Supporting documents for 6.5.3

Sr. No.	Document
1	Regular Meetings of IQAC
2	Feedback collected, analysed and used for improvement of institution
3	Collaborative quality initiatives with other Institutions
4	Participation in NIRF

Minutes of Meeting – Internal Quality Assurance Cell

The 20th IQAC meeting was conducted on Friday, 22nd July 2022 Time: 10:00 am to 01:30 pm in the Board Room, M-Block 7th Floor. Prof. Varsha Bhosale, Vice Principal chaired the meeting.

Item	Summary
Item 1	Dr. Sangeeta Joshi welcomed all attendees and briefed about the agenda of the meeting.
Item 2	Dr. Sangeeta Joshi reviewed the initiatives proposed in 19th IQAC meeting and discussed the following points • Preparations required for filling of AQAR 2021-22 • Revision of Office order for NAAC:AQAR and NIRF • IQAC Initiative for setting the Department Targets for the A.Y. Year 2022-23 • IQAC Initiatives for setting the R&D targets for individual faculty and the Department • Revision of performance appraisal form • Student Satisfaction Survey received for the year 2021-22 • Stakeholders' feedback on curriculum for the year 2021-22
Discussion	**AQAR 2021-22:** It was decided to follow the following steps for the AQAR preparations. AQAR shall be Uploaded by 31st December 2022. • Revision of NAAC:AQAR Committee Office order for the A.Y. 2022-23 • Creating respective Dept and Committee data folders on Institute Vrepository • Conducting meetings with different committee convenors/process owners for population of data in HOD and Teacher Excel data templates • Ensuring 100% data capture from all sources • Conducting meeting for NEP related 6 qualitative metrics in PART A of AQAR
Discussion	**NIRF 2021-22:** It was decided to apply for NIRF for the A.Y. 2021-22. In view of its preparations, it was decided to follow the following steps. • Issue of NIRF committee office order. It was decided to include members who work for NAAC on similar metrics. • Data compilation for the A.Y. 2021-22 by October 15, 2022 • Data analysis and presentation before higher Authorities by 2nd week of December • Final data upload on NIRF portal by 31st December 2022.

Discussion	**Department Targets:** It was decided to set targets by each department for various parameters under the following categories for odd as well as even semester of A.Y. 2022-23. The target shall be set for the period of 1 Year. • Academic Involvement • Student development • Professional Development • R&D and product consultancy
Discussion	**R&D Targets:** It was decided that the R & D Convener along with IQAC Director shall prepare a plan of Action and give departmental & individual targets to be achieved in order to strengthen research activities at the Institute.
Discussion	**Revision of Performance Appraisal Form:** The revised framework comprises the following six categories with a total of 45 performance parameters. In order to evaluate the level of performance rigorously, criteria, quality benchmarks and weightages for each criterion are defined for the majority of performance parameters. There are only a few Performances parameters, in which each criterion is directly mapped with absolute marks. Category wise expectations of minimum marks for different Cadres like Assistant Professors, Associate Professors and Professors are also specified.
Discussion	**SSS and Stakeholders' feedback:** Student Satisfaction Survey and Stakeholders' feedback on curriculum received for the year 2021-22 is presented. Analysis and action plan for further improvement is presented by each department. In SSS, Quantitative analysis for first 20 questions is calculated using NPS and action plan for those questions are submitted whose NPS value is less than the prescribed threshold. The threshold for IT,CMPN and BIOM was increased by 5% from 80% to 85% and similarly, threshold of EXTC,ETRX,MMS and FE was increased by 5% from 70% to 75%.
Item 3	**Administrative Initiatives:** Prof. Varsha Bhosale presented the various administrative initiatives:
Discussion	**Statutory committees:** She informed the Board about the various committees need to be constituted / reconstituted for smooth functioning of the Autonomy. The Various Committees are as listed below:

1	Academic Involvement
2	Student Development
3A	Administrative Bucket
3B	Research Bucket
3C	Consultancy and Corporate Training Bucket
3D	Product Dev. Bucket

	• Governing Body • Board of Studies • Academic Council • Examination Committee • Finance Committee
Discussion	**Autonomy Implementation:** She also informed that the prepared draft Syllabus Scheme is to be implemented under autonomy from the A.Y.2022-23, by each department and the detailed Syllabus for First Year Undergraduate and Post Graduate Courses shall be presented for approval to the BoS of respective department and then to the Academic Council of the Institute
Discussion	**Accreditation:** • She also informed about the accreditation of two UG courses namely Information Technology and Computer Engineering, for the period of 3 Years from the A.Y. 2022-23. • She also stated that the uploading of SAR on NBA portal for UG programmes in Electronics Engineering, Electronics & Telecommunication Engineering & Biomedical Engineering for second cycle of Accreditation is to be done and accordingly suggested ETRX, EXTC and BIOM departments to initiate the preparations for NBA visit.
Discussion	**AICTE/DTE/University related:** She informed the board that with reference to the applications made to AICTE, DTE & University of Mumbai for changes to be made applicable from the Academic Year 2022-23 for: • Change in the Name of the Undergraduate Degree Engineering Course from Electronics Engineering (Intake 120) to Electronics and Computer Science (Intake 120) from the Academic Year 2022-23 • Closure of Postgraduate (M.E) Course in Information Technology (Intake 18) from the Academic Year 2022-23. • Reduction in the Intake from the Academic Year 2022-23 of the Postgraduate Degree Engineering Courses in ➢ Computer Engineering, From Intake – 18 to intake – 12 and ➢ Electronics & Telecommunication Engineering, From Intake-18 to Intake-12. The online meeting of AICTE was conducted and the results of the same were awaited
Item 4	**Academic Initiatives:** Dr. Saurabh Mehta, CAO presented the various academic initiatives:

Discussion	• It was decided to depute Dr. Sangeeta Joshi for Ramkrishna Bajaj National Quality Award (RBNQA) training program to be conducted by Indian Merchant Chambers, Mumbai
Discussion	• Highlights of MoU with Capgemini and MoU with Pace Rover for providing knowledge sharing on latest technologies and projects with student and faculties were presented • Institute is planning to sign MOU with TCSiON for development of ERP
Item 5	**Environmental Initiatives undertaken**
	It was decided to purchase new shredding machine to shred the green waste in campus. The wet waste compost plant was also installed

Meeting ended with vote of thanks by Dr. Sangeeta Joshi.

Dr. Sunil Patekar
Chairperson

Minutes of Meeting – Internal Quality Assurance Cell

The 21st IQAC meeting was conducted on Friday 23rd December 2022 Time: 02:30 pm to 06:00 pm in the Board Room, M-Block 7th Floor. Mr. Milind Tadvalkar, Director VDT chaired the meeting.

Item No.	Action to be Taken		Responsibility	Target Date
	No.	Details		
Item 1		Dr. Sangeeta Joshi welcomed all attendees and briefed about the agenda of the meeting.	Dr. Sangeeta Joshi	December 23,2022
Item 2		**Presentation of AQAR 2021-22** • Criteria In-charges presented the data and information relevant to their criteria which were uploaded for AQAR- 2021-22. • They discussed how to achieve the recommended benchmark for each metric to strengthen the process.	Dr. Sangeeta Joshi	
Item 3		**Status update of the departmental targets by respective Heads of the department**	HODs of all Departments	December 30 ,2022
Item 4		**R & D targets by R & D convenor**	Dr. Sheetal Mapare	December 30 ,2022
Item 5		**NIRF Data presentation**	Dr. Sangeeta Joshi	January 15, 2023
Item 6		It was decided to conduct next meetings in the Month of February-2023 for reviewing the progress of different quality initiatives proposed by the department.		February 24, 2023

Meeting ended with vote of thanks by Dr. Sangeeta Joshi.

Dr. Sunil Patekar

Chairperson

Minutes of Meeting – Internal Quality Assurance Cell

The 22nd IQAC meeting was conducted on Thursday 18rth May 2023 Time: 12:00 pm to 08:30 pm in the Board Room, M-Block 7th Floor. Shri. Vishwas Deshpande, Managing Trustee VDT, chaired the meeting.

Item	Summary
Item 1	Dr. Sangeeta Joshi welcomed all attendees and briefed about the agenda of the meeting. Dr. Sangeeta Joshi briefed about previous three IQAC meetings conducted during the year 2022-23. She also highlighted the metric (QLM and QNM) structure requirement for Autonomous Institute's SSR.
Discussion	• Need to strengthen the new metrics of SSR for Autonomous Institutes and also need to have activities to improve the low performing metrics. • Preparation towards the second cycle is to be initiated as the accreditation period expires on March 04, 2024. • Preparation towards AQAR 2022-23 is to be initiated in view of Autonomous status. • For Autonomous Institute the weightage of marks for each criterion is modified as follows: ✓ Criteria 1 - 150 ✓ Criteria 2 - 300 ✓ Criteria 3 - 150 ✓ Criteria 4 - 100 ✓ Criteria 5 - 100 ✓ Criteria 6 - 100 ✓ Criteria 7 - 100 • Shri. Vishwas Deshpande stated that after receiving Autonomous status, now the next step is to proceed for University status. He also emphasized getting A++ grade in NAAC. To achieve this, it is essential to focus on outcomes especially for teaching-learning processes and research and development. • Shri. Vishwas Deshpande also suggested setting metric wise targets in each criterion based on the benchmarks disclosed by NAAC, Bengaluru.
Item 2	**Criterion Presentation:** Discussion on changes in the Metrics of SSR /AQAR for Autonomous Institutes and action plan for necessary activities. **Criterion 1: Curricular Aspects (150)** Prof. Suvarna Udgire presented this criterion
Discussion	• It is discussed that during curriculum revision focus is to be given on the following points: o Courses to be added in curriculum to increase the employability/ entrepreneurship/ skill development o Relevance to be established with respect to the local, regional,

	national, and global developmental needs. These needs should be reflected in the Programme outcomes (POs) and Course Outcomes(COs) of the Programs offered by the institution o Faculty may include MOOCs in the formative assessment of their respective courses. For calculating ISA marks one of the components can be a MOOC course. Each department should identify the subjects in which MOOC course is considered as ISA component. We can also introduce 30 hrs. MOOC course as a standalone course. • Assessment of the courses to be linked with KSA (Knowledge, Skills, and Abilities), for example team activities to be linked to A (Abilities), Lab activities to be linked to S(Skills) and Viva to be linked to K (knowledge) • It is suggested to have Value Added Courses by each department in the semester breaks. Audit courses or credit courses conducted under the category of Advanced Learning Courses (ALC) can be considered as Value added courses. • In criteria 1.4.1 the feedback from academic peers is newly introduced. It is decided to raise a query to NAAC, Bengaluru to understand the interpretation of the term "Academic Peer". • It is decided to devise a mechanism through which data compilation for SSS and Stakeholders feedback on curriculum can be carried out with 100% responses. All Heads shall ensure that 100% responses shall be collected. For collecting the Stakeholders feedback on curriculum suggestion given by Shri. Vishwas Deshpande: o Collect the student feedback on the last day of end semester examination (ESE). o We can collect feedback offline by using OMR sheets or printed forms. o We can automate the process of feedback collection by integrating it with the ERP system. o The period of Stakeholders feedback collection on curriculum should be reflected in Academic Calendar. It is also discussed that the system should be such that the Hall Ticket shall not be generated unless the data is submitted by the students.
Item 3	**Criterion 2: Teaching Learning and Evaluation (300)** Prof. Vaibhav Kshirsagar presented this criterion.
Discussion	• It is suggested by Shri. Vishwas Deshpande to verify the data towards Enrolment percentage and percentage of reserved category seats for various categories for benchmark comparison. • All results are to be declared within a week after the exam. For current semester, the results for engineering are to be declared by 06/06/2023 and MMS to be declared by 15/06/2023. • Students applying for revaluation shall be considered as a case of grievance. It is decided to prepare a course wise / faculty wise data base for capturing grievances of the students regarding the exam

	evaluation. Controller of Examination shall devise the mechanism for the same. Faculty Review form shall be amended to include number of the grievances received for each course. • Academic Calendar of the institute shall be floated on the first day of every Semester. All upcoming activities and events to be carried outin the entire semester should be included in this calendar. • CO attainment calculation to be carried out by each faculty before review process. The same shall be reviewed by the Academic review Panel of Experts. • PO attainment to be presented in department preview /review presentation. • IT integration and reforms in exam: IQAC shall take initiative to suggest a appropriate name for TCS iON -ERP software. IQAC may conduct a competition of faculties or students for this purpose.
Item 4	**Criterion 3: Research, Innovations and Extension (150)** Dr. Mapare presented this criterion.
Discussion	• It is decided to setup committee for the screening of proposals received for grant of V-seed money. It is suggested to verify the minimum amount to be given as per the benchmarks and SOP. Matching grant proposal may be considered. By 1st June, the sanction letters for the same should be issued. Timeline and disbursement policy needs to be decided. The following committee constitution is suggested 1. CAO- Chief Academic Officer 2. IQAC member 3. HOD – Head of Department 4. R & D Convenor 5. Subject matter expert • R&D policy shall be revised and presented in the C2 meeting by R&D Convenor. R&D convenor shall also review the R&D targets given to each faculty and present the same in the C2 meeting. • All Associate Professors and Professors shall keep ready research /MODROB proposal by the end of June 2023 • To strengthen the external funding /grants, R & D convenor shall identify such agencies giving funding with their deadlines and details about the application process. The information shall be disseminated to the faculty and it is ensured that significant number of faculty contribute towards it. ➢ Professors and Associate professors should submit their proposal by the end of June,2023. • In criteria 3.2.2.1 Clarity is required from NAAC point of view. (Calculation is done by considering a count or percentage). • To increase the Percentage of teachers recognized as research guides, it is suggested to that R&D Convenor shall conduct a drive wherein it

