Dear Yashodhan,

Congratulations! On behalf of the faculty, we are delighted to inform you that you have been admitted to the **M.S.E. program in Biomedical Engineering** in the Whiting School of Engineering at Johns Hopkins University, beginning in the **Fall 2023 term**. Dear Devarshi Santosh Dalvi,

I am very pleased to inform you of your admission to the Biomedical Engineering and Biotechnology MS program at the University of Massachusetts Dartmouth. Your acceptance is for the Fall 2023 semester.

The Chancellor, Provost, deans, faculty, and students join me in congratulating you for possessing the personal and academic qualities that enabled you to gain admission to a UMass Dartmouth graduate program. We welcome you to the challenging academic environment that characterizes our university.

Your UMass Dartmouth student identification number is 02117588.

Because you are an international student who will need our authorization for the F-1 student visa, you must attend to some special matters. Specifically, if you accept the admission offer and want to enroll, you must submit documentation that proves you have sufficient financial support for us to issue the Form I-20 to you. Please log into the Applicant Portal and review the Enrollment Checklist. If you notice that a passport, official bank statement, and/or affidavit of support is missing, please upload the missing item(s).

We will send you a series of emails c/o dalvidevarshi72@gmail.com with instructions on next steps. Many of these steps are required for successful enrollment.

Please confirm your enrollment intentions by completing the Enrollment Form in the Applicant Portal. Please do this as soon as possible. Otherwise, we reserve the right to cancel your acceptance and award it to another candidate. Unless additional items are required (e.g., unless you are an international student who must still provide documents so we can issue the Form I-20), you can register for courses soon after you submit the Enrollment Form. New students may register at any time during the registration period; however, we encourage you to register as soon as possible because some courses do fill up quickly.

For course selection and advising matters, please contact the [Graduate Program Director](#), Milana Vasudev.

If you are currently in a degree program that is prerequisite to ours, you must provide an official transcript notifying us of its successful completion before you start your first semester of study here.

We look forward to your joining the UMass Dartmouth community as a graduate student, and we wish you fulfillment and success in pursuit of your goals.

Sincerely,

Scott Webster

ACADEMIC REQUIREMENT

This offer is conditional upon you being awarded a Bachelor degree (minimum 3 years) with a final cumulative GPA of 6.62 out of 10.0 or above.

We normally calculate the final overall mark of degrees using the weighted average method. For module marks that use a range, we will use the mid-point of the range for our final average calculation.

You will need to provide scanned copies of original official documentation to confirm that the qualification has been awarded and satisfies our entry criteria. This should include a full and final official transcript.

If your qualification documents are not in English you will also need to provide official certified translations. All documents provided should be colour scans, either on headed paper or with an institution stamp.

Tuition Guarantee

In order to provide you with the ability to plan for the financial requirements of attending the University of Alberta beginning in September 2023, we are pleased to provide you with a tuition guarantee for your program. Your guaranteed total tuition amount for a standard length Master of Science (course-based) degree is \$20,155.80 CAD (Canadian Dollars).

2023 Cohort Master of Science (course-based) Tuition Summary Chart		
Year 1	Year 2	Total
\$10,077.90 + fees*	\$10,077.90 + fees *	\$20,155.80 + fees*
*Fees in addition to tuition are estimated at \$2,300.00 CAD per year, but are subject to approval and change in accordance with University of Alberta policies and procedures.		

Please note the following important points related to the above tuition guarantee:

- This guaranteed rate is only applicable to tuition, and does not include other fees associated with the cost of your program, such as Mandatory Non-Instructional Fees, textbooks, residence costs, food, etc.
- For students in standard programs who register in courses with specialized fees, these extra fees (the difference between a course standard fee and a course specialized fee) are not covered by the guarantee and will represent an additional cost to you.
- Students attending the University of Alberta on a study permit follow a program based tuition model which means that your annual tuition will be assessed regardless of how many courses you register in. This means that even if you complete your program in less than two years, you will still be required to pay the total tuition noted in the above table.
- Despite the above, this annual tuition rate is guaranteed for four years, even though your program is anticipated to take two years to complete. This means that if you have not completed your minimum required credits after two years, you will not have to pay tuition to complete those credits in Year 3 and Year 4, only the associated fees.
- This tuition guarantee only applies to the standard course requirements necessary to complete your program (i.e., up to the total number of credits required to complete your program, as set out in the University Calendar). The guarantee does not include the costs for any additional coursework, including courses that may need to be repeated due to withdrawals or failing grades. For additional coursework taken in Year 3 and Year 4 that is beyond the total number of credits normally required to complete your degree program, you will be charged the per course rate established for your admission cohort.
- Any additional coursework taken after Year 4 will be charged at the per course rate established for that year.
- If you change programs at the University of Alberta, the tuition guarantee provided within this letter may no longer apply, in which case you would be provided with a new guarantee at the time the program change.

