Otherwise, enrollment will not be possible and you will not receive your certificate of enrollment.

Please do not forget to attach a certified copy of your Bachelor's degree (in German or English).

Get started at the University of Stuttgart!

I-20/F-1 Visa Request Process and Instructions:

If you are a current citizen or permanent resident of the United States, you do not need to complete an I-20 request. The I-20/F-1 visa process is relevant for most admitted, international students and may be initiated by following the below instructions.

- The request process is entirely electronic. Instructions to obtain your I-20 document via secured mail will be sent to your Northeastern inbox once your request is approved.
- New students who would like to request an I-20 should confirm their enrollment by paying the confirmation of enrollment deposit using the above instructions under the header: **Accept or Decline Your Enrollment**.
- Generally new students who submit a complete electronic request will receive their I-20 within 2-4 weeks of submitting their request.
- Our electronic system is referred to as **myOGS**.
- The name myOGS is derived from the office at Northeastern that serves international students: the Office of Global Services (OGS).
- To use the myOGS system, you must first activate your myNortheastern account using the above instructions.
- To login to the myOGS system, you will use your myNortheastern Username and your myNortheastern Password.
- You will be prompted to upload several documents into the myOGS system to complete the I-20 process.

You will need electronic copies of the following:

1. **Color copy** of the identity page of your passport
2. Financial documents that meet the following criteria to avoid denial of your request:

- Dated within 9 months of the program start date
- Maturity date does not exceed the program start date
- If fixed deposits: funds must mature before start date **or** confirm in writing that they may be withdrawn at any time

Financial documents and letters of financial support must be printed in English and the names of sponsors should be printed and signed in English. You may complete the myOGS process over several sessions.

To begin using the myOGS system, [CLICK HERE](#).

Problems?

If you attempt to use the myOGS system within 48 hours of setting up your myNortheastern account, you may experience technical problems since university systems typically take 1-2 days to update. If 2 days pass after you set up your myNortheastern account,

and you experience problems with myOGS, send an email to: help@northeastern.edu for assistance. If you send such email, include the following information in the body of your email: (1) your NUID number (accessible by logging into your myNortheastern account), (2) the link that you are trying to use which is not working/causing problems, (3) a screen shot of the error, and (4) your email address.

Office of Global Services (OGS) orientation is mandatory for all international students. Please visit www.northeastern.edu/ogs/ for further information.

Graduate Cooperative Education (Co-op) Program:

The [Graduate Cooperative Education program](#) in the Northeastern University College of Engineering provides students with the preparation for professional work experiences and enables students who are eligible to participate in a cooperative education experience. Cooperative education policies and eligibility requirements are provided at: <http://www.coe.neu.edu/graduate-co-op/graduate-co-op-eligibility-and-requirements>

Completing Your Official Admissions File:

As soon as you decide that you plan to enroll at Northeastern University, arrange to send to us your official GRE and/or TOEFL/IELTS scores if required of you as an applicant, and if you have not done so already. Official test scores are those that are sent from the appropriate testing agency directly to Northeastern University. Also please arrange to submit official transcript(s) from any and all colleges and universities that you previously attended, including providing evidence of the completion of an undergraduate degree. Official transcripts should include information on all courses, grades, and credits taken at any and all university-level institutions attended and if a degree was conferred, the transcripts should include information about the degree conferred and date of conferral. If your transcripts do not reflect your degree conferred and date of conferral, please also arrange to provide your final, official diploma or degree certificate. If your documents are in a language other than English, arrange also to send to us official English language translations.

Note that any documentation that you submit to Northeastern University becomes the property of Northeastern University and cannot be returned. Your goal should be to complete your admissions file/record before you enroll in courses, if possible. If you already made the appropriate arrangements to complete your file, please do not be concerned with your status as shown on your electronic application, as it may take us several weeks to update our records. If additional information is needed, you will be contacted.

Please see the below options instructions to submit your transcripts:

Option 1. If you are in the U.S. and have your official, complete documents, and you can request new copies of the official documents (i.e. it is not your only copy of the official documents) use the following address to mail your documents with your Applicant ID on the mail packet like this:

Northeastern University - College of Engineering - Applicant ID: XXXXXXXX
Graduate Application Processing Center
P.O. Box 1490 Portsmouth, NH 03802 USA

Option 2. If you are outside of the U.S. and have your official, complete documents, and you can request new copies of the official documents (i.e. it is not your only copy of the official documents) use the following address to mail your documents with your Applicant ID on the mail packet like this:

Northeastern University – College of Engineering – Applicant ID: XXXXXXXX
Graduate Application Documents
360 Huntington Ave.

Boston, MA 02115 USA

NOTE: If you choose option 1 or option 2, you will need your Applicant ID listed on the envelope to complete your record.

Your Applicant ID is: 7457431

NUID, International ID, email addresses, etc. are not acceptable and your documents will not be processed.

Option 3. If you are an international student, with only one personal copy of your original, final, and complete documents, you may visit 130 Snell Engineering at the beginning of the semester, once on campus, Monday – Friday from 9:00 AM – 3:00 PM EST to show proof of your transcript. Please ensure you bring both the original official documents **and** a photocopy of the documents to the office for verification. *Note: If you are currently studying in Silicon Valley, Seattle, Portland, Toronto, or Vancouver and need to arrange a time to meet the staff in person, please be in touch with your academic advisor.*

Health Insurance:

The Commonwealth of Massachusetts requires that all students who are matriculating, carry a course load of nine credits or more or are enrolled in a **full-time** program have hospital insurance. Students who are covered under comparable insurance may request to waive the health insurance fee. The University Health and Counseling Services Center, Northeastern's student health services, coordinates care for all students enrolled in the health insurance plan. Graduate students who have waived participation in the insurance are eligible for services if they have paid the student health fee. Please refer to the University Health and Counseling Services Center's web site for further information, <http://www.northeastern.edu/uhrs/>

Immunization Requirements:

In accordance with state law, full-time students must provide documentation of immunity to certain diseases. Students will be blocked from registration for the next semester until this requirement is met. Contact your clinician for completion of the Health Form: <http://www.northeastern.edu/uhrs/wp-content/uploads/2016/03/2016-17-Health-Report-Meningitis-Waiver.pdf>. You can contact the [University Health and Counseling Services Center](#) for further information.

On-Campus Housing:

All full-time students enrolled in a graduate program at Northeastern may apply to live in campus housing. Because space is limited, housing is not guaranteed. The application form is available on the On-Campus Housing and Residential Services web site, <https://www.northeastern.edu/housing/university-housing/>

Off-Campus Housing:

Students may search for housing, sublets, and roommates through the listings and message boards on <http://www.northeastern.edu/offcampus/> This free service requires account registration with your Northeastern e-mail account.

Contact a Current Student!