	is ensured that all Ph.D. faculties have applied for recognition as Ph.D. guide in any university across the country. • Publication targets given to faculty shall be reviewed periodically by Heads of the departments. • Based on the benchmarks for consultancy, department wise targets needs to be set in the C2 meeting. R&D Convenor shall take initiative and present it in the C2 meeting. • NSS activities shall be published in newspapers and social media through Corporate Communication committee. NSS incharge shall co-ordinate the same with incharge, CC committee. • To enhance student and faculty internship numbers, MOUs need to be signed with companies. Placement and Industry-Institute-Interaction committee will help to coordinate with companies for signing the MoUs.
Item 5	**Criterion 4: Infrastructure and Learning Resources (100)** Prof. Sneha Annapanawar presented this criterion.
Discussion	• It is suggested to cross verify the expenditure (excluding salary component) break up on Infrastructure development and augmentation, library and maintenance of physical and academic support facilities for comparison with benchmarks. • It is suggested by Shri. Vishwas Deshpande to communicate the expected benchmarks on expenditure excluding salary to Ms. Apoorva so that the budget provisions can be done accordingly. • It is suggested to increase the expenditure on Library resources for the A.Y. 2023-24 to achieve a benchmark of 10% of total expenditure
Item 6	**Criterion 5: Student Support & Progression (100)** Prof. Pankaj Wanvari presented this criterion.
Discussion	• To enhance the percentage of students benefited by scholarships and free ships provided by the institution, it has been decided to frame a policy for the student scholarship. Prof. Rohit Barve shall propose the policy and present it in C2 meeting. • To strengthen the percentage of students benefitted by scholarships and free ships provided by the Government, its suggested to verify the data with Mr. Kulkarni, Accounts officer. Students benefiting by the Social Welfare department shall be considered. • CCC committee department co-ordinators shall facilitate for collection of higher studies data. Data of the Students interested in higher studies can be captured on the graduation day and subsequently follow up can be taken on the Degree Distribution Day. During D2 meetings, the CCC coordinator shall present the data related to higher studies. • To achieve benchmark of 10 lacks (for 1 weightage), it is decided to have a policy for financial contribution from Alumni. Prof. Rohit Barve shall propose the same in

	the C2 meeting.
Item 6	**Criterion 6: Governance, Leadership and Management (100)** Dr. Trupti Naik presented this criterion.
Discussion	• To increase the percentage of teachers provided with financial support to attend conferences/ workshops and towards membership fee of professional bodies, it is decided to have a policy by which Every faculty shall get some fixed amount and faculty can utilize the same for attending academic programs like conferences or workshops, membership of professional bodies, registration fees of MOOCs, research work etc. In case, if the faculty fails to do the research work in the stipulated time or fails to utilize the given amount, then the faculty has to return the entire amount. • Dr. Trupti emphasized that as per the SOP of NAAC, it is essential that the amount should be reflected in the audited balance sheet. • Dr. Oak, COO, suggested to verify the data relevant to Funds / Grants received from government bodies, non-government bodies, and philanthropists. It is suggested to finalize this data in consultation with Dr. Amit Oak, Prof. Varsha Maheshwari, Mr. Naresh, and Ms. Apurva. • Shri. Vishwas Deshpande suggested conducting an Academic and Administrative Audit (AAA) in the month of July 2023. The data of last 5 years in the SSR format shall be considered for this audit. • It is discussed that while selecting case studies of decentralization, academic, administrative, and financial domains shall be considered. • The institutional Strategic/ Perspective plan is to be effectively deployed. It is suggested that Dr. Trupti shall present this plan in the C2 meeting. Following points may be considered while preparing the plan. o The lab development committee shall create and present a plan for procurement of various equipment. o A variety of courses shall be floated by departments for academic enrichment. o It is decided to empower Heads of the departments for decision on distribution of department funds for various activities as well as to the faculty for the purpose of faculty development. o Pre-placement training activities need to be highlighted in the plan. o Procurement of library resources in accordance with the requirements of revised Autonomy curriculum. The budget may be extended up to 20 lakhs. o C2 members shall contribute to developing the Strategic Plan • To facilitate deployment data, it is suggested to maintain Centralized data by departments and faculty.

	• Performance Appraisal System: Competency based Performance Appraisal form is to be designed for nonteaching staff. Dr. Oak, Head H.R. shall propose the same. While framing it, three categories, namely Administrative Staff, Technical Staff and Support Staff shall be considered. For each parameter, the criterion may be decided in three forms namely exceeds expectations, meets expectations and below expectations. • While discussing incremental improvements in the processes / systems, it is decided that, Internal Quality Assurance Cell (IQAC) shall contribute for modification in the Review, Preview, and Performance Appraisal forms. • A SOP audit must be conducted periodically by COO office. This includes review of targets set for the processes along with its audit.
Item 7	**Criterion 7: Institutional Values and Best Practices (100)** Prof. Ameya Nyadhish and Prof. Meenakshi Nandula presented this criterion.
Discussion	• Gender equity Survey is carried out amongst faculty and final year students. Prof. Ameya Nyayadhish presented the inferences drawn from received responses. Report of the survey shall be submitted to ICC and WDC for necessary action, if any. • It is suggested by Shri. Vishwas Deshpande to have Solar based M415 lab. The energy conserved shall be fed to the grid by installing meter for the same. It is also suggested to propose sensor-based energy conservation system by installing motion-based sensors in campus. • It is also suggested to have automated water sprinkling system for promoting the green campus initiatives. • It is decided to continue with ban on one time used plastic bottles. This will help us to strengthen the plastic-free campus policy. • It is also decided to replace all CFL bulbs on campus with LED bulbs. • As BMC officials have appreciated our efforts towards composting plant, it is suggested to initiate the communication with BMC officials for getting recognition towards "Clean and green campus awards". Prof. Nilesh Deshpande is requested to initiate the process. • Cultural events shall be spread over the entire year and be listed in the calendar of college activities. • Discussion on which Best Practices should be presented in the AQAR 2022-23 / SSR is carried out. It is suggested to highlight one academic and one administrative best practice. However, as the quorum could not conclude, it is decided to take this point in the C2 meeting.
Item 8	**Mrs. Sonaali Borkar, presented Implementation of Autonomy with respect to Academic Flexibility for First Year Students**
Discussion	• During ODD semester of the A.Y, 2022-23, following significant reforms were implemented. o Choice of faculty for all offered courses

	○ Time slot flexibility ○ Blended mode of learning (Few courses online and few offline) ○ Course delivery by International faculty ○ Offering of higher semester courses to lower semester students • Challenges faced while implementing the above reforms were like Mindset of students – Resistance to change, Time table scheduling, delivery of GE courses, student co-ordination due to lack of class concept, carving out free Time slot for faculty for any event organization etc. • Some of the suggestions discussed to overcome the challenges faced: ○ On the first day of college, counsel and educate the students about the new system. ○ Faculty should create MS-teams for their courses to ensure proper communication between them and the students. ○ To establish a connection with the students, encourage the faculty to remember the names of every student enrolled in their course. ○ Start the lectures in the morning around 8 am to accommodate GE courses and Mindfulness sessions in the schedule. Keep the lab session going after the lecture slot. Aim to finish labs by 3 pm so that the GE session can start at 4 pm. • It is suggested to take feedback from the students regarding above reforms and thus suggest suitable changes for improving student experience.
Item 9	It is decided to conduct the next meeting in the Month of July-2023 with agenda of Department presentation (preview and review of Departments) and presenting action plan on SSS and Stakeholders' feedback on curriculum by deaprtments.

The meeting ended with a vote of thanks by Dr. Sangeeta Joshi.

Minutes of Meeting – Internal Quality Assurance Cell

The 23rd IQAC meeting was conducted on Wednesday 21st June 2023, Time: 09:00 pm to 01:00 pm in the Board Room, M-Block 7th Floor. Mr. Milind Tadvalkar, Director, VDT chaired the meeting.

Item	Summary
Item 1	Dr. Sangeeta Joshi welcomed all attendees and briefed about the agenda of the meeting.
Item 2	Dr. Sangeeta Joshi reviewed the initiatives proposed in 22nd IQAC meeting and discussed about Student Satisfaction Survey (SSS) and Stakeholders' feedback.
Discussion	• The process of collecting Student Satisfaction Survey (SSS) and Stakeholders' feedback is streamlined. The benchmark is increased by 5% each year. • Dr. Sangeeta Joshi emphasized the need to consider NPS threshold values when developing an action plan for improvisation. • She also focused on the benchmarks of different metrics in the AQAR / SSR issued by NAAC, Bengaluru for Autonomous Institutes.
Item 3	**Proposed Action Plan by all the departments on Stakeholders' Feedback and Student Satisfaction Survey Analysis.**
Discussion	Stakeholders' Feedback and Student Satisfaction Survey (SSS) are analyzed at department level using Net Prompter Scheme (NPS) and an action plan is prepared. To improve the quality, we increase the NPS threshold value by 5% each year. The threshold value of NPS for Stakeholders' Feedback is increased to considered as +75% for all the departments. The threshold value of NPS for SSS is increased to values as mentioned below for all the departments. NPS<80% for ETRX, EXTC and MMS NPS<90% for IT, CMPN and BIOM **Presentation by Heads of the Department:** All heads of the department presented the detailed action plan for those parameters for which the NPS value is below the set threshold values as mentioned above. Refer Annexure 23-A for detailed action plan of each department.
Item 4	It was decided to conduct the next meetings in the Month of November-2023.

The meeting ended with a vote of thanks by Dr. Sangeeta Joshi.

Dr. Sunil Patekar
Chairperson

Annexure 23-A

Department of Information Technology:

A) Student Satisfaction Survey for A.Y. 2022-23:

Sr. No.	Proposed Activities for further improvement	Proposed Date
1	Prof. Bhanu Tekwani will organize workshop on soft skills.	2nd week of August 2023
2	Prof. Samuel Jacob will arrange a field visit for students (AR/VR).	Last week of September 2023
3	Prof. Akshay Loke will share learning resources about soft skills, life skills and employability skills with students.	21st July 2023
4	Internships by CereLabs in the domain of Natural Language Processing	July 2024
5	Teachers to organize competitions in class for following subjects - Mini Project – 2 A Web Based Business Model, IOE, Recent Open-Source Project Lab, Data Science Lab, DBMS Lab	21st October 2023

B) Stakeholders' Feedback for A.Y. 2022-23

Sr. No.	Proposed Activities for further improvement	Proposed Date
1	Student Development Program to be conducted in the domain of NLP.	December 2023

Department of Computer Engineering

B) Stakeholders' Feedback for A.Y. 2022-23

Sr. No.	Proposed Activities for further improvement	Proposed Date
1	To improve internet and Wi-Fi connectivity additional bandwidth is procured and currently bandwidth of 800 mbs 1:1 is available. To improve Wi-Fi connectivity functional efficiency of all the existing access points was tested and decided to replace all access points with IEEE 802.11ax	December 2023
2	An external auditor for monitoring the quality of food, hygiene and nutritious menu is to be appointed.	

Sr. No.	Proposed Activities for further improvement	Proposed Date
3	To improve industry collaboration, it is decided to involve industry human resource in TLP in conducting few courses, audit courses and hands on training on tools used in the industry.	July 2023

Department of Electronics & Computer Science

A) Student Satisfaction Survey for A.Y. 2022-23:

Sr. No.	Proposed Activities for further improvement	Proposed Date
1	Monthly meeting with all mentors with HoD and 3 meetings with mentees (during project review)	
2	• Tie-up with the intern-shala • Promotion of in-house internship • Assigned 3 credits for internship	
3	Fun event based on electronics	10th October 2023

B) Stakeholders' Feedback for A.Y. 2022-23

Sr. No.	Proposed Activities for further improvement	Proposed Date
1	One subject from each semester is identified to be taught by industry expert in collaboration with internal faculty 1) IoT: Mr. Pratik Mehar 2) Data Structure: Ms. Pranali Dalvi	
2	Participation in SIH for solving real life problems Tie-up with more NGO: MoU with Seva Sahayog Foundation and Centre for Social and Behaviour Change Communication (SBC3)	
3	Seminar on: How to write research paper	06th October 2023
4	Cadence tool for VLSI domain is purchased	
5	Webinar on: Was to get ready for the GATE exam	02nd September 2023
6	Seminar on: Tips -offs Higher Education in Germany	04th September 2023
7	Seminar on: Electrosteer into new era knowledge about Robotics	02nd August 2023

Sr. No.	Proposed Activities for further improvement	Proposed Date
8	Seminar on Robotrace	05th September 2023
9	Seminar on: The Journey of a Website	30th September 2023
10	Workshop on: Command prompt	18th October 2023
11	Poster competition - 26th October 2023	26th October 2023
12	2-day workshop on: Application of conventional image processing and deep learning in Biomedical Engineering	7th -8th October 2023
13	IEEE R10 Robotics Competition-First round	14th August 2023
14	IEEE Bombay Section Young Professionals STEP 2023	9th September 2023
15	Webinar on Radar Echoes from Lunar Surface by Dr. Shiv Mohan	3rd October 2023
16	Water Rocket Competition	7th October 2023
17	IEEE week-Flagship event (Workshops and Seminars)	11th to 14th October 2023
18	IEEE Extreme Orientation	16th October 2023
19	HackFest 2023	21st October 2023
20	IEEE R10 Robotics Competition-Final round	9th and 10th December 2023

Department of Electronics and Telecommunication Engineering

A) Student Satisfaction Survey for A.Y. 2022-23:

Sr. No.	Proposed Activities for further improvement	Proposed Date
1	Department during Preview of 2023-24 odd semester will check the assignment quality of theory subject	12th and 13th July 2023
2	Department through their academic coordinators for all years will monitor the performances of students in their assignment submission (notified through Lecturer Guide / Handbook)	August 2023
3	Department will allocate and initiate in house internship projects to the identified group of students through domain expert faculties (IoT, embedded design and analytics domain)	17th July 2023

Sr. No.	Proposed Activities for further improvement	Proposed Date
4	Academic coordinators will maintain weekly meetings with class teachers to identify advance and weak learners and devise appropriate action plan for individuals	17th July to till semester end
5	Finalization of mentee-mentor allocation for student support and guidance	22nd July 2023

B) Stakeholders' Feedback for A.Y. 2022-23

Sr. No.	Proposed Activities for further improvement	Proposed Date
1	DAB Meeting	25th March 2023
2	Industry Projects	April 2023 (Ongoing)
3	Industrial visit	23rd August 2023
4	Industry Internship	AY 2023-24 (Ongoing)
5	Participation in Smart India Hackothon	16th September 2023
6	Training on IOT platform	23rd July 2023
7	Seminar on IPR	26th September 2023
8	Seminar on Research paper writing	8th February 2023
9	DIP Trace PCB Designing Workshop	17th September 2023
10	Poster and Paper presentation	September 2023