For more information about tuition and fees please see [Tuition and Fees](#) on the FGSR website. Each year you will receive a Fee Assessment through [Bear Tracks](#), which will include your individual invoice for your tuition fees and other costs associated with your specific choice of courses (eg. costs for field trips, specialized supplies, etc.).

Dear Gaurav Suhas,

Congratulations! Based on the recommendation of the Computer Science, SCM program, your admission to the Graduate School beginning Fall 2023 has been approved.

Graduate studies are an exciting and significant undertaking, and Brown University is an excellent place to develop expertise. In addition to having the facilities and resources of an Ivy League university, you have the opportunity to expand your knowledge in a highly stimulating environment with outstanding researchers and scholars.

While this letter spells out some of the details of admission, you may have some additional questions. For academic matters, please feel free to contact the Director of Graduate Studies in the program. For financial matters, review the [tuition and fee information](#) on the Graduate School website as well as the number of courses expected each semester in your master's program to calculate your anticipated tuition costs. Please note this does not include mandatory fees, health insurance or personal living expenses (rent, food, books, supplies, transportation). For more information, and to access a cost-of-attendance calculator, please visit the graduate student pages of the [Office of Financial Aid website](#).

Graduate students who are not U.S. citizens or a permanent resident of the United States are required to document their ability to meet all anticipated expenses for the academic year. Proof of ability to meet all costs is best provided in the form of bank certificate that indicates the current availability of the required amount in U.S. currency or funds easily convertible to U.S. dollars. You will receive emailed instructions on how to send this information once you have accepted our admission offer. The adequacy of your financial arrangements is subject to reviews by University authorities, and by the U.S. consulate at the time of your visa application. When satisfactory certification is presented, the appropriate entry form (I-20 or DS-2019) will be issued to you. If applicable, support for your spouse and children will likely add \$5,000 for each person to your annual expenses. Health insurance is required for all Brown students and may be purchased from the University; extra coverage is available at additional cost for any spouse and/or children.

Graduate students who are U.S. citizens or permanent residents may be eligible to borrow through the Federal Direct Loan Program (including Stafford and Graduate PLUS loans). The University has an installment payment plan (allowing for billed costs to be spread out over time), a student employment database (provided your program does not restrict you from working), and links to outside fellowship/scholarship resources.

BROWN

On or before **5/1/2023**, please inform us of your decision concerning our offer of admission. To do so, complete the [electronic response form](#) on your application status page. Please note that a non-refundable deposit of \$500 (via credit card) is required at the time of submitting your acceptance to this program. The deposit will be posted to your student account toward tuition and fees.

I congratulate you and hope you will choose to join us here at Brown University.

Sincerely,

Thomas A. Lewis

Professor of Religious Studies

DEPOSIT SCHEME INFORMATION - TERMS AND CONDITIONS

As we receive applications from a large number of highly qualified students, we ask offer holders to pay a deposit when confirming that they wish to accept their offer. This is to ensure that King's can allocate the limited places to students who demonstrate their intention to study at King's. Please note that your deposit will be deducted from your tuition fees upon enrolling.

Scholarships

Please read the "Offer Holder Information" sheet on King's Apply - 'Your Offer' screen if you are actively being considered for a full scholarship or if you have already obtained a fully scholarship which will cover your entire tuition fees.

Cancellation

Please send us a message on King's Apply using the "Decision - Withdrawal" message category if you wish to cancel your acceptance.

- | Under the regulations governing distance selling contracts, you have **14 days** from the date that King's receives your deposit to change your mind. If, within this 14 day cooling-off period, you notify us of your wish to cancel your acceptance, we will decline your offer on your behalf and organise a refund of your deposit.
- | If you wish to cancel your acceptance after this 14 day period has passed, please inform us before you enrol and before the start of your programme. We will decline your place on your behalf but the deposit will be non-refundable.

Decisions on refunding the deposit where there are exceptional, unforeseen circumstances will be made by the university at its discretion. This may include serious ill-health or bereavement subject to the provision of appropriate evidence.

Further details on cancellation can be found in the 'After a Decision' section and 'Cancellation Rights' heading here: <https://www.kcl.ac.uk/study/postgraduate-taught/how-to-apply/important-information-for-applying>.

Failure to Meet Offer Conditions

Please send us a message on King's Apply using the "Meeting Conditions of Offer/Confirmation" message category if you do not meet the conditions of your offer and ensure you provide official evidence as attachments.

- | If you do not meet the academic requirements of your offer **and** the university is unable to confirm your place on the programme, we will refund your deposit so long as this evidence is received by the same deadline for meeting conditions of your offer as specified in your offer letter above.
- | If you do not meet the English language requirements, you must demonstrate that you have proactively attempted to meet them after the point you paid the deposit. We will refund your deposit so long as you provide evidence that you took an accepted English Language test and not met the requirements **within the three months prior** to the start month of your programme (e.g. from 1st June for a programme starting in September; or from 1st October for a programme starting in January). This must be received by the same deadline for meeting conditions of your offer as specified in your offer letter above.