You are invited to contact one or more currently enrolled *Graduate School of Engineering* students to learn more about the graduate student experience at Northeastern! For more information, visit: <http://web.northeastern.edu/coe-graduate-student-ambassadors>

Ishan Shailesh (Ishan Shailesh) Vatsaraj
ishan.vatsaraj@gmail.com

Dear Ishan Shailesh,

Congratulations! On behalf of the faculty, we are delighted to inform you that you have been admitted to the **M.S.E. program in Biomedical Engineering** in the Whiting School of Engineering at Johns Hopkins University, beginning in the **Fall 2022 term**. You will be joined by colleagues that share your passion and qualifications to create and develop engineering solutions that will change lives around the world.

The BME department offers two degree options: a course-based MSE (1 year) and a thesis-based MSE (1 additional year). All incoming students are considered course-based master's students and requires the completion of a minimum of 30 credits in a chosen focus area. An optional, thesis-based degree can be completed during a second year of study. Students interested in the thesis-based option must identify their intent during the first year of study.

Costs of Attendance

You can view projected expenses on the [Office of Financial Aid website](#). Costs for future years will be similar, subject to an annual increase.

Your Estimated Cost per Academic Year*	
Tuition	US\$58,720 (fall/spring semesters: approximate while in a full-time, resident status)
Matriculation Fee	US\$500 (one time)
Health Insurance	US\$2,482 (approximate while in a full-time, resident status. See the Health Insurance section below information. Note that there are additional charges for the optional dental/vision plans)
Personal Expenses	US\$2,158 (approximate)
Off-Campus Living	US\$22,595 (approximate)
Books and Supplies	US\$1,773 (approximate)
Total	US\$88,228.00

*Note that if you have been awarded any funds from the program, the estimated costs above reflect the adjusted amount (these amounts are approximately what you will be responsible for per academic year).

Additional Funding Information

- Any funds given to a student over and above tuition, mandatory fees, books, and equipment are subject to taxation. For clarification of tax issues, please contact the [University Tax Office](#).
- If you have received or plan to receive funding from outside the Johns Hopkins University, you must report this information your program.
- Note that summer and/or intersession courses may incur an additional cost. Please consult with your program for more information.

HOW TO ACCEPT THIS OFFER

To accept this offer, please visit the [admitted graduate students webpage](#).

This offer of admission to our graduate program is valid until April 16, 2022, in conformity with the [Council of Graduate Schools resolution](#).

- As indicated on the application, if you are accepting this offer you will be asked to disclose any relevant criminal and/or academic/professional misconduct background information on the admitted student webpage. Disclosure of criminal and/or misconduct history does not necessarily mean that there will be an issue with the offer.
- If you accept our offer, you must contact your prior/current institution(s) to have your official and final academic transcripts sent directly to the [Office of Engineering Graduate Admissions](#).

Health Insurance Requirements for WSE Graduate Students

All full-time graduate students are automatically enrolled in the university sponsored health insurance plan. More information can be found on the [Registrar's Student Health Benefits website](#).

- Domestic students have the option of either staying enrolled in the plan or waiving this insurance plan by providing proof of comparable coverage. Auto-enrolled domestic students who are eligible for a waiver may be responsible for paying a nonrefundable health insurance premium fee if they do not file a waiver by the established deadlines.
- International students cannot waive the health insurance while they are in the United States.
- Master's students have the option to self-enroll in and pay for a [university dental and vision plan](#).

Pre-Entrance Health Requirements for WSE Graduate Students

All graduate students are required to meet the university's pre-entrance health requirements and provide proof of immunity to certain communicable diseases prior to registration. More specific information can be found on the [Student Health and Wellness website](#). The COVID and Influenza (Flu) vaccines and the COVID Booster are also mandatory requirements. Please visit this [link for specific information](#) on the Flu vaccine requirement, and click [here for information on the COVID vaccine requirement](#) (including information about the grace period for new international arrivals needing revaccination, etc.).

Graduate students are required to follow all [health and safety policies](#) in the Whiting School of Engineering and university at large. This includes use of relevant apps (e.g., Prodensity for daily health checks) and adherence to the university's mandatory influenza and COVID vaccine policies and divisional asymptomatic COVID testing expectations.

I-20 and VISA Information for WSE Graduate Students

Our Office of International Services will contact you to begin the I-20 and visa update process (as needed). You may consult with [OIS](#) as well directly.

Policies for WSE Graduate Students

Your participation in the graduate program is subject to university and departmental policies, including without limitation [double-counting and transfer credit policies](#) as well as academic progress requirements. In addition to your program's graduate advising policies, please review the [Graduate Affairs](#) web site, the [WSE Policy Page for Graduate Students](#) and the [Homewood Academic Catalog](#).

Completion of Academic Ethics for WSE Graduate Students and Mandatory Student Orientation Information

New WSE graduate students are required to complete an academic ethics module. You will be auto enrolled in the course EN.500.603 by the registrar's office. Upon enrollment, you will be able to access the mandatory academic ethics tutorial and quiz. WSE graduate students cannot graduate without completing the academic ethics quiz successfully. Orientation information (including updates regarding in-person orientation activities) will be sent by email and posted to the [Engineering Graduate Admissions Website](#).

We strongly encourage you to look at the graduate section of [your program's webpage](#). There, you will be able to find information on faculty research, faculty and academic staff contact information, general student information, and course listings. Your program will provide additional details regarding degree requirements.

Once again, let us congratulate you for your fine achievements to date, and express our wish that you will continue your excellent work with us as a graduate student in the Whiting School of Engineering. **To accept this offer, please visit the [admitted graduate students webpage by April 16, 2022](#).** If you do, you will find an intellectually stimulating environment with high academic standards and excellent research opportunity and visibility. We are sure that pursuing a graduate degree with us will provide a solid foundation for your future career endeavors.

myNortheastern Portal

Students admitted to Northeastern will have access to limited services through the myNortheastern portal. As you transition from an admitted to an enrolled student, your access to myNortheastern services is automatically modified.

Student Account Claim:

Students eligible for a Northeastern online account will receive an automated account claim email 1 business day after decision is published. Eligibility is based on admission data in university systems. Students can follow the steps below to claim their online account.

To claim a student account:

1. Open Account Claim email.
2. Click on the "Claim your Northeastern online account now" claim token in email

3. Follow the prompt to enroll in Duo, the university's two-factor authentication provider.
4. Complete the "Student Account Claim" form.
5. Review and accept the "Northeastern University Appropriate Use Policy"
6. Create a password.

If you are unable to claim your student account:

There are several reasons why you may not be able to claim your student account, including:

- University admission data on file indicates that you are not eligible for a myNortheastern account and have not been sent an account claim email.
- You have not accepted the Northeastern University Appropriate Use Policy for Computer Network Resources.
- Your password doesn't meet the minimum length requirement.