Department of Biomedical Engineering

A) Student Satisfaction Survey for A.Y. 2022-23:

Sr. No.	Proposed Activities for further improvement	Proposed Date
1	This year three one-to-one counseling mentor meetings are planned.	Before MSE, After MSE and Before ESE

Sr. No.	Proposed Activities for further improvement	Proposed Date
2	Extra-curricular activities are arranged through BMESI and BMSA committee a. Medical Devices Safety and Regulation (Lecture Series) b. SRR Workshop for radiation safety & awareness c. Industrial Visit to Thyrocare Labs, Sanpada	12th September 2023 to 5th October 2023

B) Stakeholders' Feedback for A.Y. 2022-23

Sr. No.	Proposed Activities for further improvement	Proposed Date
1	The autonomy curriculum has been designed by incorporating emerging areas namely, AI-ML, IoT, and medical equipment management to help students for higher studies	16th May 2023
2	Career Counseling Committee has planned session for guiding students on competitive exams namely GRE, GATE, TOFEL, and CAT	17th August 2023
3	Career Counseling Committee has planned to arranged sessions on writing LOR, SOP, and building the CV	05th October 2023

Department of First Year Engineering

A) Student Satisfaction Survey for A.Y. 2022-23:

Sr. No.	Proposed Activities for further improvement	Proposed Date
1	Closed loop assignment model to be followed in AY 2023-24	AY 2023-24
2	Field Visit per cluster	September /October 2023
3	Project Based internship by Faculty	Odd Sem 2023-24
4	Visit to lab of excellence	September /October 2023
5	Real-life based assignment	Odd Sem 2023-24

Department of Management Studies

A) Student Satisfaction Survey for A.Y. 2022-23:

Sr. No.	Proposed Activities for further improvement	Date
1	Practical oriented subjects like Business simulation, design thinking introduced in syllabus for industry syllabus mapping	23rd June 2023
2	short industrial visits are being planned and executed for improvement in mapping the syllabus to practical industry exposure	23rd October 2023
3	Students to get an opportunity to manage canteen as part of their campus internship	23rd July 2023
4	Students volunteered in BMA programs to get firsthand industry interactions with industry experts and hands on training on management of seminars and conferences	23rd April 2023
5	Add-on courses on Advanced excel and word are being organized for every batch	

B) Stakeholders' Feedback for A.Y. 2022-23

Sr. No.	Proposed Activities for further improvement	Proposed Date
1	Paid placement and grooming sessions were conducted to improve the placement in SEM III	23rd September 2023
2	In the Autonomy framework, courses like social entrepreneurship, rural banking are being offered to students who are passed out to increase the mapping between the syllabus taught to societal and general changes	23rd July 2023
3	Separate sports activities being organized for MMS students and MMS students are being encouraged to participate in management competition.	23rd July 2023l
4	Students participated in case study competition conducted by BMA to get hands-on experience	January-March-2023
5	Weekly activities are being conducted so students get more practical assignments related to management subjects	23rd November 2023

Dr. Sunil Patekar
Chairperson

The feedback on curriculum and other aspects is collected from the following stakeholders.

1. Student
2. Teacher
3. Alumni
4. Employer

The Student, Teacher and Alumni feedback is collected at the department level while Employer feedback is collected at the institute level.

The analysis of the collected feedback from various stakeholders is carried out and an action plan is proposed. The Net promoter score (NPS) is metric used to find stakeholders satisfaction level which can be used to predict institutional growth and to take corrective measures to improve process if needed. The following guideline is used to find NPS.

Not at all likely		**Neutral**	**Extremely likely**	
Poor (0)	**Not Quite Satisfactory (1)**	**Satisfactory (2)**	**Good (3)**	**Excellent (4)**
Detractor		**Passive**	**Promotor**	

NPS (Net promotors Score) = % Promotors - % Detractor

NPS range: **-100 to 100**

The NPS of 75 is used for all departments to identify gaps and propose action plans. If the rating is below 75 for feedback parameter, the action is proposed.

Stakeholders' Feedback

Academic Year: (2022-23)

Programme: Information Technology

1. Students' Feedback Analysis

A: Feedback on Curriculum

Total No. of response: **118** NPS Threshold: **75**

Sr.No.	Parameters	Poor (0)	Not quite Satisfactory (1)	Satisfactory (2)	Good (3)	Excellent (4)	NPS
		Detractor		**Passive**	**Promotor**		
1	Rate the relevance of curriculum to recent Industrial developments.	2	3	20	53	40	75
2	Rate usefulness of the curriculum for pursuing higher studies.	1	5	13	60	39	79
3	Rate usefulness of curriculum for enhancing your skillset to keep pace with cutting-edge tools and simulations used in industry.	1	9	16	53	39	69
4	Rate usefulness of curriculum for applying your knowledge to assess societal, health and safety issues.	1	5	23	54	35	70
5	Rate the extent to which the institute developed your research skills	0	5	21	49	43	74

The following inferences are drawn from the ratings given by students to the above parameters.

Parameter 1: Most of the students are satisfied from usefulness of course contents for enhancing analytical and technical skills of students.

Parameter 2: Most of the students are satisfied with the usefulness of the course contents to students forpursuing higher studies.

Parameter 3: As NPS Score is less than 75%, curriculum needs to be updated to keep pace with cutting-edge tools and simulations used in industry.

Parameter 4: As NPS is below threshold, curriculum content to be updated to apply the knowledge to assess societal, health and safety issues.

Parameter 5: NPS is below threshold. Need to update curriculum to provide better exposure on research skills.

1. Students' Feedback Analysis

B. Feedback on other Aspects

Total No. of response: 118

NPS Threshold: **75**

Sr.No.	Parameter	Poor (0)	Not Quite Satisfactory (1)	Satisfactory (2)	Good (3)	Excellent (4)	NPS
		Detractor		**Passive**	**Promotor**		
1	Placement and career opportunities provided by the Institute	0	5	20	44	49	75
2	Classrooms and Laboratory Infrastructure	1	2	18	44	53	80
3	Library and reading room facility	1	0	17	45	55	84
4	Internet and Wi-Fi facility	3	9	26	43	37	58
5	Canteen Facility	4	6	27	43	38	60
6	Sports and Cultural Activities	2	5	21	44	46	70

The following inferences are drawn from the ratings given by students to above parameters.

Parameter No 1: Most of the students are satisfied with placement and career opportunities.
Parameter No 2: Almost all the students are satisfied with Classrooms and Laboratory Infrastructure.
Parameter No 3: Almost all the students are satisfied with Library and reading room facility.
Parameter No 4: As NPS Score is less than 75%, we need to work on Internet and Wi-Fi facility
Parameter No 5: As NPS Score is less than 75%, the canteen facility needs to be improved.
Parameter No 6: Needs more exposure to sports and cultural activities.

1. Students' Feedback Analysis

C. Remarks/Suggestions

1. **Any remark or suggestion on curricular Gaps, Content delivery, Value added /Bridge Courses, Placements, Projects etc**.

I. The opportunities like Teaching Assistantships in institute should be broadcasted to everyone so that deserving students do not go unnoticed.
II. Placements could be better.
III. If a student gets a package above the minimum level say above 6 LPA. He/She shouldn't be allowed for further placement process providing chances for other students to apply. The Rule is mentioned but not followed to that extent.
IV. Students should be allowed for internships rather than focusing more on curriculumas anyone grows more in industry than in academic culture.
V. The teaching is excellent at VIT, but the curriculum is theoretical which adds to thecurricular Gap.

2. **Would you like to recommend Vidyalankar Institute Technology to other Students(Yes / No): _____**

Remarks on Recommendation	No. of Responses out of 118	Percentage
Yes	113	95.8%
No	5	4.2%

i) Reason for Recommendation:

Professors, Infrastructure, Internships, Placements

ii) Reason for Non-Recommendation

No comments available

3. Where can we improve further? (Select Anyone)

Total No. of Responses: 87

Sr. No.	Process	No. of Response
1	Teaching-Learning Process	13
2	Examination and Evaluation Process	03
3	Infrastructure and facilities	09
4	Career Counselling activities	16
5	Sports and extra-curricular activities	08
6	Training and Placement Activities	38

Teachers' Feedback Analysis

A: Feedback on Curriculum

Total No. of response: 18 NPS Threshold: **75**

Sr.No.	Parameter	Poor (0)	Not Quite Satisfactory (1)	Satisfactory (2)	Good (3)	Excellent (4)	NPS
		Detractor		**Passive**	**Promotor**		
1	Rate the relevance of curriculum to recent Industrial developments.	0	0	2	11	5	89
2	Rate usefulness of the curriculum for pursuing higher studies.	0	0	1	6	11	94
3	Rate usefulness of curriculum for enhancing your skillset to keep pace with cutting-edge tools and simulations used in industry.	0	0	2	7	9	89
4	Rate usefulness of curriculum for applying your knowledge to assess societal, health and safety issues.	0	0	2	8	8	89

Following inferences are drawn from the ratings given by students to above parameters

1. **Parameter No 1:** Almost all the faculties are satisfied with the relevance of syllabus torecent Industrial developments.
2. **Parameter No 2:** A good number of faculties are satisfied with the usefulness of the course contents to students for pursuing higher studies.
3. **Parameter No 3:** Almost all the faculties are satisfied with the usefulness of curriculumfor enhancing your skillset to keep pace with cutting-edge tools and simulations usedin industry.
4. **Parameter No 4:** Almost all the faculties are satisfied with the usefulness of curriculumto students for applying their knowledge to assess societal, health and safety issues.

B. Remarks/Suggestions for Curriculum enrichment

- Need to focus on latest trends in industry.
- Requires some guidance to gain experience to work in autonomous environment.
- Training can be provided on latest technologies.
- More application-oriented projects.

3. Alumni Feedback

1. Was Institute's teaching -learning Process (curricular, co-curricular activities) useful to you in your profession?

Total no. of Responses: 230

Yes (No. of Responses received)	**No** (No. of Responses received)	**Can't Say** (No. of Responses received)
179	19	32

2. Which Skillsets (courses, training) and toolsets (Software etc..) do you think your VIT should have been offered?

Logical thinking, Business Management, Additive Manufacturing, Adobe Creative Cloud, AdvancedExcel, Auto CAD, AI, ML, Cloud, DevOps, Serverless, Cloud Architecture, Analyst related software (Tableu, R), Blockchain, Hackathons, SQL, Robotics

3. Did Institute's Extra-curricular activities help you in your holistic development?

Total no. of Responses: 230

Yes (No. of Responses received)	**No** (No. of Responses received)	**Can't Say** (No. of Responses received)
176	18	36

4. Did the Institute provide you with required placement opportunities / assistance?

Total no. of Responses: 230

Yes (No. of Responses received)	**No** (No of Responses received)	**Can't Say** (No. of Responses received)
151	41	38

5. Would you like to contribute, in any way, in improving the placements at your VIT?

Total no. of Responses: 230

Yes (No. of Responses received)	**No** (No. of Responses received)
164	66

6. Is Institute's Academic infrastructure (Faculty, Labs) conducive for learning?

Total no. of responses: 211

Yes (No. of Responses received)	**No** (No. of Responses received)	**Can't Say** (No. of Responses received)
186	10	15

7. Is the Institute's Physical infrastructure conducive for learning.

Total no. of Responses: 230

Yes (No. of Responses received)	**No** (No of Responses received)	**Can't Say** (No. of Responses received)
215	5	10

8. Please Rate your VIT experience

Total no. of Responses: 230

Exceeded Expectation (No. of Responses received)	**Met expectation** (No. of Responses received)	**Below expectation** (No. of Responses received)
54	164	12

9. Which processes (academic, administrative etc.) / best practices from other Universitiesand Industries do you believe should be implemented in your VIT campus?

Here are some suggestions given by alumni -

1. Please include placement representatives as students who can reach out to LinkedIn postings.
2. Improve presence on LinkedIn- We should improve our presence as a college on LinkedIn.
3. Placements: we should have better placements with better organizations coming in fordifferent domains.
4. A technical in-house magazine should be published every semester. And students shouldbe encouraged to write a research paper on very small but innovative ideas.
5. Competitive Coding, Practical focus than Theory, Problem Solving.
6. More lab-based courses, opportunities for internships, student exchange programs, research-oriented seminars like how to do a proper literature survey and read research articles, mental health awareness.

10. Would you like to contribute to the below activities?

Activity	No. of Responses
As a Guest speaker	81
Conduct Workshops-Seminars	08
As Jury member	15
Provide Internships	03
Provide Placement opportunities	09
Provide Career counselling for Higher education	08
Setting up a Startup	05
Mentor Students	36
Any other	68

11. Would you recommend Vidyalankar Institute of Technology to other students?

Total no. of Responses:225

Yes	No
218	07

12. Are you registered on Vidyalankar Alumni Portal: Almashine?

Total no. of Responses:135

Yes	No
128	07

Head of the Department

Director, IQAC

1.Students' Feedback Analysis

A: Feedback on Curriculum

Total No. of response: 152 **NPS Threshold: 75**

Sr.No	Parameter	Poor (0)	Not quite Satisfactory (1)	Satisfactory (2)	Good (3)	Excellent (4)	NPS
		Detractor		**Passive**	**Promotor**		
1	Rate the relevance of curriculum to recent Industrial developments.	0	2	11	48	91	**90.13**
2	Rate usefulness of the curriculum for pursuing higher studies.	0	3	15	46	88	**86.18**
3	Rate usefulness of curriculum for enhancing your skillset to keep pace with cutting-edge tools and simulations used in industry.	0	4	13	48	87	**86.17**
4	Rate usefulness of curriculum for applying your knowledge to assess societal, health and safety issues.	1	2	19	46	84	**83.55**
5	Rate the extent to which the institute developed your research skills	0	2	15	47	88	**87.5**

The following inferences are drawn from the ratings given by students to above parameters.

Parameter 1: Most of the students are satisfied with the relevance of curriculum to recent Industrial developments.

Parameter 2: Almost all are satisfied with the usefulness of the curriculum for pursuing higher studies.

Parameter 3: Most of the students are satisfied with this parameter.