If you fail to provide us with evidence of meeting/not meeting the conditions of your offer, you will not be eligible for a refund.

Failure to Obtain a Student Visa

Please send us a message on King's Apply using the "Decision - Withdrawal" message category.

We always aim to provide eligible students with a CAS number in sufficient time for a visa application to be approved before the enrolment period closes. If you find that you cannot secure a Student Visa, we may be able to refund your deposit depending on the circumstances. Please note we expect all students to make suitable arrangements to ensure they leave enough time between submitting their visa application and commencing their programme. If you request an extension to the deadline to meet your offer conditions and this is granted, this will impact the time that you have to make a visa application. Consequently, refunds will only be granted where students have proactively attempted to obtain their Student Visa and that failure to obtain a Student Visa was through no fault of their own.

After Enrolment

If you enrol on your chosen programme and subsequently interrupt and/or withdraw from the programme, you will not be eligible for a refund of your deposit.

Dear prospective students in the international Master's programmes,

There are a lot of things to do before your Master's programme at TUHH starts in October 2023. This guideline will inform you about the important things you need to get done before your departure to Hamburg. If you have been admitted to the Joint Master's program in G-TIME you will get separate information by email.

We created this information in December 2022, you can find an updated version with current information on the following website: <https://www.tuhh.de/tuhh/en/studying/before-studying/degree-courses/international-study-programs/how-and-when-to-apply.html>. On this website you can also find an overview of all orientation and induction events for new students in the international master 's programmes.

If you have further questions after reading this information please don't hesitate to contact us by email: study@tuhh.de. Please understand that we can only answer questions sent by email which are not already answered in this guide or on our websites.

1. ADMISSION LETTER

You can download your certificate of admission (approval document) from the application portal. You will need the certificate of admission to apply for the visa, for a bank loan and later on for the German health insurance. Please note that TUHH doesn't send hardcopies of the certificate of admission by post mail. You can find a confirmation concerning study and living expenses on page 2 of the admission letter.

2. CLARIFY MONEY-RELATED QUESTIONS (AS SOON AS POSSIBLE!)

Proof of Financial Resources

For your visa application (and also later on for your residence permit) you will need a proof of financial resources which shows that you can finance your studies and daily living costs in Germany. Students must prove that they have at least € 11.208 per year at their disposal. To get further information and the exact amount for the financial proof please contact the German embassy in charge directly: <https://www.auswaertiges-amt.de/en/aussenpolitik/laenderinformationen>

Costs of Living and Semester Contribution

The costs of living in Hamburg are rather high. Students should count a minimum of €900 per month including accommodation, semester contribution and health insurance!

Each semester students have to pay a semester contribution of app. €360,-. A ticket for public transport (valid for 6 months throughout the public transportation network in Hamburg) is included within the semester contribution. New students will get the payment details after they have completed all the enrolment formalities.

Especially at the beginning, students might be required to spend more than 900 Euros in a month (e.g. to pay a deposit when renting a room, for the semester contribution and the fees for your residence permit). It is therefore highly recommended to make sure that you have access to sufficient financial means.

3. APPLY FOR APS CERTIFICATE (SHOULD ALREADY BE DONE!)

Postal address:
21071 Hamburg

E-Mail:
study@tuhh.de

Phone:
Administrative responsibility depends on the degree program. A reference list can be found at www.tuhh.de.

Office address:
Am Schwarzenberg-Campus 3
Building E, 21073 Hamburg

Internet:
www.tuhh.de

Office hours:
can be found at www.tuhh.de or on appointment

Applicants from China, India and Vietnam will need an APS certificate for the visa application and for the personal enrolment at TUHH. We assume that all affected applicants have already taken care of the APS certificate before starting their application, as recommended. The enrolment deadline at TUHH cannot be extended due to a missing APS certificate!

TUHH has no influence on the awarding requirements and the awarding process at the APS! The awarding of the APS certificates can also not be accelerated by TUHH! With all other questions regarding the APS certificate, please contact the Academic Evaluation Centre in charge directly:

- Academic Evaluation Centre China: <https://www.aps.org.cn/>
- Academic Evaluation Centre India: <https://aps-india.de/>
- Academic Evaluation Centre Vietnam: <https://vietnam.diplo.de/vn-vi>

4. APPLY FOR A STUDENT VISA (AS SOON AS POSSIBLE!)

International students need a student visa to enter Germany! Visa application may take several months' time, for this reason you should apply for the student visa immediately! TUHH cannot accelerate the visa procedure. The enrolment deadline at TUHH cannot be extended due to a missing student visa! The TUHH does not issue certificates for applicants confirming that they can exceptionally come later than 04 October!