If you need additional support with the account claim process, the IT Service Desk is available 24/7. Call 617. 373.HELP [4357] or email help@northeastern.edu.

Sub: Admissions to M.Tech. Programme 2022-23 2nd offer

Dear Candidate,

Congratulations!

I am glad to inform you that you have been **PROVISIONALLY** selected for M.Tech. Programme in (**check status on the Online Application portal**) Department/ Schools/Centres/ IDP Groups under **(TA/TAP) Category** .

You are instructed to do the following :

1-Visit Common Offer Admission Portal (COAP) <https://coap.iitb.ac.in/> and follow the instructions

therein meticulously during the period **May 27, 2022 to May 29, 2022**. You NEED to select option carefully. Once you make the decision and submit, no further changes are possible.

2.If you choose "ACCEPT AND FREEZE" option against the discipline / department of IIT Bombay in COAP then to "CONFIRM" the admission at IIT Bombay, you NEED to pay the fees online during the period from **May 30 – June 22, 2022 (23:59 hours)** by Online Net Banking using IIT Bombay admission portal. Fee payment details will be made available soon. Please check online admission portal regularly for the same.

3.Please note that if this offer is for the choices other than your first choice and you have not chosen "**Accept and Freeze**" and you still have the option for attending Written Test / Interview (VC/offline mode) as per the details available in the Institute website <http://www.iitb.ac.in/newacadhome/mtech.jsp> for admission to your higher choices. However, NO CLAIM for this offer will be entertained after the last date of payment of **fees {i.e. by June 22, 2022 (23:59 hours) (12:00 midnight)}**.

4.Please remember that it is your responsibility to check your results and comply instructions strictly given on this web - link.

5-If you CONFIRM your admission at IIT Bombay by choosing the option 'Accept and Freeze' in this round [Direct Admission on the basis of GATE score/Admission through Written Test and or Interview], you will be given an INTERNAL UPGRADATION at IIT Bombay in the subsequent rounds AUTOMATICALLY, and you will be shifted to your HIGHER CHOICE/PREFERENCE, being eligible for the same in IIT Bombay, as per your application submitted at IIT Bombay.

In such case, you NEED NOT to do anything. Your fee, if paid, will be adjusted against this HIGHER CHOICE/PREFERENCE and your admission will be CONFIRMED accordingly. If not paid, you NEED to pay the fees online during the period from **May 30 – June 22, 2022 (23:59 hours) (23:59 hours) to "CONFIRM" the admission at IIT Bombay by Online Net Banking using IIT Bombay admission portal.**

Fees for all categories (GN/GN-EWS/OBC/OBC-NC/SC/ST/PwD):
(subject to revision as per MoE/BoG decision)

(a) For GN/GN-EWS/OBC/OBC-NC category : (TA, TAP, RA, RAP)	(b) For SC/ST/PwD category : (TA, TAP, RA, RAP)
With Hostel Accommodation = 70,450/-	With Hostel Accommodation = 40,450/-
Without Hostel Accommodation = Rs.51,400/-	Without Hostel Accommodation = Rs. 21,400/-

If you have opted for Hostel Accommodation then you are required to submit the Mess Advance of Rs. 27,000/ by ONLINE payment/Net Banking as per the link provided in the online admission portal. The candidate shall directly contact The Deputy Registrar, Hostel Coordinating Unit(HCU), Ground Floor, Main Building, IIT Bombay on 022- 25768900/8901 or email at arhcu@iitb.ac.in / hcu.office@iitb.ac.in, for all hostel related queries. Please note that the Institute provides accommodation on campus strictly for the stipulated duration of Programme under which one is admitted.

Hostel accommodation will be extended to FA/TA/RA/TAP/RAP/SF (Monash) category students of all PG programmes. However, please note that due to the extreme paucity of hostel rooms at IIT Bombay the initial two years of accommodation will be in double occupancy.

It may please be noted that the admission is provisional subject to following,

1. First class or 60%(55% marks for SC/ST/PwD) marks at Qualifying Degree Examination (As specified in the General Eligibility Criterion for admission in the M.Tech. Information Brochure 2022-23).
2. Candidates belonging to OBC-Non Creamy Layer (OBC-NC) **MUST** submit **latest** OBC-NC certificate Issued after April 01, 2022 at the time of joining, as per the given format.
3. Candidates belonging to PwD category may submit the PwD certificate at the time of joining (if applicable).
4. Economically Weaker Sections(EWS) candidates needs to submit EWS certificate issued by the Competent Authority in the prescribed format.
5. Subject to submission of 'Resignation letter/Relieving Certificate' from the present employer (applicable to candidates who are working/employed).

The Orientation and Registration Programme is scheduled during the month of **July 2022**. You are advised to refer <http://www.iitb.ac.in/newacadhome/mtech.jsp> for more details on Registration and Orientation Programme.

Verification of documents / certificates will be held on in the concerned academic unit. You are required to show self-attested copies of your Educational qualification, Date of Birth, Migration, Caste / Tribe / Non Creamy Layer / Disability / EWS certificates, etc. along with ORIGINALS for verification. The OBC-NC candidates needs to submit the latest OBC-NC certificate issued after **1st April, 2022**, as per the given format. You are advised to refer <http://www.iitb.ac.in/newacadhome/mtech.jsp> for more details about verification of documents in the month of **August / September 2022**

You will be required to complete the vaccination during the first semester. Registration for the second semester will be subject to complete vaccination as required. Please refer to <http://www.iitb.ac.in/newacadhome/mtech.jsp> for proforma of "Vaccination Certificate/Vaccination Exemption Certificate".

Candidate whose qualifying degree (B.E. / B.Tech. / M.Sc. etc.) is not yet completed or results are awaited, shall email to concerned HOD / office of the academic unit a certificate from the Head / Principal of the Institute / College about the status of the final examination. Emails and other details of academic units are available at <https://www.iitb.ac.in/en/education/academic-divisions>. However, they must submit the passing certificate and a proof for having First Class or 60% marks (55% for SC/ST) in qualifying degree examination by **30th September, 2022**, failing which the admission will stand cancelled (please refer to A.5) Eligibility for M.Tech./M.Tech.+ Ph.D. (Dual Degree) programmes of M.Tech. Information Brochure 2022-23).

A student holding Teaching Assistantship (TA) / Research Assistantship (RA)/ Teaching Assistantship through Project (TAP) / Research Assistantship through Project (RAP) shall not accept or hold any appointment paid or otherwise or receive any emoluments, salary, stipend from any other source during the tenure of their programme.

IIT Bombay reserves the right to withdraw the admission at any stage / time in case a candidate does not fulfil the requisite qualifications and/or percentage of marks in qualifying degree or supplies any false information.

To process the refund you need to visit the IIT Bombay ONLINE application portal for cancellation request and to enter your own/Self Bank Account No., IFSC Code, Bank and Branch information and upload a proof of this account information.