Parameter 4: Almost all students are satisfied with the usefulness of curriculum for applying knowledge to assess societal, health and safety issues.

Parameter 5: Most of the students are satisfied with the extent to which the institute developed research skills.

1. Students' Feedback Analysis

B. Feedback on Other Aspects

Total No. of response:152 **NPS Threshold: 75**

Sr.No.	Parameter	Poor (0)	Not Quite Satisfactory (1)	Satisfactory (2)	Good (3)	Excellent (4)	NPS
		Detractor		**Passive**	**Promotor**		
1	Placement and career opportunities provided by the Institute	02	03	24	54	69	**77.64**
2	Classrooms and Laboratory Infrastructure	00	02	09	48	93	**91.45**
3	Library and reading room facility	01	02	10	46	93	**90.13**
4	Internet and Wi-Fi facility	04	10	23	47	68	**73.68**
5	Canteen Facility	08	04	18	58	64	**72.37**
6	Sports and Cultural Activities	01	06	14	52	79	**81.58**

The following inferences are drawn from the ratings given by students to the above parameters.

Parameter 1: Most of the students are satisfied with placement and career opportunities provided bythe Institute.

Parameter 2: Almost all students are satisfied with classrooms and Laboratory Infrastructure

Parameter 3: Most of the students are satisfied with the library and reading room facility.

Parameter 4: Most of the students are satisfied with the Internet and Wi-Fi facility.

Parameter 5: Almost all students are satisfied with canteen Facility.

Parameter 6: Most of the students are satisfied with sports and cultural activities.

1. Students' Feedback Analysis

C. Remarks/Suggestions

1. **Any remark or suggestion on curricular Gaps, Content delivery, Value added /Bridge Courses, Placements, Projects etc**.

   - Taking topic wise test and lesson wise test on industrial relevant subjects canadd great value on curriculum.
   - Maybe research groups and labs should be promoted more between students to increase number of good publications.
   - Bring more MNCs for placement.
   - Hackathons should be conducted so that students can interact with each other.
   - Bring more companies for internships and placements. Good companies with agood average package.

2. **Would you like to recommend Vidyalankar Institute Technology to other Students(Yes / No): 152**

Remarks on Recommendation	No. of Responses out of	Percentage
Yes	146	96.05%
No	6	3.9%

i) Reason for Recommendation:

- Institute allow a development of an individual as a whole.
- Good faculties, infrastructure, and placements.
- Good infrastructure, supporting faculty, unique approach towards examination.
- Teaching-Learning, extra-curricular activities, sports, annual fest, infrastructure.
- Excellent professors.
- Good Quality Education
- Infrastructure, teaching, labs are good for students to get knowledge.
- Most student friendly college in Mumbai.
- Nice institute.
- Good staff, and good infrastructure.
- Very helpful faculties with great opportunities for career growth.

- It's an excellent opportunity and learning curve.
- For better placement
- It's a normal college with good facilities but faculty here are good in communicating and knowing what is important and not.
- Teachers are supportive.
- Good environment for learning
- Best in every aspect.
- Great opportunities to learn.
- Fantastic experience.
- Overall good Institute.
- Great learning experience
- Best college in Mumbai.
- Great infrastructure and learning environment.
- Holistic Development of Student
- Nice faculty, infrastructure, sports, cultural activities, research guidance,etc.
- Best Teaching and Faculty Staff, Best Campus, Best Evaluations, Best Canteens. Overall, the best place to survive Engineering.
- Good teaching and other resources.
- Excellent Infrastructure, Great Placement Opportunities, Cleanliness, etc

ii) Reason for Non-Recommendation

- The hostel is not near, and cost of living is very high nearby college.
- Canteen food is expensive and not tasty.
- No reason
- If you only want to study and not enjoy don't go here.
- Bad Canteen Foods, etc

3. Where can we improve further? (Select Anyone)

Total No. of Responses: 152

Sr. No.	Process	No. of Response
1	Teaching-Learning Process	12
2	Examination and Evaluation Process	01
3	Infrastructure and facilities	05
4	Career Counselling activities	17
5	Sports and extra-curricular activities	22

2. Teachers' Feedback Analysis

A: Feedback on Curriculum

Total No. of response: 19 **NPS Threshold: 75**

Sr.No.	Parameter	Poor (0)	Not Quite Satisfactory (1)	Satisfactory (2)	Good (3)	Excellent (4)	NPS
		Detractor		**Passive**	**Promotor**		
1	Rate the relevance of curriculum to recent Industrial developments.	00	00	00	07	12	**100**
2	Rate usefulness of the curriculum for pursuing higher studies.	00	00	00	06	13	**100**
3	Rate usefulness of curriculum for enhancing your skillset to keep pace with cutting-edge tools and simulations used in industry.	00	00	01	06	12	**94.7**
4	Rate usefulness of curriculum for applying your knowledge to assess societal, health and safety issues.	00	00	01	07	11	**94.7**

The following inferences are drawn from the ratings given by students to above parameters

Parameter 1: All faculties are satisfied with the relevance of curriculum to recent Industrialdevelopments.
Parameter 2: All faculties are satisfied with the usefulness of the curriculum for pursuing higherstudies.
Parameter 3: Almost all faculties are satisfied with the usefulness of curriculum for enhancing your skillset to keep pace with cutting-edge tools and simulations used in industry.
Parameter 4: Almost all faculties are satisfied with the usefulness of curriculum for applying your knowledge to assess societal, health and safety issues.

B. Remarks/Suggestions for Curriculum enrichment

- Need extensive faculty development program.
- Application oriented conduction and assessment of curriculum.
- Feedback is only based on the 2 courses taken by me in the current and earlier semester.
- Good

.

3. Alumni Feedback

1. Was Institute's teaching -learning Process (curricular, co-curricular activities) useful to you in your profession?

Total no. of Responses:44

Yes (No. of Responses received)	No (No. of Responses received)	Can't Say (No. of Responses received)
38	03	03

2. Which Skillsets (courses, training) and toolsets (Software etc..) do you think your VITshould have been offered?

- Product management, Design thinking, Customer Experience
- More technical workshop and exposure to MAC OS for everyone.
- Cutting edge technologies/clouds
- Full Stack Development (All possible languages), ML or AI industry experts should beinvited. Most students misguided by some random courses.
- Modern software and hands on experience would have been helpful.
- Dale Carnegie
- Full-Stack, Competitive Coding environment
- SAP Functional Training
- Industrial Big Data, Internships could be made manadatory
- Software Developer
- Problem solving and competitive coding
- Plenty of things they could have. But I think they are incapable to provide a goodeducation. Especially with arrogant professors like Deshmukh I think it is all goingdownhill.
- Machine Learning, Data Science, More mathematical modelling
- Big data analytics, Python, ML using python
- Use of IDEs like IntelliJ, version control using GIT, etc.
- It could have included more electives from recent trending industry
- AI, ML, Cloud, DevOps, Serverless, Cloud Architecture
- More rigorous assignments/projects, Industry talk and Internship Opportunities
- Product management, Analytics , UI-UX, Statistics , Data science

- More of practical coding classes and tests
- Personal finance, yoga, living life, all sounds irrelevant, but we were taught everythingexcept how to lead life peacefully.
- Full Stack Development (framework like spring and hibernate, Angular)
- Courses that will enable them to integrate seamlessly in the industry. Technology wise there are quite a few but soft skills are equally important aspect that is often ignored and should definitely be included. Presentation skills, Assertiveness, emailetiquettes, working in teams are some of the trainings that can be considered imparting to all students.
- Robotics.

3. Did Institute's Extra-curricular activities help you in your holistic development

Total no. of Responses:44

Yes (No. of Responses received)	No (No. of Responses received)	Can't Say (No. of Responses received)
29	03	12

4. Did the Institute provide you with required placement opportunities / assistance?

Total no. of Responses: 44

Yes (No. of Responses received)	No (No of Responses received)	Can't Say (No. of Responses received)
32	05	07

5. Would you like to contribute, in any way, in improving the placements at your VIT?

Total no. of Responses: 44

Yes (No. of Responses received)	No (No. of Responses received)
32	12

6. Is Institute's Academic infrastructure (Faculty, Labs) conducive for learning?

Total no. of responses: 44

Yes (No. of Responses received)	No (No. of Responses received)	Can't Say (No. of Responses received)
42	01	01

7. Is the Institute's Physical infrastructure conducive for learning?

Total no. of Responses: 44

Yes (No. of Responses received)	No (No of Responses received)	Can't Say (No. of Responses received)
41	01	02

8. Please Rate your VIT experience

Total no. of Responses: 44

Exceeded Expectations (No. of Responses received)	Met expectations (No. of Responses received)	below expectations (No. of Responses received)
15	27	02

9. Which processes (academic, administrative etc.) / best practices from other Universitiesand Industries do you believe should be implemented in your VIT campus?

- Encouraging students to innovate new things apart from syllabus. Also fundings for projects.
- More focus on practical applications. That helps a lot to learn.

- Provide project opportunities that encourage learning and application of skills learnt in classroom - example, website for fests/councils/tracking software/etc.
- More industry training.
- Relative grading if institute becomes Autonomous.
- Promotions to the faculties who deserves. Divya Nimbalkar is a good professor. Years afterI graduated, I visited VIT and got shocked when some professor who wasn't so good got promoted and Divya Nimbalkar who is way better than the promoted employee wasn't promoted. Quite a news it was for me.
- Internships should be mandated form 2nd year itself
- Competitive Coding, Practical focus than Theory, Problem Solving
- Focus on implementing your own University's syllabus first.
- More research driven.
- Our convocation was held, but we were never given our convocation certificates providedby the university of Mumbai. My Background verification for a new job opportunity is stuck due to this document not being with. Since you already have my email id, then whydidn't you send a generic reminder email to all alumni to collect their convocation certificates? It could have saved people like me from tinting their reputation at new firm due to background verification getting stuck.
- Create a full fledged placement committee.
- Please include placement representatives as students who can reach out to Linkedin postings.
- Improve presence on Linkedin:
- We should improve our presence as a college on Linkedin.
- Placements : we should have better placements with better organizations coming in fordifferent domains.
- Hackathons, competitive coding contests, practical application projects for each subject.
- VIT is doing great and no changes expects
- Partnership with leading industry players for a campus to corporate initiatives, leveraging alumni strength by having regular connects with them will help build the brand of instituteto a much greater height.
- Focus on Practical & Industrial Applications with emerging technologies; Avoid plagiarismof Academic assignments & practicals.
- Mandatory 20 days summer internship
- Minimum 1 certification from big-tech based industries like Amazon, Google, Microsoft, Salesforce, etc for ease campus placement; Interpersonal skills training/courses; Job searchworkshop.

10. Would you like to contribute to the below activities?

Activity	No. of Responses
As a Guest speaker	15
Conduct Workshops-Seminars	04
As Jury member	10
Provide Internships	05
Provide Placement opportunities	05
Provide Career counselling for Higher education	09
Setting up a Startup	01
Mentor Students	24
Any other	16

11. Would you recommend Vidyalankar Institute of Technology to other students?

Total no. of Responses: 44

Yes (No. of Responses received)	No (No of Responses received)
43	01

12. Are you registered on Vidyalankar Alumni Portal: Almashine?

Total no. of Responses: 42

Yes (No. of Responses received)	No (No of Responses received)
28	14

Head of the Department

Director, IQAC

1. Analysis of Student Feedback

A: Feedback on Curriculum

Total No. of response: **115** NPS Threshold for the year 2023: **75**

Sr. No.	Parameters	Poor (0)	Not quite Satisfactory (1)	Satisfactory (2)	Good (3)	Excellent (4)	NPS
		Detractor		**Passive**	**Promotor**		
1	Rate the relevance of syllabus to recent Industrial developments.	1	5	21	46	42	**71.30**
2	Rate usefulness of the course contents to students for pursuing higher studies.	1	4	25	41	44	**69.56**
3	Rate usefulness of curriculum for enhancing your skillset to keep pace with cutting-edge tools and simulations used in industry.	4	3	26	35	47	**65.21**
4	Rate usefulness of curriculum to students for applying their knowledge to assess societal, health and safety issues.	3	3	19	48	42	**73.04**
5	Rate the extent to which the institute developed your research skills	1	3	26	40	45	**70.43**

Following inferences are drawn from the ratings given by students to above Parameters.

1. **Parameter No 1**: NPS is slightly below threshold, so it is needed to tweak syllabus which will be more relevant to recent Industrial developments.

2. **Parameter No 2**: NPS is a little below threshold, so it is needed to modify syllabus of final year subjects, so that it will be more helpful for higher studies.

3. **Parameter No 3**: NPS is below threshold by almost 10%, so it is needed to use more tools and simulators while delivery of lecture and while performing the lab sessions.

4. **Parameter No 4**: NPS is just below the threshold value. Need to guide students to use their knowledge to assess societal, health and safety issues.

5. **Parameter No 5**: NPS is slightly below threshold. Faculty must guide students to improve their research skill.

1. Analysis of Student Feedback

B. Feedback on other aspects

Total No. of response: **115**

NPS Threshold for the year 2022: **75**

Sr.No.	Parameters	Poor (0)	Not Quite Satisfactory (1)	Satisfactory (2)	Good (3)	Excellent (4)	NPS
		Detractor		**Passive**	**Promotor**		
1	Placement and career opportunities provided by the Institute	8	4	31	36	36	**52.17**
2	Classrooms and Laboratory Infrastructure	3	3	23	44	42	**69.56**
3	Library and reading room facility	4	1	19	45	46	**74.78**
4	Internet and Wi-Fi facility	5	12	21	43	34	**52.17**
5	Canteen Facility	6	11	19	44	35	**53.91**
6	Sports and Cultural Activities	7	6	21	33	48	**59.13**

Following inferences are drawn from the ratings given by students to above Parameters.

