Passing percentage of Final Year Students 2021-22

Year 2021-2022	Program Code	Program Name	Number of students appeared in the final year examination	Number of students passed in final year examination	Passing Percentage
BE	3139246	Information Technology	144	144	100
BE	3139245	Computer Engineering	140	134	95.72
BE	3139376	Electronics Engineering	150	147	98
BE	3139372	Electronics & Telecommunication Engineering	146	143	97.95
BE	3139461	Bio-Medical Engineering	75	74	98.67
ME	3139246	Information Technology	5	5	100
ME	3139245	Computer Engineering	11	11	100
ME	3139372	Electronics & Telecommunication Engineering	11	11	100
MMS	3139102	MMS	130	126	96.93
	Total		812	795	97.91

Display of Programme and Course outcomes for all Programmes offered by the institution

The Institute follows the Academic curriculum as prescribed by the UoM (University of Mumbai) which specifies the Course Outcomes (COs) for all the programs. Graduate Attributes (12) i.e., Program Outcomes (POs) for Engineering and Management programme as specified by National Board of Accreditation (NBA) are suitably modified with respect to specific Programme. Focussed Specific Programme Outcomes (3-4) for each Programme are also articulated as Program Specific Outcomes (PSOs).

All these Outcomes are disseminated to the stakeholders through the following channels:

- Digital Media
    - Institute Website (www.vit.edu.in)
    - Internal MIS (ERP)
- Print media
    - Staff Diary
    - Course diary
    - Academic Administration Plan
    - IA paper
    - IA audit form
- Outdoor – Boards at prominent places
    - Instructional Areas
        - Laboratories
        - Seminar hall
    - Administrative Areas
        - Department offices
        - Faculty rooms
- Activities/Meetings
    - Orientation / Induction programme
    - Presentation of lesson plan in the first lecture
    - Departmental meetings while discussing attainment levels.
    - DAB meetings
    - IQAC meetings
    - Board of Studies meetings

These course outcomes provide the ability to frame curriculum progressively for holistic development of the students.