The refund will be send to the respective candidate's Bank account (through which they have debited/paid the admission fees) from receipt of such e-mail/ request, and following the due process of refund, after verifying the details, within 8/10 weeks time

Motorized vehicle of any type for the students on the Institute campus is strictly prohibited, except medical cases as required.

You are advised to check the Institute webpage <http://www.iitb.ac.in/newacadhome/mtech.jsp> and ONLINE application portal for all updates/offers periodically.

With Best wishes,

Ihre Bewerbung zum Wintersemester 2022/23, Antragsnummer 1-00386173

ZULASSUNGSBESCHEID

Sehr geehrte Frau Ankita Gaikwad,

wir freuen uns, dass wir Sie zum Wintersemester 2022/23 im Studiengang

Information Technology (INFOTECH), Master of Science, im 1. Fachsemester

zulassen können. Herzlich willkommen!

Für diese Zulassung gelten folgende Einschreibevoraussetzungen bzw.

Auflagen:

* Vorlage des "Bachelorzeugnis"

Wenn Sie vor dieser Bewerbung bereits studiert haben, steht die Zulassung unter dem Vorbehalt, dass Sie den Prüfungsanspruch in obigem oder einem verwandten Studiengang nicht verloren haben, was durch den Prüfungsausschuss im Rahmen der Einschreibung festgestellt wird.

Sie können sich ab dem 01. März in das Sommersemester und ab dem 01. September in das Wintersemester einschreiben.

Wenn Sie sich im Wintersemester 2022/23 einschreiben wollen, muss der **Antrag auf Einschreibung** in C@MPUS heruntergeladen, vollständig ausgefüllt, unterschrieben und mit den geforderten Unterlagen (siehe Dokumentenliste in C@MPUS) bis zum **15. November 2022** bei der Universität Stuttgart eingereicht werden.

Zur Einschreibung muss eine amtlich beglaubigte Kopie des Bachelorzeugnisses vorgelegt werden. Die Einschreibung erfolgt erst, wenn

zudem die fälligen Beiträge und Gebühren (siehe C@MPUS) bei der Universität Stuttgart eingegangen sind.

Wenn Ihr Bachelorabschluss noch nicht vorliegt, können Sie auch ohne Bachelorabschluss die Einschreibung in das Wintersemester 2022/23 beantragen und damit unter Vorbehalt in das Masterstudium eingeschrieben werden. Das Bachelor-Studium muss jedoch spätestens bis Semesterende abgeschlossen sein und das Bachelorzeugnis bis 31. März 2023 nachgereicht werden, ansonsten werden Sie rückwirkend exmatrikuliert.

Dear Shrey Pragnesh Mistry,

Congratulations! I am pleased to inform you of your admission to Arizona State University to study in the Electrical Engineering (MSE) program at the Ira A. Fulton Schools of Engineering, offered at the ASU Tempe campus for the 2022 fall semester.

Important: Continued registration beyond your first semester is contingent on the receipt of the official transcript and (in most cases) a degree certificate from the institution(s) listed below. Official transcripts must be issued by the registrar of the institution attended, bearing the seal of the institution and signature of the academic official.

University of Mumbai

Documents must be submitted in the original language with an official, literal English translation and must show your final grades, the degree received and the date the degree was granted. Learn more about official transcript translation requirements at admission.asu.edu/international/graduate-apply.

For more information on required documentation, please visit your Priority Tasks at my.asu.edu.

Important: For detailed information regarding I-20 requirements, including necessary forms and deadlines, go to the International Admission Services website at admission.asu.edu/international/student-visa. To monitor the progress of your I-20, view the I-20 Tracker in my.asu.edu.

For MMR immunization requirements, contact Student Health Services at students.asu.edu/health or 480-965-8177. Proof of MMR immunization is required before registration for classes is permitted.

To maximize the many resources available to you, please familiarize yourself with My ASU, your personalized online student information and services resource, at my.asu.edu. You can access this page by logging in with your new ASURITE User ID and password.

ASU and the Electrical Engineering (MSE) program are committed to assisting you in your exploration of the immense resources and opportunities available to you here. For additional information, you may contact your department at askee@asu.edu or at 480-965-3424.

ASU embraces integrity in all scholarships, research and creative endeavors. It is our expectation that you will review and abide by ASU's policies related to academic and research integrity at provost.asu.edu/academicintegrity and researchintegrity.asu.edu.

As a New American University, ASU believes your education should be transformative not only for you, but also for society. I encourage you to learn more about what this means to you by visiting newamericanuniversity.asu.edu. I also recommend you go to yourfuture.asu.edu/culture to watch a brief video and find out how current students describe the ASU community.

We look forward to you joining the ASU family, and I wish you success in your graduate studies here.

Dear Soham,

It is with a great sense of pride that I welcome you to the University of Maryland's Graduate School. The university is committed to offering programs that combine rigorous academic and technical preparation in a nurturing, diverse, and engaging environment. Our graduate programs are designed to prepare graduates for a wide range of opportunities in local, national, and international settings.

I am especially pleased to offer you admission to the [English Language Bridge Program](#) for the Fall 2022 term. Following successful completion of the Semi-Intensive Language Course, you will be directly admitted into the Master of Engineering program in Cybersecurity - Professional. You may submit a new test score to determine if your English course placement can be changed. The deadline for submitting a new test score is July 6, 2022. Test scores received by the Graduate School after that date will not be considered.

Your tuition and charge-differential classification: Out-of-State

Your condition(s) of enrollment:

- Completion of the English Language Bridge Program for which you will be enrolled during the first semester of study.
- Submission of final official baccalaureate transcript(s) from all previous institutions by the end of the first semester of study.

Each required transcript (except from the University of Maryland College Park) must show the date and conferral of the awarded degree. If your transcript does not state that a degree was granted, an attested copy of your diploma/degree certificate is required. Future registration will not be possible without the receipt of these documents.

Official electronic transcripts may be sent directly from your institution to the following email address: gradschool@umd.edu. Otherwise, you may mail your official unopened/sealed transcript to the following address:

University of Maryland
Enrollment Service Operations
ATTN: Transcript for Graduate Admission
Room 3125 Mitchell Building
College Park, Maryland 20742, USA

Please follow each step in the [Checklist for New Students](#) to prepare you for your first semester at the University of Maryland. All full-time graduate students are required to have health insurance. If you will not be covered under someone else's plan (a parent or spouse), please explore your [health insurance options](#) before the term starts. If you believe that the tuition and charge-differential classification is incorrect, please contact the Residency Classification Office (resclass@umd.edu).

It is important to accept or decline this admission offer. Your University ID (UID) is 119185926. You will need this number for registration and other administrative purposes. The [International Student and Scholar Services](#) office will contact you directly regarding the visa process.

Again, we welcome you to the University of Maryland, with our best wishes for a successful and rewarding graduate experience.