1. **Parameter No 1:** NPS is very low, so need to work vigorously on Placement and career opportunities provided by the Institute.
2. **Parameter No 2:** NPS is slightly low, so need to work on Classrooms and Laboratory Infrastructure.
3. **Parameter No 3:** NPS is almost equal to threshold, but still need to see that students will get good infrastructure for Library and reading room.
4. **Parameter No 4:** NPS is very low, so need to work vigorously on providing good Internet and Wi-Fi facility.
5. **Parameter No 5:** NPS is very low, so need to provide good food and better canteen infrastructure.
6. **Parameter No 6:** NPS is below threshold by almost 15%, so it is needed to conduct more and meaningful Sports and Cultural Activities

1. Analysis of Student Feedback

C. Remarks/Suggestions

1. Any remark or suggestion on curricular Gaps, Content delivery, Value added /Bridge Courses, Placements, Projects etc.

1. Have hands on courses for students rather than theoretical one.
2. Skill based labs instead of exams.

2. Would you like to recommend Vidyalankar Institute Technology to other students (Yes / No): 115

Remarks on Recommendation	No. of Responses out of 115	Percentage
Yes	109	94.78
No	06	05.22

a) Reasons for recommendation:

1. Best college in Mumbai in terms of learning experience
2. Institute is having a great study environment.
3. Teaching facility, amazing infrastructure
4. Nice faculty, good infrastructure, and environment to study
5. Overall good mix of academic and extracurricular activities and good placement opportunities.
6. Holistic development, more focus on projects

b) Reasons for non-recommendation

1. Lack of sports activities
2. Core companies are not there for placements only it companies are there and very poor canteen facility.
3. Less communication between organisation and students
4. Traveling might be an issue.
5. Less placement

3. Where can we improve further? (Select Anyone)

Total No. of Responses: **115**

Sr. No.	Process	No. of Response
1	Teaching-Learning Process	10
2	Examination and Evaluation Process	2
3	Infrastructure and facilities	7
4	Career Counselling activities	12
5	Sports and extra-curricular activities	17
6	Training and Placement Activities	38

2. Analysis of Teacher Feedback

A: Feedback on Curriculum

Total No. of response: **14** NPS Threshold for the year 2022: **75**

Sr.No.	Parameters	Poor (0)	Not Quite Satisfactory (1)	Satisfactory (2)	Good (3)	Excellent (4)	NPS
		Detractor		**Passive**	**Promotor**		
1	Rate the relevance of syllabus to recent Industrial developments.	0	0	3	5	6	**78.57**
2	Rate usefulness of the course contents to students for pursuing higher studies.	0	0	1	4	9	**92.85**
3	Rate usefulness of curriculum for enhancing your skillset to keep pace with cutting-edge tools and simulations used in industry.	0	0	2	6	6	**85.71**
4	Rate usefulness of curriculum to students for applying their knowledge to assess societal, health and safety issues.	0	0	2	6	6	**85.71**

Following inferences are drawn from the ratings given by students to above Parameters.

All the NPS values far above the threshold NPS level

2. Analysis of Teacher Feedback

B. Remarks/Suggestions for Curriculum enrichment

1. Add the courses with hands on training and more credits for Internships, for better experiential learning.
2. For syllabus development, we must refer the NEP
3. Requires Major Revisions
4. Internship as credits can be added

3. Analysis of Alumni Feedback

1. Was Institute's teaching -learning Process (curricular, co-curricular activities) useful to you in your profession?

Total no. of Responses: **18**

Yes (No. of Responses received)	No (No. of Responses received)	Can't Say (No. of Responses received)
9	2	7

2. Which Skillsets (courses, training) and toolsets (Software etc..) do you think your VIT should have been offered?

Python Programming, Should be based on Current technologies, i.e. AI, ML, Robotics, courses and trainings on core digital electronics such as FPGA designing, Digital Design and Verification, Computer Architecture, Humanities and soft skills, Personality development training, Matlab core with MathWorks and some more basics in C language

3. Did Institute's Extra-curricular activities help you in your holistic development

Total no. of Responses: 18

Yes (No. of Responses received)	No (No. of Responses received)	Can't Say (No. of Responses received)
13	1	4

4. Did the Institute provide you with required placement opportunities / assistance?

Total no. of Responses: 18

Yes (No. of Responses received)	No (No of Responses received)	Can't Say (No. of Responses received)
7	6	5

5. Would you like to contribute, in any way, in improving the placements at your VIT?

Total no. of Responses: 18

Yes (No. of Responses received)	No (No. of Responses received)
10	8

6. Is Institute's Academic infrastructure (Faculty, Labs) conducive for learning

Total no. of responses: 18

Yes (No. of Responses received)	No (No. of Responses received)	Can't Say (No. of Responses received)
12	1	3

7. Is the Institute's Physical infrastructure conducive for learning.

Total no. of Responses: 18

Yes (No. of Responses received)	No (No of Responses received)	Can't Say (No. of Responses received)
16	0	2

8. Please Rate your VIT experience

Total no. of Responses: 18

Exceeded Expectations (No. of Responses received)	Met expectations. (No. of Responses received)	Was below expectations. (No. of Responses received)
2	13	3

9. Which processes (academic, administrative etc.) / Best practices from other Universities and Industries do you believe should be implemented in your VIT campus?

Project based Learning, allowing students to do internships in a semester, conduct programs which connects the industry exposure to students.

10. Would you like to contribute to the below activities?

Activity	**No. of Responses**
As a Guest speaker	4
Conduct Workshops-Seminars	1
As Jury member	4
Provide Internships	0
Provide Placement opportunities	1
Provide Career counselling for Higher education	1
Setting up a Startup	1
Mentor Students	3
Any other	3

11. Would you recommend Vidyalankar Institute of Technology to other students?

Total no. of Responses: 18

Yes (No. of Responses received)	No (No of Responses received)
18	0

12. Are you registered on Vidyalankar Alumni Portal: Almashine?

Total no. of Responses: 18

Stakeholders' Feedback

Academic Year: (2022-23)

Programme: Electronics and Telecommunication Engineering

1. Students' Feedback Analysis

A: Feedback on Curriculum

Total No. of response: 128 NPS Threshold: **75**

Sr.No.	Parameters	Poor (0)	Not quite Satisfactory (1)	Satisfactory (2)	Good (3)	Excellent (4)	NPS
		Detractor		**Passive**	**Promotor**		
1	Rate the relevance of curriculum to recent Industrial developments.	4	11	16	65	32	**64.07**
2	Rate usefulness of the curriculum for pursuing higher studies.	2	6	30	53	37	**64.06**
3	Rate usefulness of curriculum for enhancing your skillset to keep pace with cutting-edge tools and simulations used in industry.	6	6	24	55	37	**61**
4	Rate usefulness of curriculum for applying your knowledge to assess societal, health and safety issues.	4	6	27	52	39	**63.28**
5	Rate the extent to which the institute developed your research skills	4	9	26	49	40	**59.38**

Following inferences are drawn from the ratings given by students to above parameters.

Parameter 1: NPS is below threshold. Syllabus should be more relevant to recent industrial development.

Parameter 2: NPS is below threshold. Syllabus should be more relevant to recent industrial. development.

Parameter 3: NPS is above threshold. Almost all students are satisfactory with usefulness of the course contents to students for pursuing higher studies.

Parameter 4: NPS is below threshold. Needs improvement.

Parameter 5: Curriculum should be more useful to students for applying their knowledge to assess societal, health and safety issues

1. Students' Feedback Analysis

B. Feedback on other Aspects

Total No. of response: 128 NPS Threshold: **75**

Sr.No.	Attributes	Poor (0)	Not Quite Satisfactory (1)	Satisfactory (2)	Good (3)	Excellent (4)	NPS
		Detractor		**Passive**	**Promotor**		
1	Placement and career opportunities provided by the Institute	4	4	24	47	49	**68.75**
2	Classrooms and Laboratory Infrastructure	5	5	23	47	48	**66.46**
3	Library and reading room facility	3	5	19	52	49	**72.65**
4	Internet and Wi-Fi facility	11	6	27	42	42	**52.34**
5	Canteen Facility	5	8	26	49	40	**59.38**
6	Sports and Cultural Activities	0	5	24	52	47	**73.44**

Following inferences are drawn from the ratings given by students to above parameters.

Parameter 1: NPS is less than 75% and will discuss with TPO to improve it.
Parameter 2: NPS is less than 75% and will discuss with Facility department and will install Smart boards in classroom.
Parameter 3: Most of the students are satisfied with Library and reading room facilities.
Parameter 4: Classrooms to be equipped with WI-FI facility.
Parameter 5: Canteen facility need to be improved.
Parameter 6: Students are satisfied with Sports and Cultural Activity

Stakeholders' Feedback

Academic Year: (2022-23)

Programme: Electronics and Telecommunication Engineering

1. Students' Feedback Analysis

C. Remarks/Suggestions

1. **Any remark or suggestion on curricular Gaps, Content delivery, Value added /Bridge Courses, Placements, Projects etc**.

- VLSI lab does not have anything related to VLSI. Cannot stay in college after 6:00pm for project work or to study. Security Personnel always trying to get students out of college.
- Awareness on how to prepare for placement should be given from 2nd Year itself.
- More practice should be given to students starting from the third year for their final Year placements.
- Give options to do internship during Academic months too, providing better facilities for innovation lab, providing AC to innovation lab ground floor, encouraging students to building something by providing resources sponsors etc.
- During lectures it will be nice if it was more interactive. Not just reading form ppt. The new change in paper pattern is good but the expected questions are not being taught during some lectures and not given by the prof in his or her notes. New thought-provoking questions are being added to the paper, it will be nice it was at least taught once during the lectures.
- Please improve projectors and do final year project reviews, at least the final one, professionally like thesis presentations. Professionalism will motivate students to do better projects.

2. **Would you like to recommend Vidyalankar Institute Technology to other Students (Yes / No):_____**

Remarks on Recommendation	No. of Responses out of _128___	Percentage
Yes	117	91.4%
No	11	8.5%

i) Reason for Recommendation:

- Overall personality development & technical exposure
- Good Teaching and Placement
- It has been my overall development. I will recommend it to the one who looks forward.
- Infrastructure and lab facilities along with value added courses.
- Good campus
- Good faculty and professors
- Teachers are kind and supportive.
- Career oriented curriculum

ii) Reason for Non-Recommendation

- Industry knowledge is too less.
- Teachers' unavailability for some elective courses, therefore students have to compromise with electives they are not interested in
- Lack of Guidance about Placement

3. Where can we improve further? (Select Anyone)

Total No. of Responses: 128

Sr. No.	Process	No. of Response
1	Teaching-Learning Process	**13**
2	Examination and Evaluation Process	**2**
3	Infrastructure and facilities	**6**
4	Career Counselling activities	**16**
5	Sports and extra-curricular activities	**19**

2. Teachers' Feedback Analysis

A: Feedback on Curriculum

Total No. of response: 17 NPS Threshold: **75**

Sr.No.	Attributes	Poor (0)	Not Quite Satisfactory (1)	Satisfactory (2)	Good (3)	Excellent (4)	NPS
		Detractor		**Passive**	**Promotor**		
1	Rate the relevance of curriculum to recent Industrial developments.	0	1	2	13	1	**76.47**
2	Rate usefulness of the curriculum for pursuing higher studies.	0	0	3	10	4	**82.35**
3	Rate usefulness of curriculum for enhancing your skillset to keep pace with cutting-edge tools and simulations used in industry.	1	3	2	10	3	**52.94**
4	Rate usefulness of curriculum for applying your knowledge to assess societal, health and safety issues.	0	1	3	10	3	**70.58**

Following inferences are drawn from the ratings given by students to above parameters.

Parameter 1: Most of the teachers are satisfied with relevance of curriculum to recent Industrial developments.

Parameter 2: Many teachers agree that curriculum is useful for pursuing higher studies.

Parameter 3: NPS is below threshold. Need to be improved.

Parameter 4: NPS is below threshold. Syllabus need to be upgraded to make it useful for applying knowledge to assess societal, health and safety issues.

B. Remarks/Suggestions for Curriculum enrichment

- Practical's must be even for elective subjects.
- Mapping of curriculum with industrial needs and practices. More emphasis on laboratory sessions.
- For better Curriculum delivery need good lab Structure
- More practical exposure is needed to understand industrial trends and requirements.
- Industry inputs to be taken while syllabus revision.
- Some subject either in 3rd or final year should be industry oriented.
- More Research activities.
- Consultation is missing.

3. Alumni Feedback

1. Was Institute's teaching -learning Process (curricular, co-curricular activities) useful to you in your profession?

Total no. of Responses:61

Yes (No. of Responses received)	No (No. of Responses received)	Can't Say (No. of Responses received)
39	7	15

2. Which Skillsets (courses, training) and toolsets (Software etc..) do you think your VIT should have been offered?

- Industry related courses
- Training on Embedded c on industry board. Cad tools like altium and simulink
- Logical thinking- instead of having language students should learn programming logics
- Adding FPGA and/or DSP kits-based Projects would help students in future career.
- Verilog, and more practical knowledge rather than mostly theory.
- Hackathons
- More trainings on industry awareness
- Industrial Trainings, Internships, Final Year Projects with Industrial Collaboration
- SQL Exclusively and Advanced Excel
- Being a student from electronics background, if we had more training on IT side then it would have been beneficial.
- More on AI/ML, DATA RELATED
- More real-life applications, exposure to current industry standards
- FPGA courses, software's(altera, Xilinx) , ARM controller, cube ide mx, model Sim, logic analyser
- More practical and updated courses
- Basic SQL training should be included.

3. Did Institute's Extra-curricular activities help you in your holistic development

Total no. of Responses:61

Yes (No. of Responses received)	No (No. of Responses received)	Can't Say (No. of Responses received)
41	6	14

4. Did the Institute provide you with required placement opportunities / assistance?

Total no. of Responses:61

Yes (No. of Responses received)	No (No of Responses received)	Can't Say (No. of Responses received)
41	8	12

5. Would you like to contribute, in any way, in improving the placements at your VIT?

Total no. of Responses:61

Yes (No. of Responses received)	No (No. of Responses received)
40	21

6. Is Institute's Academic infrastructure (Faculty, Labs) conducive for learning

Total no. of responses:61

Yes (No. of Responses received)	No (No. of Responses received)	Can't Say (No. of Responses received)
48	4	9

7. Is the Institute's Physical infrastructure conducive for learning.

Total no. of Responses:61

Yes (No. of Responses received)	No (No of Responses received)	Cant Say (No. of Responses received)
57	3	1

8. Please Rate your VIT experience

Total no. of Responses:61

Exceeded Expectations (No. of Responses received)	Met expectations. (No. of Responses received)	Below expectations. (No. of Responses received)
15	42	4

9. Which processes (academic, administrative etc.) / best practices from other Universities and Industries do you believe should be implemented in your VIT campus?