Students from the European Union (and some other countries) are exempted from this requirement. To check if you need a student visa and to get further information about the visa application please check the website of the German Embassy in charge of your place of residence: <https://www.auswaertiges-amt.de/en/aussenpolitik/laenderinformationen>

Do not enter Germany with a tourist visa or national residence permit issued by a Schengen country! If you do so, you have to leave Germany after 90 days and after that you cannot re-enter the country!

5. APPLY FOR ACCOMMODATION (APPLICATION PERIOD: APRIL 27 – JUNE 15, 2023)

In Germany, public universities do not offer rooms in a student hall on campus and students do not automatically receive rooms when accepted by the university. They have to find accommodation by themselves! In Hamburg the accommodation situation for students is extremely difficult, as cheap accommodation is hard to find. It is very important to start the search for accommodation as soon as possible! **You have to arrange accommodation prior to your arrival. Do not trust on finding accommodation after your arrival!** In cooperation with the Studierendenwerk, who is the owner of the public student halls in Germany, the TUHH Accommodation Office can offer a limited number of Freshman Rooms in selected student halls and private housing. Please note, that there is a very high number of applications for rooms every year, therefore we recommend you to find accommodation by yourself before your arrival.

Application period: April 27 – June 15, 2023

Please check the following website for the exact application period: www.tuhh.de/rooms

Contact: rooms@tuhh.de

11. ARRANGING A GERMAN HEALTH INSURANCE

Students in Germany are obliged to be insured at a German statutory health insurance company (costs: app. €110 per month). Students with a DAAD scholarship also need a German statutory health insurance!

Students older than 30 years of age cannot sign up for a statutory health insurance, but have to apply for coverage with a private German health insurance.

Only students from EU member countries, Iceland, Liechtenstein, Norway or Switzerland, who are able to present a valid European Health Insurance Card (EHIC), don't have to arrange an additional German health insurance. The EHIC is valid all around Europe. However students with an EHIC cannot take up a student job or a paid internship in Germany. Students who are planning to do so should arrange a German statutory health insurance.

Some statutory health insurances that you may find in Hamburg-Harburg:

You can find a complete list of all the German statutory health insurance providers on this website
<https://www.krankenkassen.de/gesetzliche-krankenkassen/krankenkassen-liste/>

What you need to arrange health insurance?

- Certificate of admission issued by TUHH
- Passport
- Confirmation of registration in Germany ("Meldebestätigung"), if possible
- Details of your German bank account, if possible

You can at least start to arrange your health insurance from abroad. Please contact the German health insurance of your choice directly! Before you sign your health insurance contract, please make sure that it is a German statutory health insurance not an international or private insurance!

The health insurance company will arrange for TUHH to receive a notification of the insurance status online. The TUHH-sender-number "Absendenummer" is H0002497. A copy of your health insurance contract is not sufficient for enrolment. If you managed to arrange German health insurance before the enrolment, please submit the proof of health insurance upon enrolment.

A few weeks after arranging statutory health insurance and submitting all the required documents (German address, bank details, photo etc) to the health insurance company you will get a health insurance card which you need to take with you when you visit a doctor. If you have a statutory health insurance medical treatment is free of charge, however some special treatments e.g. tooth replacement must generally be paid for in full. When in doubt please contact your health insurance beforehand.

Dear Malhar Shirish,

Congratulations on your acceptance to the University of New Haven. You have been selected by the admissions committee as an outstanding candidate for our prestigious Dean's Scholarship. On behalf of the admissions committee I am pleased to offer you a **50% Dean's Scholarship** for the Fall 2023 semester.

The terms and conditions of the award are listed below:

- The award can only be applied toward the program you have been accepted to as of the date of the award letter.
- The award cannot be deferred to a future term and is non-transferable between programs.
- During the period of this scholarship you must be registered as a full-time student with a maximum of 12 credits during each of the spring and fall terms.
- You must maintain a 3.0 cumulative quality point ratio and maintain Satisfactory Academic Progress (SAP) as outlined in the Student Handbook.

If a student subsequently loses eligibility for the program with the larger tuition benefit their eligibility for the program with the smaller tuition benefit will be re-evaluated.
- Awards funded through external entities (outside grants, scholarships, fellowships, etc.) can be used in conjunction with University awards/discounts, however the combination of tuition benefits from all sources cannot exceed the student's cost of tuition. If the combination of awards exceeds the cost of tuition the University award/discount will be reduced to no longer exceed the cost of tuition. Exceptions may apply based on external agency policies.
- Complete the Dean's Scholarship Acknowledgement [Form](#) to accept the award.
- Failure to accept the scholarship will result in the withdrawal of the award.