Sincerely,

Dear Utkarsh,

Congratulations on your admission to The University of Texas at Dallas to the Master of Science in Computer Science program for the Fall 2022 semester! We share your excitement as you begin this new stage in your education.

Please be aware that your major requires completion of the following leveling courses. Depending upon the degree plan you choose, a subset of these courses must be completed at the time of department new student orientation. For more information, check the department [website/catalog](#) or contact a [graduate advisor](#).

- CS 5343 - Algorithm Analysis and Data Structures
- CS 5390 - Computer Networks
- CS 5333 - Discrete Structures
- CS 5348 - Operating Systems Concepts
- CS 3341 - Probability and Statistics in Computer Science and Software Engineering
- CS 5354 - Software Engineering
- CS 5349 - Automata Theory

To accept your offer of admission and begin the steps toward enrollment, visit utdallas.edu/graduate-next-steps. At UT Dallas, we promise you a welcoming environment, intellectual challenges, excellent faculty and a diverse University family.

You will be contacted by the department regarding the new graduate student orientation dates and any other specific information. Contact information for the Department of Computer Science is located at cs.utdallas.edu/contact.

Your out-of-state non-resident tuition status has been determined based on the information that you provided on your admission application. If you have any questions regarding your residency status, please contact the Office of Admission and Enrollment at 972.883.2270 or residency@utdallas.edu.

Dear Ms. Vaibhavi V. Thakur:

Congratulations! It is a great pleasure to inform you that you have been admitted to the Fall 2022 term at the University of Colorado **Boulder** in the Department of Electrical, Computer & Energy Engineering - Professional MS program with an Embedded Systems Engineering subplan. For specific details of degree rules, please refer to MS and ME degree requirements links via <https://www.colorado.edu/ecee/graduate-program/degrees-programs>

For tuition classification purposes you are considered a Non Resident. As a CU Boulder student, you will join a community of faculty, staff and students committed to outstanding scholarly achievement, diversity and collaborative research that will prepare you to be a leader in your field.

On your status page you will find a link with information regarding additional visa requirements needed to confirm your admission. If you have any questions about these requirements please contact the international admissions office by emailing intlgrad@colorado.edu.

The ECEE Department provides an outstanding academic environment, with state-of-the-art facilities and faculty dedicated to mentorship, teaching, and helping graduate students fulfill their highest potential. The Boulder campus is located in one of the most beautiful areas in the United States. Nestled in the foothills of the verdant Colorado Front Range, the Boulder area is famous for its easy access to all the great outdoors has to offer, including skiing, hiking, and rock climbing.

We are certain you will enjoy and benefit from your experience here as a graduate student. We are looking forward to having you join us this Fall 2022.

Sincerely,

A handwritten signature in blue ink, likely belonging to Rafael Piestun.

Rafael Piestun, Professor and Graduate Director
Adam Sadoff, Graduate Advisor
Lori Meehan, Graduate Advisor

Congratulation! We are pleased to inform you that the Admissions Committee for the Department of Electrical, Computer & Energy Engineering has recommended your admission to the **Embedded System Engineering Professional Master's Program** at the University of Colorado Boulder, beginning the **Fall** semester of **2022**.

We offer one of the widest graduate-level curriculums of embedded systems and Internet of Things (IoT) topics in the world with the maximum course frequency for flexible degree planning. Your rigorous preparation in our program around industry-driven, highly employable engineering skills is about to begin. As such, your ESE coursework will focus mainly on project-based learning in lieu of thesis or traditional research. For additional skill and knowledge expansion, ESE graduate students can access other graduate courses of interest in our department and beyond, providing ideal options for tailoring your master's degree. Please explore our [ESE website](#) often for the latest course overviews and typical schedules, important ESE program requirements and [ESE FAQs](#).

As your academic advisors, our industry-seasoned faculty and I are very excited to engage you in your journey, and genuinely look forward to equipping you for a transformative career.

Also, our Boulder campus is located in one of the most beautiful areas in the United States. Nestled in the foothills of the verdant Colorado Front Range, the Boulder area is famous for its easy access to many wonderful outdoor experiences, including skiing, hiking, and rock climbing. We are certain you will enjoy and benefit from your experience here as a graduate student. We are looking forward to having you join us here.

Academics

Your faculty advisor will be assigned to you in early August 2022. In the interim, please feel free to e-mail your staff advisor, Adam Sadoff, at sadoff@colorado.edu. The academic program is generally organized across 2 to 2.5 years, and details about the curriculum, requirements and program structure can be found [here](#).

Funding

If, after your first semester in the program, you are among the top 20% of master's students, then you might be offered a Student Assistantship (SA) that pays \$29/hour, typically for 5 to 10 hours a week. You can complement that with other campus employment not to total more than 20 hours per week.

Optional Summer Industry Internship

If you have at least a 3.0 cumulative GPA by end of **spring 2023**, then you will also qualify to do an optional industry internship. You can work with our outstanding Career Services Center to prepare for that. Again, it is NOT required in order to earn your degree; for solely F1, J1 and other visa students, if you opt to do an internship, then you are required to simultaneously take an [ECEE internship class](#). For other students, the internship class is optional, and you may do an internship without the class.

Costs

Tuition and Fees

Tuition is based on your Colorado Residency status, your degree plan and how many credit hours in which you enroll. There are also on-campus student fees. A tuition and fees estimator, as well a list of all due dates can be found on the [Bursar's Office website](#). Additional tuition details can also be found at https://www.colorado.edu/bursar/sites/default/files/attached-files/2021-22gradprofeng_0.pdf

Health Insurance

Out-of-pocket costs for first-year graduate students include approximately \$1,948 per term (based on last year's rate) toward the standard [CU Student Gold Health Insurance Plan](#). Health insurance is **required**, whether you opt out of CU's insurance for your own private insurance or choose CU's insurance.

Acceptance of Offer of Admission

For international students, on your status page you will find a link with information regarding additional visa requirements needed to confirm your admission. If you have any questions about these requirements, please contact the international admissions office by emailing intlgrad@colorado.edu. Once all visa requirements have been submitted and reviewed, you will be able to confirm your intent to enroll and pay the \$200 confirmation deposit on your application status page. On your status page you will find a link where you may confirm or decline this offer of admission. Also, for international students, forms such as I-20 document will be issued by International Admissions. It can take up to six weeks to receive the letter and documents if your letter is being mailed to an address outside of the U.S.

Once you confirm your intent to enroll and pay the \$200 confirmation deposit, you will receive more information about orientation meetings and workshops, registration, housing in the Boulder area, etc. We also invite you to visit our [Admitted Students' page](#).

Please note that your intent to enroll is only confirmed after you have paid the enrollment deposit.

We very much hope you will accept our offer of admission to the University of Colorado Boulder and look forward to your joining our department!