- Ability to choose subjects. Adding small project as assignment rather than written assignment.
- I think that ViT lacked good courses and teachers in programming. The teaching was just limited to syllabus and was mostly theoretical, but it really doesn't help anyone in the real-world. Having decent programming skills is essential for everyone irrespective of their branch because it can be extremely useful.
- Lack of opportunities for internships - This is the major drawback in ViTs curriculum. I think most of the faculty is confused between internship and traineeship and bound by MUs guidelines. It would be nice if they can give students a semester off to go and intern at big companies or startups or research labs. I guess irrespective of their field, it helps them to grow is all aspects of life.
- Dedicated teachers - During my time at ViT, I was fortunate to study maths with Kashid sir. I have never seen a prof (at MU level), who is as enthusiastic as him. The linear algebra and calculus courses are still helpful in my AI research. So, a big kudos to him and we need more teachers like him. Arpit sir is also an amazing guy.
- Lack of support for extra curriculars - We never had support from the faculty to participate in e-yantra competitions because everyone was so into 75% attendance. It would be nice if you could be flexible towards students who are into extra-curriculars.
- More focus on projects, rather than theory, up to date syllabus with current industry trends
- Start industrial technology seminars, workshops!
- Paid Internship opportunities involving certifications, Core Technical placement opportunities should be implemented in our VIT campus.
- I have seen that students get projects, but they don't get enough support to go further. A constant feedback and support should be provided to each and every student.

10. Would you like to contribute to the below activities?

Activity	No. of Responses
As a Guest speaker	12
Conduct Workshops-Seminars	5
As Jury member	23
Provide Internships	4

Provide Placement opportunities	11
Provide Career counselling for Higher education	3
Setting up a Startup	3
Mentor Students	-

1. Students' Feedback Analysis

A: Feedback on Curriculum

Total No. of response: **47**

NPS Threshold: **75**

Sr.No.	Parameters	Poor (0)	Not quite Satisfactory (1)	Satisfactory (2)	Good (3)	Excellent (4)	NPS
		Detractor		**Passive**	**Promotor**		
1	Rate the relevance of curriculum to recent Industrial developments.	0	0	5	18	24	89.36
2	Rate usefulness of the curriculum for pursuing higher studies.	0	0	6	18	23	87.23
3	Rate usefulness of curriculum for enhancing your skillset to keep pace with cutting-edge tools and simulations used in industry.	0	1	6	11	29	82.98
4	Rate usefulness of curriculum for applying your knowledge to assess societal, health and safety issues.	0	0	9	13	25	80.85
5	Rate the extent to which the institute developed your research skills	0	0	7	16	24	85.11

Following inferences are drawn from the ratings given by students to above parameters.

Parameter 1: Students found the syllabus content was relevant to the needs for the industrial development.

Parameter 2: The course contents were helpful for students for pursing the higher studies.

Parameter 3: The students agreed, the syllabus content helped in using the upgraded hardware and software skills to learn and cope up with the advance tools and simulators used in industry.

Parameter 4: The application of knowledge to assess societal, health and safety issues was found useful by the students.

Parameter 5: The NPS of the parameter is above 75. The students have agreed the relevance of skillset and knowledge acquired during final year project implementation.

1. Students' Feedback Analysis

B. Feedback on other Aspects

Total No. of response: 47

NPS Threshold: **75**

Sr.No.	Attributes	Poor (0)	Not Quite Satisfactory (1)	Satisfactory (2)	Good (3)	Excellent (4)	NPS
		Detractor		**Passive**	**Promotor**		
1	Placement and career opportunities provided by the Institute	0	2	6	19	20	78.72
2	Classrooms and Laboratory Infrastructure	0	0	6	14	27	87.23
3	Library and reading room facility	0	1	5	11	30	85.11
4	Internet and Wi-Fi facility	0	2	7	17	21	76.60
5	Canteen Facility	2	0	11	14	20	68.09
6	Sports and Cultural Activities	0	0	6	14	27	78.72

Following inferences are drawn from the ratings given by students to above parameters.

Parameter 1: The students agreed that good placement and career opportunities was provided by the institute.

Parameter 2: The NPS of this parameter is 87. So, students agreed the infrastructure and classrooms are of good in the institute.

Parameter 3: The library and reading room facility are liked by the students.

Parameter 4: The students find the Internet and Wi-Fi facility in the institute to be good.

Parameter 5: The students did not like the variety and crowed of food served at the canteen. This could be due to their experience in COVID restrictions.

Parameter 6: The students found the sports and cultural activities are conducted in the right spirit in the campus.

1. Students' Feedback Analysis

C. Remarks/Suggestions

1. Any remark or suggestion on curricular Gaps, Content delivery, Value added /Bridge Courses, Placements, Projects etc.

- ourse curriculum can be changed a bit based on my experience it is not enough for certain qualifying exams for higher studies so that can be updated slightly.
- Suggest Good companies & remind to Biom student.
- Conduct manufacturing industry visit in every month if possible.
- Bring good companies for Biomedical Engineering department with good package.
- More value-added course or extra subjects of choice

2. Would you like to recommend Vidyalankar Institute Technology to other Students (Yes / No): _____

Remarks on Recommendation	No. of Responses out of 47	Percentage
Yes	46	97.87%
No	01	2.13%

i) Reason for Recommendation:

- Teachers are helpful and feels good to study here.
- It is the best best institute.
- I actually felt that the faculty is really cooperative towards the students in helping them out with any kind of their problems.
- Faculty is very approachable, great facilities and opportunities being given.
- Great learning process
- Placement, teaching staff, events Excellent
- All the teachers teach very well and are helpful to us. . Awesome infrastructure
- A college providing excellent academic programs, qualified faculty members.
- The overall campus is good for students.
- The teaching and doubt solving by the faculty is the main reason for Recommendation.
- Institute is excellent in terms of coaching, Curricular activities and with best placement. Also, an autonomy Institute.
- Like cultural and progress of institute
- Very Good infrastructure and Teaching faculties plus good knowledge
- Improvement in students' approach.

- Excellent campus and faculty
- Nice faculty

ii) Reason for Non-Recommendation

- Autonomous

3. Where can we improve further? (Select Anyone)

Total No. of Responses: 34

Sr. No.	Process	No. of Response
1	Teaching-Learning Process	05
2	Examination and Evaluation Process	06
3	Infrastructure and facilities	02
4	Career Counselling activities	04
5	Sports and extra-curricular activities	03
6	Training and Placement Activities	14

2. Teachers' Feedback Analysis

A: Feedback on Curriculum

Total No. of response: 08 NPS Threshold: **75**

Sr.No.	Attributes	Poor (0)	Not Quite Satisfactory (1)	Satisfactory (2)	Good (3)	Excellent (4)	NPS
		Detractor		**Passive**	**Promotor**		
1	Rate the relevance of curriculum to recent Industrial developments.	0	0	5	3	0	**37.50**
2	Rate usefulness of the curriculum for pursuing higher studies.	0	0	4	4	0	**50.00**
3	Rate usefulness of curriculum for enhancing your skillset to keep pace with cutting-edge tools and simulations used in industry.	0	1	3	4	0	**37.50**
4	Rate usefulness of curriculum for applying your knowledge to assess societal, health and safety issues.	0	1	4	3	0	**25.00**

Following inferences are drawn from the ratings given by students to above parameters.

Parameter 1: Most of the faculty members are not satisfied with the relevance of the curriculum with the recent industrial developments.

Parameter 2: Faculty members do not agree with the usefulness of the curriculum for pursuing higher studies.

Parameter 3: NPS is below 75. Most of the teachers are not satisfied with usefulness of curriculum for enhancing skillset to keep pace with cutting-edge tools and simulations used in industry.

Parameter 4: NPS is 25. Usefulness of curriculum for applying knowledge to assess societal, health and safety issues needs to be modified.

B. Remarks/Suggestions for Curriculum enrichment

1. Inclusion of experts talk and videos, value added courses.
2. Include more internship.
3. More skill development experimental tasks can be included.
4. We can include more industry internships.
5. Focus to make curriculum more inclusive of societal needs and welfare needs to be focussed on.
6. We should not simply try to imitate curriculum of other reputed universities. Our needs are different, our students are different.

3. Alumni Feedback

1. Was Institute's teaching -learning Process (curricular, co-curricular activities) useful to you in your profession?

Total no. of Responses: 37

Yes (No. of Responses received)	No (No. of Responses received)	Can't Say (No. of Responses received)
34	01	02

2. Which Skillsets (courses, training) and toolsets (Software etc..) do you think your VIT should have been offered?

- Strengthening basic/core fundamentals
- Industrial Knowledge
- More exposure to research options
- Advance Excel, AutoCAD
- SQL, and data base management
- FEA, Regulatory and Quality knowledge for medical devices
- Medical device regulatory
- Analyst related software (Tableu, R) for healthcare student because many Healthcare IT company has perquisites & it is useful to student also.
- Skillset which is more required to get job in core for e.g, companies like siemens, Philips ask skills like c++, c# for development of software of their medical equipments. Such skills should be provided along with the normal required curriculum.
- More hands-on approach than theoretical. Teach solid works which is widely used in industry. Teach some of the manufacturing/mechanical engineering related courses in biomedical engineering.
- Industrial training helps most.... institute arrange workshop where students learn how to repair machines how machines work so student make a machine prototype in their final project...it helps to promote make in India campaign. Type,
- Should be more research oriented.
- Medical equipment Practical knowledge,
- Life science topics like basics of Gene, cell and molecular biology should be included in BIOM syllabus. Outside India, "Biomedical engineering" includes these concepts. Our Indian students whengo there, feel left out and slightly incompetent.
- Technical and management skills.

3. Did the Institute's Extra-curricular activities help you in your holistic development?

Total no. of Responses: 37

Yes (No. of Responses received)	No (No. of Responses received)	Can't Say (No. of Responses received)
32	01	04

4. Did the Institute provide you with required placement opportunities / assistance?

Total no. of Responses: 37

Yes (No. of Responses received)	No (No of Responses received)	Can't Say (No. of Responses received)
27	05	05

5. Would you like to contribute, in any way, in improving the placements at your VIT?

Total no. of Responses: 37

Yes (No. of Responses received)	No (No. of Responses received)
23	14

6. Is Institute's Academic infrastructure (Faculty, Labs) conducive for learning

Total no. of responses: 35

Yes (No. of Responses received)	No (No. of Responses received)	Can't Say (No. of Responses received)
31	01	03

7. Is the Institute's Physical infrastructure conducive for learning.

Total no. of Responses: 37

Yes (No. of Responses received)	No (No of Responses received)	Cant Say (No. of Responses received)
36	00	01

8. Please Rate your VIT experience

Total no. of Responses: 37

Exceeded Expectations (No. of Responses received)	Met expectations. (No. of Responses received)	Below expectations. (No. of Responses received)
08	29	00

9. Which processes (academic, administrative etc.) / best practices from other Universitiesand Industries do you believe should be implemented in your VIT campus?

- 3KTs = drop
- Industrial Exposure is Must for any student to succeed. I am meeting students on field of all collegesincluding VIT. The lack of practical knowledge is missing on them as compared to other colleges.
- More lab-based courses, opportunities for internships, student exchange programs, research-orientedseminars like how to do a proper literature survey and read research articles, mental health awareness.
- More industrial visits or basic internship to students in the final year so that they can obtain a littlemore practical exposure and learn things in better and more detailed manner.
- The need for individualistic assignments and tests for plagiarism. More of continuous assessment.
- Teacher can design the curriculum of their subject,
- Industry co-ops or internships during the academic year.
- Practicals and industrial training.
- Equipment Hands on experience
- Research opportunities should be offered and encouraged more. VIT can make sessions and platforms for Students and their parents to inculcate the idea that earning huge packages and immediately money/success doesn't help in life in the long run and Research too is an option in their career.

10. Would you like to contribute to the below activities?

A: Feedback on Curriculum

Total No. of response: **80**

NPS Threshold for the year 2023: **75**

Sr. No.	Parameters	Poor (0)	Not quite Satisfactory (1)	Satisfactory (2)	Good (3)	Excellent (4)	NPS
		Detractor		**Passive**	**Promotor**		
1	Rate the relevance of curriculum to functional areas of management.	1	2	12	38	27	**78**
2	Rate usefulness of course contents for enhancing analytical and technical skills of students.	0	1	17	41	21	**76**
3	Rate usefulness of syllabus to students for Industry-Institute Interaction (Industrial Visits, Guest Lecture, Technical Sessions, Workshops etc.	1	2	19	35	23	**69**
4	Rate usefulness of curriculum to students for applying their knowledge to assess societal, health and safety issues.	0	5	16	36	25	**70**

Following inferences are drawn from the ratings given by students to above Parameters.

1. **Parameter No 1**: Majority students are satisfied with the relevance of syllabus to the functional areas of management.
2. **Parameter No 2**: Majority of students consider the usefulness of course contents satisfactory for enhancing analytical and technical skills of students.
3. **Parameter No 3**: The NPS is below threshold but students consider the usefulness of syllabus satisfactory for Industry-Institute Interaction in the form of Industrial Visits, Guest Lecture, Technical Sessions, Workshops etc.
4. **Parameter No 4**: The NPS is below threshold but students consider the usefulness of curriculum satisfactory for applying their knowledge to assess societal, health and safety issues.

Stakeholder Feedback

Academic Year: (2022-23)

Programme: Masters in management studies

1. Analysis of Student Feedback

B. Feedback on other aspects

Total No. of response: **80**

NPS Threshold for the year 2023: **75**

Sr. No.	Parameters	Poor (0)	Not Quite Satisfactory (1)	Satisfactory (2)	Good (3)	Excellent (4)	NPS
		Detractor		**Passive**	**Promotor**		
1	Placement and Career opportunities provided by the Institute	9	16	21	23	11	**11**
2	Classroom Infrastructure	1	1	17	39	22	**74**
3	Library and Reading Room Facility	0	0	11	38	31	**86**
4	Internet and Wi-Fi Facility	15	12	21	26	6	**6**
5	Canteen Facility	2	5	21	38	14	**56**
6	Sports and Cultural Activities	0	4	15	42	19	**71**

Following inferences are drawn from the ratings given by students to above Parameters.

1. **Parameter No 1:** Many students rated the placement and career opportunities provided by the Institute not quite satisfactory hence the NPS is below threshold.
2. **Parameter No 2:** Majority of the students have rated classroom infrastructure satisfactory, but the NPS is slightly below the threshold.
3. **Parameter No 3:** Majority of the students have rated Library and Reading Room Facility excellent.
4. **Parameter No 4:** Majority of the students are not satisfied with Internet and Wi-Fi Facility hence the NPS is below threshold.
5. **Parameter No 5:** Majority of the students rated canteen facility satisfactory, but the NPS is below threshold.
6. **Parameter No 6:** Majority of the students rated Sports and Cultural Activities satisfactory.

Stakeholder Feedback

Academic Year: (2022-23)

Programme: Masters in management studies

1. Analysis of Student Feedback

C. Remarks/Suggestions

1. Any remark or suggestion on curricular Gaps, Content delivery, Value added /Bridge Courses, Placements, Projects etc.

- More focus on placements
- Have industrial visits.

2. Would you like to recommend Vidyalankar Institute Technology to other students (Yes / No): _____

Remarks on Recommendation	No. of Responses out of 80	Percentage
Yes	66	82%
No	14	18%

a) List the reasons for recommendation:

- Excellent teaching
- Good professors are there
- Good faculty and good campus overall teaching is very good
- Good infrastructure
- Supportive teaching staff

b) List the reasons for non-recommendation

- Poor placement opportunities
- Full time placement officer

3. Where can we improve further? (Select Anyone)

Total No. of Responses: 75

Sr. No.	Process	No. of Response
1	Examination and Evaluation Process	03
2	Extra-Curricular Activities	10
3	Infrastructure and facilities	01
4	Teaching-Learning Process	06
5	Training and Placement Activities	55

2. Analysis of Teacher Feedback

A: Feedback on Curriculum

Total No. of response: **06** NPS Threshold for the year 2023: **75**

Sr. No.	Parameters	Poor (0)	Not Quite Satisfactory (1)	Satisfactory (2)	Good (3)	Excellent (4)	NPS
		Detractor		**Passive**	**Promotor**		
1	Rate the relevance of syllabus to the applied functional areas of Management	00	00	01	04	02	**100**
2	Rate usefulness of course contents for enhancing analytical and technical skills of students	00	00	00	03	03	**100**
3	Rate usefulness of curriculum to students for Industry-Institute Interaction (Industrial Visits, Guest Lecture, Technical Sessions, Workshops etc.	00	00	00	05	01	**100**
4	Rate usefulness of curriculum to students for applying their knowledge to assess societal, health and safety issues	00	00	02	04	00	**67**

Following inferences are drawn from the ratings given by students to above Parameters.

1. **Parameter No 1:** All the teachers are satisfied with relevance of syllabus to syllabus to the applied functional areas of Management**.**
2. **Parameter No 2:** All the teachers rated usefulness of course contents good for enhancing analytical and technical skills of students.
3. **Parameter No 3:** All the teachers rated usefulness of curriculum good for students for Industry-Institute Interaction Industrial Visits, Guest Lecture, Technical Sessions, Workshops etc**.**
4. **Parameter No 4:** All the teachers are satisfied with the usefulness of curriculum to students for applying their knowledge to assess societal, health and safety issues.

2. Analysis of Teacher Feedback

B. Remarks/Suggestions for Curriculum enrichment

- There has to be more Industrial Visits

3. Analysis of Alumni Feedback

1. Was Institute's teaching -learning Process (curricular, co-curricular activities) useful to you in your profession?

Total no. of Responses:

Yes (No. of Responses received)	No (No. of Responses received)	Can't Say (No. of Responses received)
31	04	00

2. Which Skillsets (courses, training) and toolsets (Software etc..) do you think your VIT should have been offered?

Advance Excel, Behavioral Training, Team Building & more session to enhance interactions, Digital Marketing, SAP training, Case studies

3. Did Institute's Extra-curricular activities help you in your holistic development

Total no. of Responses:

Yes (No. of Responses received)	No (No. of Responses received)	Can't Say (No. of Responses received)
29	2	4

4. Did the Institute provide you with required placement opportunities / assistance?

Total no. of Responses:

Yes (No. of Responses received)	No (No of Responses received)	Can't Say (No. of Responses received)
16	13	6

5. Would you like to contribute, in any way, in improving the placements at your VIT?

Total no. of Responses:

Yes (No. of Responses received)	No (No. of Responses received)
31	4

Stakeholder Feedback

Academic Year: (2022-23)

Programme: Masters in management studies

6. Is Institute's Academic infrastructure (Faculty, Labs) conducive for learning

Total no. of responses:

Yes (No. of Responses received)	No (No. of Responses received)	Can't Say (No. of Responses received)
29	3	2

7. Is the Institute's Physical infrastructure conducive for learning.

Total no. of Responses:

Yes (No. of Responses received)	No (No of Responses received)	Cant Say (No. of Responses received)
33	0	2

8. Please Rate your VIT experience

Total no. of Responses:

Exceeded Expectations (No. of Responses received)	Met expectations. (No. of Responses received)	Below expectations. (No. of Responses received)
6	27	2

9. Which processes (academic, administrative etc.) / best practices from other Universities and Industries do you believe should be implemented in your VIT campus?

- Better opportunities for placement
- More internships, practical projects and hands on experience
- Administrative
- More guest lectures / Industry experts
- Case Study with current market scenarios to be conducted more often

10. Would you like to contribute to the below activities?

Activity	**No. of Responses**
As a Guest speaker	15
Conduct Workshops-Seminars	7
As Jury member	6
Provide Internships	1
Provide Placement opportunities	11
Provide Career counselling for Higher education	3
Setting up a Startup	2

Mentor Students	14
Any other	9

11. Would you recommend Vidyalankar Institute of Technology to other students?

Total no. of Responses:

Yes (No. of Responses received)	No (No of Responses received)
33	02

12. Are you registered on Vidyalankar Alumni Portal: Almashine?

Total no. of Responses:

Yes (No. of Responses received)	No (No of Responses received)
16	19

Employers' Feedback

Academic Year: (2022-23)

Employer Feedback Analysis

A: Feedback on Technical Skills

Total No. of response: 13 NPS Threshold: **75**

Sr.No.	Parameters	Poor (0)	Not quite Satisfactory (1)	Satisfactory (2)	Good (3)	Excellent (4)	NPS
		Detractor		**Passive**	**Promotor**		
1	Analytical Skills / Problem analysis	0	0	0	9	4	**100**
2	Engineering knowledge	0	0	0	11	2	**100**
3	Dealing with Complex Issues	0	0	2	9	2	**84.61**
4	Latest Trends and Tools	0	0	1	9	3	**92.30**
5	Project Management	0	0	2	9	2	**84.61**
6	Environment and sustainability	0	0	1	9	3	**92.30**

The feedback is received from 13 employers. All the employers are satisfied about the technical skills of the students. Maximum number of employers is of opinion that students are good in analytical skills and Engineering knowledge.

B: Feedback on Behavioral skills

Total No. of response: 13

Sr.No.	Parameters	Poor (0)	Not quite Satisfactory (1)	Satisfactory (2)	Good (3)	Excellent (4)	NPS
		Detractor		Passive	Promotor		
1	Decision Making	0	0	2	7	4	**84.61**
2	Interpersonal Skills	0	1	1	8	3	**76.92**
3	Team Work	0	0	2	4	7	**84.61**
4	Learning implementations	0	0	2	5	6	**84.61**
5	Ethics	0	0	1	7	5	**92.30**
6	Initiative	0	0	1	7	5	**92.30**

All the parameters are above threshold and most of the employers are satisfied with decision making capability of students, learning implementations, initiative, and ethical values of students.

C. Employers' Feedback: Comments/Remarks

- Candidate is overall good.
- Good pool of students available.
- Overall Good.
- We look forward to have Great career growth.
- The batch has a good learning attitude, decent fundamental knowledge, and good attitude towards work.

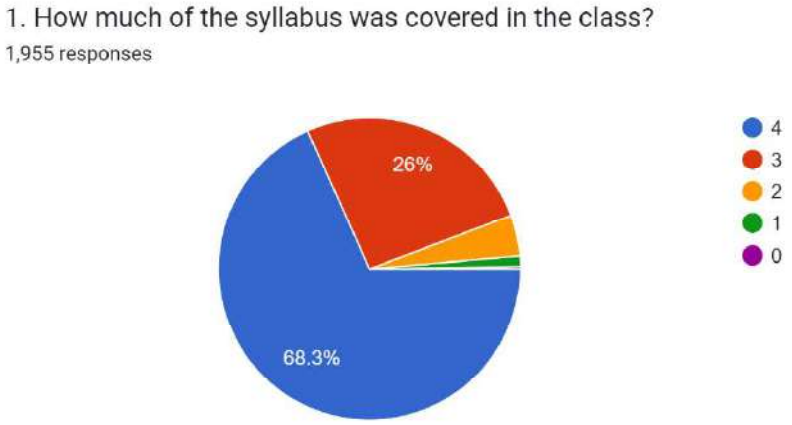
Student Satisfaction Survey Quantitative Analysis: 2022-23

1. How much of the syllabus was covered in the class?

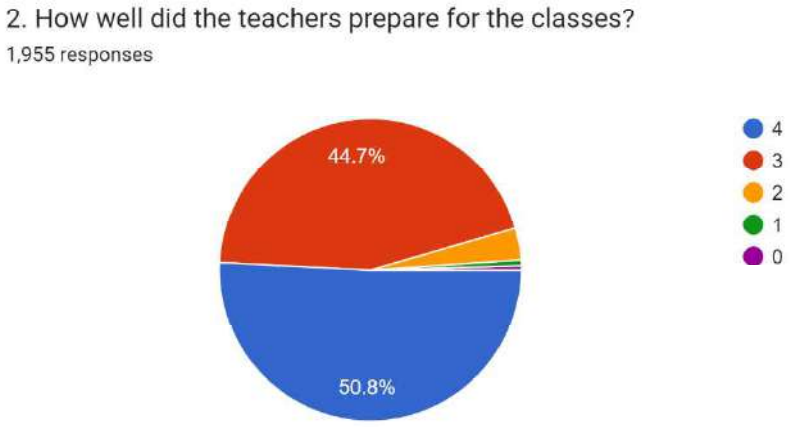
	# of students	Percentage
Below 30% (0)	5	0.3%
30 to 54% (1)	22	1.1%
55 to 69% (2)	84	4.3%
70 to 84% (3)	509	26%
85 to 100% (4)	1335	68.3%



Principal
Vidyalankar Institute of Technology
Antop Hill, Wadala (E), Mumbai-37.

2. How well did the teachers prepare for the classes?

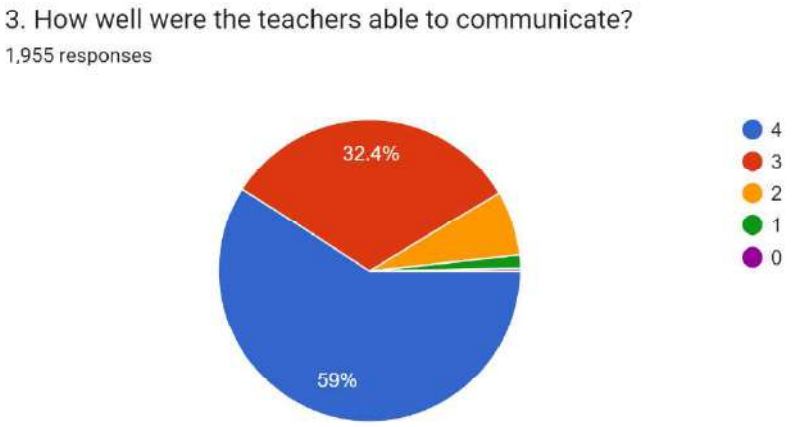
	# of students	Percentage
Won't teach at all (0)	9	0.5%
Indifferently (1)	12	0.6%
Poorly (2)	67	3.4%
Satisfactorily (3)	874	44.7%
Thoroughly (4)	993	50.8%



Principal
Vidyalankar Institute of Technology
Antop Hill, Wadala (E), Mumbai-37.

3. How well were the teachers able to communicate?

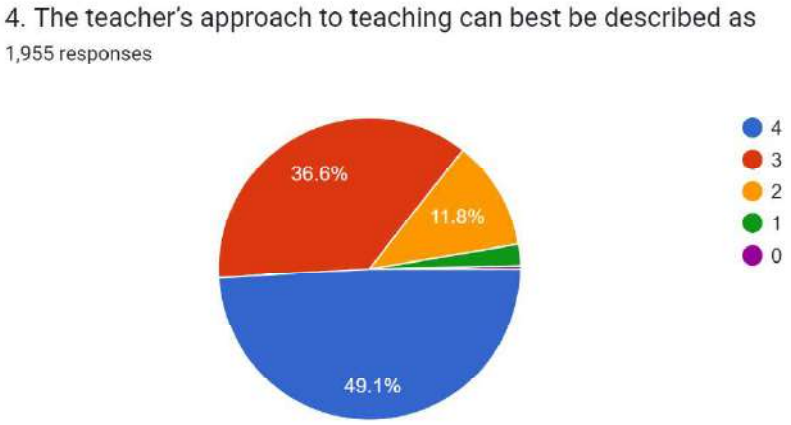
	# of students	Percentage
Very poor communication (0)	6	0.3%
Generally ineffective (1)	27	1.4%
Just satisfactorily (2)	134	6.9%
Sometimes effective (3)	634	32.4%
Always effective (4)	1154	59%



Principal
Vidyalankar Institute of Technology
Antop Hill, Wadala (E), Mumbai-37.