CONGRATULATIONS ON YOUR ADMISSION!

Yash Rajesh Bardiya, University ID:14597759

On behalf of the faculty and staff, I am excited to share that you have been provisionally admitted to Drexel University. You were selected from an accomplished and talented group of applicants.

The following information provides details regarding your admission to Drexel University. If you require a physical copy of your admission letter for a visa application or scholarship purposes, please print this page. This printout is considered an official copy.

PROGRAM INFORMATION

You have been admitted to the following program:

Major Admitted: Engineering Management, MS

Co-op: Graduate co-op option

Degree: MS in Engineering Management

College: College of Engineering

Status: Full-time

Starting Term: Fall

Student Type: 2022-2023 Graduate

Please note that your offer of admission is specific to the term and major above.

YOUR ADMISSION DECISION

Congratulations! Drexel University is pleased to provisionally offer you admission. An official admission letter has been sent to you by mail.

SCHOLARSHIP INFORMATION

If you are eligible for scholarships, more information will appear here.

College of Engineering Dean's Fellowship

You have been awarded a College of Engineering Dean's Fellowship. An academic achievement award, the Dean's Fellowship provides partial scholarship support for your full-time graduate study at Drexel University. There are no duties required of you as a Dean's Fellow, allowing you the freedom to concentrate fully on your academic studies. You will receive an award of **\$1,000 for each quarter you are enrolled as a full-time graduate student.**

For additional information, please read and complete the Dean's Fellowship Award and Statement of Understanding [PDF] (<http://drexel.edu/~media/Files/grad/new-students/deans-fellowship-statetment-of-understanding>).

CONDITIONS OF YOUR ADMISSION

Provisional Admission

Your offer of admission is provisional based on the following: The applicant is accepted provided that they complete their undergraduate BS requirements and maintain a GPA of 3.0 or better as planned by 5/22. If applicable, documentation that the provisions have been met must be received before you can begin the program.

Final Transcripts

If you are currently enrolled in a college or university, you must submit final transcripts. If final transcripts are not received prior to the start of coursework at Drexel, a registration hold may be placed on your account. If other materials were requested at the time of your acceptance, these must be submitted as well.

Disciplinary Actions

You are required to notify Drexel of any legal or disciplinary actions taken against you prior to enrollment. Drexel University reserves the right to withdraw your offer of admission in the event that 1) you show a significant drop in academic performance, 2) you fail to graduate, 3) you misrepresent yourself in the application process, or 4) the University learns that you have engaged in behavior prior to enrollment that indicated a serious lack of judgment or integrity.

NEXT STEPS

Now that you have been admitted, there are some additional items you must complete before officially becoming a student at Drexel University.

Confirm Your Enrollment at Drexel University

To reserve your seat in the entering class, please submit the non-refundable tuition deposit by **Thursday, May 12**. This deposit will be applied to your tuition bill. Confirm your enrollment and submit your deposit now (<https://discover.drexel.edu/bannerSSO>).

Check out the Graduate Admissions Admitted Students page (<http://drexel.edu/grad/resources/admitted/>) for additional steps.

Submit Required I-20 Application Documents

Students without United States Citizenship or Permanent Residence (also called a Green Card) will require a visa that permits them to study in the United States. Some foreign students already have a visa that allows them to study at an American university. It is important to know whether that visa will also allow you to work, especially if you will pursue a program at Drexel with a co-op requirement (cooperative education).

Please note that only those students who have confirmed their acceptance to Drexel can start the visa application. Drexel can support you in pursuing one of two types of student visas: an F-1 visa or a J-1 visa. If you have any concerns or questions about what type of visa you need in order to pursue your studies at Drexel University, please visit the International Students and Scholars Services Office website (http://drexel.edu/studentlife/get_involved/international_students_scholars/new-international-students/) to learn more about different visa types.

Review Your Financial Aid Information

To review your financial aid information, please visit the Financial Aid tab (</apply/status?cmd=second>).

Again, congratulations on your admission! Please feel free to contact us at 215.895.2400 if there is anything we can help you with. We look forward to seeing you soon and working with you during your time as a student at Drexel.

Sincerely,

Evelyn K. Thimba
Senior Vice President for Enrollment Management

Dear Kiran Sadanand Rai,

Congratulations! It is our pleasure to offer you admission to the Master of Science in Data Analytics Engineering for the Fall 2022 semester in the College of Engineering and Computing.

Please complete the following two items as soon as possible:

1. Accept, Decline or Request to Move your application to another term

In order to do so, [please click here](#). This is a necessary step to enroll or withdraw from the university and, if you wish to enroll, to be eligible to register for courses. If you confirm your enrollment, within 24-48 hours you will receive an official notification from our office with instructions on registering for your courses.

2. Visit our mandatory, [New Student Checklist](#).

Below are additional items you'll need to know as you begin here at Mason:

- Your Mason ID or G-Number is G01395893 Please keep track of this and use it whenever you contact the university, either by phone, email, or in-person.
- Your academic advising contact is Mary A Baldwin (mbaldwi4@gmu.edu).
- Your tuition classification is Out of State International for F or J1 visa.
- The date of your formal offer of admission is June 2, 2022.

Funding decisions for Graduate Assistantships and Teaching Assistantships are not made by Graduate Admissions. If selected for either position, you will be notified by your graduate department, outlining any academic requirements of your acceptance and status of assistantship funding.

Each student is responsible for knowing Mason's rules, regulations, requirements, administrative and academic policies. Visit our [catalog](#) for our full list of policies.

Reminder: An earned baccalaureate degree from a regionally accredited institution of higher education, or international equivalent, verified from official transcripts is a requirement for all graduate students. If you have not yet submitted your official, final transcript, please ensure you do so prior to the last day to drop courses in your first semester.

On behalf of our faculty and staff, please accept our best wishes on your academic endeavors.

Alan Byrd, Ph.D.
Dean of Admissions
George Mason University

Thank you for confirming your intent to enroll/register in the Master of Science in Data Analytics Engineering Fall 2022 semester in the College of Engineering and Computing.

You are now eligible* to register for courses by visiting <https://registrar.gmu.edu/students/registration/> and following the directions there. Some programs may require additional registration steps from you that are specific to your program so please ensure you have carefully read over what they have sent to you or posted on their websites as well. If you have questions regarding which courses to select for course registration, please follow up with your academic advisor, Mary A Baldwin (mbaldwi4@gmu.edu), or your academic department.

This intent to enroll is good for the upcoming semester only. Our staff is here to assist you with any questions or concerns you may have. Please contact us at masongrad@gmu.edu or 703-993-9700.

We wish you the very best in your upcoming graduate studies!
[Office of Graduate Admissions](#)

If you change your mind regarding your enrollment for this term and decide to either defer or withdraw, you must take the following steps:

1. [Please click here.](#)
2. A new window will open where you can fill out our Change of Enrollment Intentions form to notify us of your changed enrollment plans.
3. Submit the form.
4. **If you registered for courses, drop all course registrations to avoid being responsible for any tuition charges. Please note the Office of Graduate Admissions does not drop you from courses and if you do not take this step you will be responsible for any tuition or fees incurred.**

**Please note: As part of your enrollment verification, you were notified if your program requires an enrollment or tuition deposit. If your program does require this payment, you will not be able to register until that payment has been received and verified by your academic department.*

Dear Ranbir Singh:

Congratulations! It is with great enthusiasm that I offer you admission into the Master of Science program at the School of Business at Stevens Institute of Technology for the Fall 2022 semester. Each year, our admissions team sees more applications from an increasingly stronger pool of prospective students. After reviewing your impressive credentials, it's clear you've got what it takes to be a star in the Information Systems program at Stevens.

Stevens isn't a business school for everyone. Not only do you need the right academic excellence, you need a deep appreciation for technology and its role in solving business problems. It's clear to me that you're the kind of creative, critical thinker who will thrive at a school where new technology isn't just taught — it's invented, refined, shared and applied.

For more details on your admission and to confirm or decline this offer, please read the information on the following page. Our admissions office as well as your advisors will be in touch with you shortly to ensure you have everything you need to enroll at Stevens for the upcoming semester. Until then, please share this happy news with those who have supported your journey so far.

I'm so excited to welcome you to the Stevens community. I'm confident that you'll do great things here that will change the way you see the world and prepare you for an incredibly rewarding career.

Sincerely,

Dr. Gregory Prastacos

NEW STUDENT INFORMATION

The below information is provided to assist you during your preparation to begin or to continue your graduate studies at Northeastern University. It is important to note that new students should not register for courses until orientation or until receiving official guidance (typically provided via email within a month of the start of the term). Meanwhile, feel free to visit our [new student information](#) page to review pre-orientation information that was provided to new students who began here over the past year. This page will be updated as your term of entry approaches. Also visit <https://coe.northeastern.edu/admissions/help> for answers to common questions or to send an inquiry.

Accept or Decline Your Enrollment:

Please **[CLICK HERE to ACCEPT or to DECLINE](#)** this offer of acceptance. If you decide to Accept this offer, you will be prompted to provide a non-refundable deposit to confirm your attendance. This deposit is applied towards student fees, which all students will eventually incur upon enrollment. For planning purposes, we ask that you confirm your enrollment by paying the

deposit by the enrollment deposit deadline. Print a receipt for your records.

Your enrollment deposit deadline: April 15, 2022

Activate Your Northeastern University Student Account (myNortheastern):

-If eligible, you will receive an email from Northeastern to your personal email ID that you used during the application process, and is associated with your Applicant ID/Record:
sakshikherde99@gmail.com

-The email is/was launched on or around the date published on this decision letter: 3/10/2022

-The email will come from the following generic Northeastern email ID: do-not-reply@northeastern.edu

-The subject of the email is **Claim Your Northeastern University Online Account**, and will contain a unique link, which will be valid for 60 days from the date of the email

-Claiming your myNortheastern account will allow you to check your brand new Northeastern email account, and will allow you access to a variety of university services, systems, and resources

If you need assistance or have questions about claiming your online account, or for any of your Northeastern technology needs, the university's IT Service Desk is available to support you 24/7 by phone at 617.373.HELP (4357) or email at help@northeastern.edu. If you send an email, include the personal email address that you provided on your application, include your NUID (referenced above as NU ID No.), and include your first name, last name, and your phone number.

I-20/F-1 Visa Request Process and Instructions:

If you are a current citizen or permanent resident of the United States, you do not need to complete an I-20 request. The I-20/F-1 visa

process is relevant for most admitted, international students and may be initiated by following the below instructions.

- The request process is entirely electronic. Instructions to obtain your I-20 document via secured mail will be sent to your Northeastern inbox once your request is approved.
- New students who would like to request an I-20 should confirm their enrollment by paying the confirmation of enrollment deposit using the above instructions under the header: **Accept or Decline Your Enrollment**.
- Generally new students who submit a complete electronic request will receive their I-20 within 2-4 weeks of submitting their request.
- Our electronic system is referred to as **myOGS**.
- The name myOGS is derived from the office at Northeastern that serves international students: the Office of Global Services (OGS).
- To use the myOGS system, you must first activate your myNortheastern account using the above instructions.
- To login to the myOGS system, you will use your myNortheastern Username and your myNortheastern Password.
- You will be prompted to upload several documents into the myOGS system to complete the I-20 process.

You will need electronic copies of the following:

1. **Color copy** of the identity page of your passport
2. Financial documents that meet the following criteria to avoid denial of your request:

- Dated within 9 months of the program start date
- Maturity date does not exceed the program start date
- If fixed deposits: funds must mature before start date **or** confirm in writing that they may be withdrawn at any time

Financial documents and letters of financial support must be printed in English and the names of sponsors should be printed and signed in English. You may complete the myOGS process over several sessions.

To begin using the myOGS system, [CLICK HERE](#).

Problems?

If you attempt to use the myOGS system within 48 hours of setting up your myNortheastern account, you may experience technical problems since university systems typically take 1-2 days to update. If 2 days pass after you set up your myNortheastern account, and you experience problems with myOGS, send an email to: help@northeastern.edu for assistance. If you send such email, include the following information in the body of your email: (1) your NUID number (accessible by logging into your myNortheastern account), (2) the link that you are trying to use which is not working/causing problems, (3) a screen shot of the error, and (4) your email address.

Office of Global Services (OGS) orientation is mandatory for all international students. Please visit www.northeastern.edu/ogs/ for further information.

Graduate Cooperative Education (Co-op) Program:

The [Graduate Cooperative Education program](#) in the Northeastern University College of Engineering provides students with the preparation for professional work experiences and enables students who are eligible to participate in a cooperative education experience. Cooperative education policies and eligibility requirements are provided at: <http://www.coe.neu.edu/graduate-co-op/graduate-co-op-eligibility-and-requirements>

Completing Your Official Admissions File:

As soon as you decide that you plan to enroll at Northeastern University, arrange to send to us your official GRE and/or TOEFL/IELTS scores if required of you as an applicant, and if you have not done so already. Official test scores are those that are sent from the appropriate testing agency directly to Northeastern University. Also please arrange to submit official transcript(s) from any and all colleges and universities that you previously attended, including providing evidence of the completion of an undergraduate degree. Official transcripts should include information on all courses, grades, and credits taken at any and all university-level institutions attended and if a degree was conferred, the transcripts should include information about the degree conferred and date of conferral. If your transcripts do not reflect your degree conferred and date of conferral, please also arrange to provide your final, official diploma or degree certificate. If your documents are in a language other than English, arrange also to send to us official English language translations.

Note that any documentation that you submit to Northeastern University becomes the property of Northeastern University and cannot be returned. Your

goal should be to complete your admissions file/record before you enroll in courses, if possible. If you already made the appropriate arrangements to complete your file, please do not be concerned with your status as shown on your electronic application, as it may take us several weeks to update our records. If additional information is needed, you will be contacted.

Please see the below options instructions to submit your transcripts:

Option 1. If you are in the U.S. and have your official, complete documents, and you can request new copies of the official documents (i.e. it is not your only copy of the official documents) use the following address to mail your documents with your Applicant ID on the mail packet like this:

Northeastern University - College of Engineering - Applicant ID: XXXXXXXX
Graduate Application Processing Center
P.O. Box 1490 Portsmouth, NH 03802 USA

Option 2. If you are outside of the U.S. and have your official, complete documents, and you can request new copies of the official documents (i.e. it is not your only copy of the official documents) use the following address to mail your documents with your Applicant ID on the mail packet like this:

Northeastern University – College of Engineering – Applicant ID: XXXXXXXX
Graduate Application Documents
360 Huntington Ave.
Boston, MA 02115 USA

NOTE: If you choose option 1 or option 2, you will need your Applicant ID listed on the envelope to complete your record.

Your Applicant ID is: 7460862

NUID, International ID, email addresses, etc. are not acceptable and your documents will not be processed.

Option 3. If you are an international student, with only one personal copy of your original, final, and complete documents, you may visit 130 Snell Engineering at the beginning of the semester, once on campus, Monday – Friday from 9:00 AM – 3:00 PM EST to show proof of your transcript. Please ensure you bring both the original official documents **and** a photocopy of the documents to the office for verification. *Note: If you are currently studying in Silicon Valley or Seattle and need to arrange a time to meet the staff in person, please be in touch with your academic advisor.*

Health Insurance:

The Commonwealth of Massachusetts requires that all students who are matriculating, carry a course load of nine credits or more or are enrolled in a **full-time** program have hospital insurance. Students who are covered under comparable insurance may request to waive the health insurance fee. The University Health and Counseling Services Center, Northeastern's student

health services, coordinates care for all students enrolled in the health insurance plan. Graduate students who have waived participation in the insurance are eligible for services if they have paid the student health fee. Please refer to the University Health and Counseling Services Center's web site for further information, <http://www.northeastern.edu/uhrs/>

Immunization Requirements:

In accordance with state law, full-time students must provide documentation of immunity to certain diseases. Students will be blocked from registration for the next semester until this requirement is met. Contact your clinician for completion of the Health Form: <http://www.northeastern.edu/uhrs/wp-content/uploads/2016/03/2016-17-Health-Report-Meningitis-Waiver.pdf>. You can contact the [University Health and Counseling Services Center](#) for further information.

On-Campus Housing:

All full-time students enrolled in a graduate program at Northeastern may apply to live in campus housing. Because space is limited, housing is not guaranteed. The application form is available on the On-Campus Housing and Residential Services web site, <https://www.northeastern.edu/housing/university-housing/>

Off-Campus Housing:

Students may search for housing, sublets, and roommates through the listings and message boards on <http://www.northeastern.edu/offcampus/> This free service requires account registration with your Northeastern e-mail account.

Dear Vaibhav Ajay Rajani,

Congratulations! I am pleased to inform you that the admissions committee in Computer Science has admitted you into their program for Fall 2022 as a Master of Science student.

Your next step in the admission process is to submit supporting documents as evidence of adequate funding in order to receive your visa forms. You will need to show evidence of having secured sufficient funding for at least the first year of graduate study.

- **Privately sponsored applicants.** Acceptable evidence of such funding consists of a certified current bank statement on official bank letterhead, signed by an authorized bank official, indicating the amount of sufficient funds that exist to meet at least first-year expenses.
- **Government-sponsored applicants.** An original award letter (or a certified copy of an award letter) must be submitted and state the annual amount of the award in U.S. dollars.
- **Educational loans.** Sanctioned loans are acceptable for submission as proof of financial support. Sanctioned loan letters must be accompanied by terms and conditions and clearly indicate the loan as "approved" or "sanctioned." The letter must be in English and

on official bank or institution letterhead. The principal of the loan amount given is to be provided in U.S. dollars and include a date of issuance.

All financial documents must be written in English and valid within one year of the start of the semester. When sending documentation of adequate funding, photocopies of financial documents are acceptable, and can be emailed to grad@syr.edu. Be sure to write your name, date of birth, name of the program you are applying to, and your SUID number 220733034 on all documents you send.

The cost of one year (twelve months) at Syracuse University is determined based on the number of credits your program expects you to take, your living habits, cost of living changes and possible changes in tuition and fees. On the [Cost of attendance for graduate students - Syracuse.edu](#) webpage you will find the "estimated cost" of attendance, including all university costs and living expenses for one year of study.

If you have questions about your admission, please direct them to the Computer Science program department. When communicating with the University about your application, please refer to your unique, nine-digit Syracuse University identification number (SUID): 220733034.

We look forward to receiving your financial documents and welcoming you to our graduate community.

Sincerely,

Peter A. Vanable, Dean of the Graduate School

Dear Yash:

Congratulations on your admission to the Master of Science in Information Systems program in the School of Information Studies (iSchool) at Syracuse University for Fall 2022. It is my sincere hope that you accept our offer to join the iSchool family and continue your academic endeavors here.

For guidance on next steps, please visit the [Admitted Student Webpage](#) and links to register for the Admitted Student Receptions, virtual info sessions and Facebook Groups.

We believe academic achievement in the classroom is only one of many facets that contribute to your education and ultimately prepare you for your professional career. At the iSchool, you will have many opportunities to contribute to the community and to interact with other students, faculty, and industry professionals. I encourage you to familiarize yourself with the University and to become fully engaged in our school's rich life and traditions. Explore <http://graduateschool.syr.edu/> for more information.

You will receive an official admission letter and intent to register card (ITR) from the University's Graduate Enrollment Management Center **after** your financial documentation has been received. If you have not sent your financials, please send by email to the Enrollment Management Center to grad@syr.edu as soon as you can. If you have, you should receive an email in a few days. To make correspondence easier, we have assigned you this SUID number 535880127. Please use this number in any correspondence with the University. **To officially enroll, you must return your intent to register card with the \$500.00 Advance Tuition Deposit April 15, 2022.** You should receive an email from the Syracuse University Enrollment Management Processing Office containing a link to go to MySlice and pay the advance tuition deposit. If you have questions, please contact us. I am very pleased to have you as a new scholar in the iSchool and look forward to meeting you when you arrive on campus.

For admissions questions, email Bridget at bmcrary@syr.edu. All other questions may be directed to iGrad@syr.edu.

Again, welcome to the iSchool family.