4. The teacher's approach to teaching can best be described as

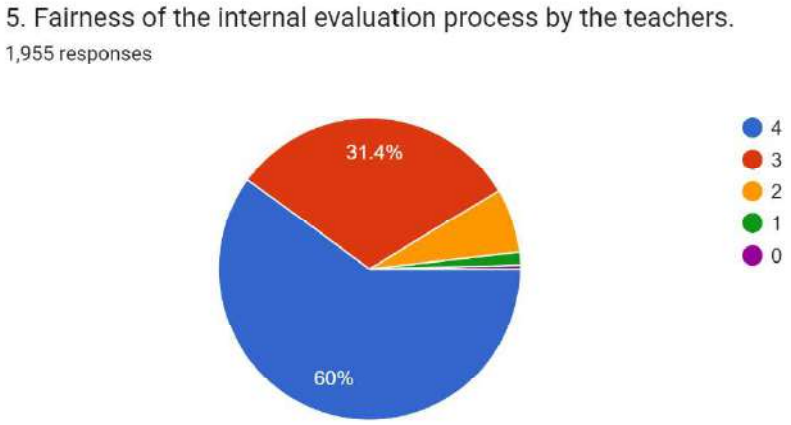
	# of students	Percentage
Poor (0)	7	0.4%
Fair (1)	44	2.3%
Good (2)	230	11.8%
Very Good (3)	715	36.6%
Excellent (4)	959	49.1%



Principal
Vidyalankar Institute of Technology
Antop Hill, Wadala (E), Mumbai-37.

5. Fairness of the internal evaluation process by the teachers.

	# of students	Percentage
Unfair (0)	8	0.4%
Usually unfair (1)	27	1.4%
Sometimes unfair (2)	133	6.8%
Usually fair (3)	614	31.4%
Always Fair (4)	1173	60%



Principal
Vidyalankar Institute of Technology
Antop Hill, Wadala (E), Mumbai-37.

6. Was your performance in assignments discussed with you?

	# of students	Percentage
Never (0)	54	2.8%
Rarely (1)	96	4.9%
Occasionally (2)	264	13.5%
Usually (3)	655	33.5%

Action Plan for Student Satisfaction Survey – INFT Dept
Based Quantitative Analysis **Date: 13/06/23**

Quantitative Analysis is carried out separately for the first 20 questions of Student Satisfaction Survey using Net Promoter Score (NPS).

Net promoter is metric used to find stakeholders satisfaction level which can be used to predict institutional growth and to take corrective measures to improve process if needed.

Not at all likely **Neutral** **Extremely likely**

(0)	(1)	(2)	(3)	(4)
Detractor		**Passive**	**Promotor**	

Respondents are grouped as follows:

- **Promoters** (score 3-4) are loyal enthusiasts who will refer others, fuelling growth.
- **Passives** (score 2) are satisfied but unenthusiastic who are vulnerable to competitive offerings.
- **Detractors** (score 0-1) are unhappy who can damage your brand and impede growth through negative word-of-mouth.

NPS (Net promotors Score) **=** % Promotors - % Detractor
NPS range from -100 to 100

All responses are converted to the scale of 0 to 4. And then NPS is calculated for each questions' response. Benchmark value of NPS=90% is considered for preparing action plan. If NPS < 90% , then action plan is proposed for that parameter in the respective question.

S. No.	Q. No. along with statement of question	NPS	Actionable Point	Proposed Action Plan for further improvement
1	How much of the syllabus was covered in the class?	87.02	100 % Syllabus completion	Rigorous monitoring of syllabus coverage during D1 meeting (every alternate Monday from 17th July till the end of semester).
2	How well did the teachers prepare for the classes?	88.04	Subject preparation by Teachers	Subject allocation to be done at least 15 days prior to the start of semester. Teachers to complete a certification course for the subjects they will be teaching. Enrolment for course to be monitored in first D2 meeting and certificate to be submitted by 2nd week of August, 2023.
3	How well were the teachers able to communicate?	81.68	Communication skills of Teachers	Prof. Bhanu Tekwani to organize workshop on soft skills in the 2nd week of August, 2023.
4	The teacher's approach to teaching can best be described as	64.89	Teaching approach	Teachers to have a discussion with Cluster mentors to adopt an effective approach and teaching methodology. This activity to be completed before 17thJuly, 2023 during the Cluster

				workshop and will be monitored during preview.
5	Fairness of the internal evaluation process by the teachers.	84.73	Fairness of the internal evaluation	CR/DCR to be educated about the fair evaluation practices followed by teachers. Meeting with CR/DCR to be conducted on 15th of each month from August to October 2023.
6	Was your performance in assignments discussed with you?	55.73	Discussion of performance in Assignments.	To be monitored by Academic coordinators in meeting with CR/DCR (15th of each month from August to October 2023).
7	The institute takes active interest in promoting internship, student exchange, field visit opportunities for students.	50.64	Promotion of field visit opportunity	Prof. Samuel Jacob to arrange a field visit for students (AR/VR) in the last week of September.
8	The teaching and mentoring process in your institution facilitates you in cognitive, social and emotional growth.	59.29	Mentor-Mentee meetings	Every mentor to conduct minimum of 3 meetings with the assigned mentee group. Mentor meetings to be conducted in last week of July, August and September 2023. Regular Interaction of CR/DCR with Academic coordinators and DAO. Meeting with CR/DCR to be conducted on 15th of each month from August to October 2023. This activity to be monitored by Prof. Ajitkumar Khachane during D2 meeting.
9	The institution provides multiple opportunities to learn and grow.	75.83	Learning and Development activities	Internships and project opportunities to be provided to students through MoUs signed with YPP Technologies and MSS Pvt Ltd. This activity to be initiated by Prof. Vinita Bhandiwad in the 3rd week of July, 2023 and to be monitored during D2 meeting.
10	Teachers inform you about your expected competencies, course outcomes and programme outcomes.	70.99	Awareness about CO, PO and PSO among students	Teachers to discuss CO, PO and PSO in the first lecture. This will be monitored in the first meeting (14th August 2023) of CR/DCR with Academic coordinators.
11	Your mentor does a necessary follow-up with an	60.56	Scheduled task planning report generation	Every mentor to conduct minimum of 3 meetings with the assigned mentee group and take a follow-up of assigned tasks. Mentor meetings to be

	assigned task to you.			conducted in last week of July, August and September 2023. This activity to be monitored by Prof. Ajitkumar Khachane during D2 meeting.
12	The teachers illustrate the concepts through examples and applications.	75.06	Teaching methodology	Teachers to seek guidance from their respective cluster mentors. This activity to be completed before 17thJuly, 2023 during the Cluster workshop and will be monitored during preview.
13	The teachers identify your strengths and encourage you with providing right level of challenges.	57.76	Encouraging students	Teachers to organize various types of competitions in their class and based on their performance students will be guided to participate in various external competitions. This activity to be conducted in first week of October, 2023 for subjects that have Mini Project in curriculum.
14	Teachers are able to identify your weaknesses and help you to overcome them.	45.04	Mentoring for overcoming weaknesses of the students	The teacher to assess the student's weakness (as per the metrics in the Course diary) and to discuss with respective mentors during D2 meeting (every alternate Monday from 17th July till the end of semester). This activity to be monitored by Prof. Ajitkumar Khachane.
15	The institution makes effort to engage students in the monitoring, review and continuous quality improvement of the teaching learning process.	71.50	Improvement of Teaching Learning Process	CR/DCR to be educated about the processes followed by Department to improve the quality of Teaching Learning process during their first meeting (14th August, 2023) with Academic coordinator.
16	The institute/ teachers use student centric methods, such as experiential learning, participative learning and problem-solving methodologies for enhancing learning experiences.	72.26	Enhancing learning experiences of students	CR/DCR to be educated about the various methodologies that are followed by Department to enhance learning experiences of students in their first meeting (14th August, 2023) with Academic coordinators.
17	Teachers encourage you to participate in	65.65	Motivate students to participate in	Teachers/Mentors to encourage students to participate in State/ National/ International level competitions and social activities. Prof.

	extracurricular activities.		extracurricular activities	Rohit Barve will monitor this activity during D2 meeting (every alternate Monday from 17th July till the end of semester).
18	Efforts are made by the institute/ teachers to inculcate soft skills, life skills and employability skills to make you ready for the world of work.	67.43	Improvement of Soft skills	Prof. Akshay Loke to share learning resources about soft skills, life skills and employability skills with students. This activity to be completed by 21st July, 2023.
19	What percentage of teachers use ICT tools such as LCD projector, Multimedia, etc. while teaching.	84.99	Usage of ICT tools	Teachers to use Presentations, animations, etc. to explain concepts.
20	The overall quality of teaching-learning process in your institute is very good.	76.84	Overall quality of Teaching learning process	Teachers to put continuous effort to improve overall quality of teaching-learning process. BSA activities will be monitored during D2 meeting by Academic coordinators.

Sr. No.	Q. No. along with statement of question	NPS	Actionable Point	Proposed Action Plan for further improvement	Suggested activities
1	Q6. Was your performance in assignments discussed with you?	75.79	Individualized Feedback	• Avoid generic feedback and instead focus on providing personalized comments for each student. • Highlight their specific achievements and suggest actionable steps to enhance their performance.	• Requested department faculty to avoid generic feedback and instead focus on providing personalized comments for each student. • Requested department faculty to highlight their specific achievements and suggest actionable steps to enhance their performance
			Regular Discussions	• Schedule periodic one-on-one or small group discussions with student	

			Student Reflection	• Encourage students to reflect on their assignment performance independently. Ask them to evaluate their work, identify areas where they struggled, and propose strategies for improvement.	
2	Q7. The institute takes active interest in promoting internship, student exchange, field visit opportunities for students.	77.24	Clear Communication	• Ensure that students are well-informed about the available internship, student exchange, and field visit opportunities. • Provide comprehensive information about the application process, eligibility criteria, and benefits of participating in these programs.	• Tie-up with the intern-shala • Promotion of in-house internship • Assigned 3 credits for internship
			Collaboration with Industry Partners	• Strengthen ties with industry partners and organizations to expand the range of internship opportunities available to students. • Actively seek partnerships with companies and organizations that align with students' interests and career aspirations. (5 industry partners)	
			Integration into Curriculum	• Incorporate internship, student exchange, and field visit opportunities into the curriculum or as optional courses	
3	Q11. Your mentor does	77.00	Proactive Communication	• Encourage mentors to establish regular	• Monthly meeting with all mentors with

	a necessary follow-up with an assigned task to you.			communication channels with their mentees.	HoD and 3 meetings with mentees
			Individualized Approach	• Recognize that each student may require different levels of guidance and follow-up. • Encourage mentors to adapt their approach based on the student's needs, learning style, and preferences.	
4	Q13. The teachers identify your strengths and encourage you with providing right level of challenges.	76.76	Strength Assessment	• Develop a systematic process for assessing students' strengths, whether it's through self-assessment, teacher observation, or formal assessments	• PBLE for advance learners and sample practice questions for slow learners are provided by the faculty based on the assessment of the students
			Mentorship Programs	• Implement mentorship programs where teachers can work closely with individual students or small groups to identify their strengths, set goals, and provide tailored challenges.	
5	Q14. Teachers are able to identify your weaknesses and help you to overcome them.	70.94	Individualized Assessment	• Implement individualized assessment methods (include formative assessments, diagnostic tests, or self-reflection activities) to identify students' weaknesses.	• Sample practice questions for slow learners are provided by the faculty based on the assessment of the students
			Regular Progress Monitoring	• Establish a system for regular progress monitoring (frequent quizzes, checkpoints, or	

				progress reviews) to track students' performance and identify specific areas of weakness

Action Plan for Student Satisfaction Survey – EXTC Dept
Based Quantitative Analysis Date: 13/06/23

Quantitative Analysis is carried out separately for the first 20 questions of Student Satisfaction Survey using Net Promoter Score (NPS).

Net promoter is metric used to find stakeholders satisfaction level which can be used to predict institutional growth and to take corrective measures to improve process if needed.

Not at all likely **Neutral** **Extremely likely**

(0)	(1)	(2)	(3)	(4)
Detractor		**Passive**	**Promotor**	

Respondents are grouped as follows:

- **Promoters** (score 3-4) are loyal enthusiasts who will refer others, fuelling growth.
- **Passives** (score 2) are satisfied but unenthusiastic who are vulnerable to competitive offerings.
- **Detractors** (score 0-1) are unhappy who can damage your brand and impede growth through negative word-of-mouth.

NPS (Net promotors Score) **=** % Promotors - % Detractor
NPS range from -100 to 100

All responses are converted to the scale of 0 to 4. And then NPS is calculated for each questions' response. Benchmark value of NPS=80 % is considered for preparing action plan. If NPS= < 80 %, then action plan is proposed for that parameter in the respective question.

S. No.	Q. No. along with statement of question	NPS	Actionable Point	Proposed Action Plan for further improvement
1	6. Was your performance in assignment discussed with you?	67.68	Interactive assessment of assignment performance	• Individual student counselling in assignment performance • Inclusion of problem-based assignment • Adherence and confirmation to concept explanation and guidance during practical labs • Faculty will ensure one to one doubt solving in assignments
2	7. The institute takes active interest in promoting internship, student exchange, field visit opportunities for students.	60.37	Facilitation of internships, field visits and industrial projects	• Internship for third year and final year students provided through department • Planning of collaboration with other institute and industries for exchange program execution • Planning of industrial visits and field trips planned every semester • Faculty managed workshops and internships will be initiated for students

				• Hub activities, domain project development activities will be conducted by the faculty
3	8. The teaching and mentoring process in your institution facilitates you in cognitive, social and emotional growth.	77.44	Customized mentoring, Effective remedies to deal with cognitive, social and emotional issues among students	• Interaction by class teachers, academic coordinator, subject teachers with students must be ensured • Conduction of meeting with mentees every 4 weeks and taking feedback from students • Creating student awareness about events happening and being conducted for them by the institute • Mentoring training to the faculty to deal with cognitive, social and emotional behaviour of the student to be arranged
4	11. Your mentor does a necessary follow-up with an assigned task to you.	68.29	Effective & goal-oriented mentoring	• Identification of learning needs of the students should be monitored by the mentor • Mentor should prescribe and devise specific progressive goal as per the mentee's requirement and ensure its timely successful completion • Monitoring of overall performance of the mentee through academic evaluation must be ensured by the mentor • Minimum two mentor meetings must be conducted in every semester • Mentor will monitor the performance of each allocated mentee and keep record for future updates and relevant actions
5	13. The teachers identify your strengths and encourage you with providing right level of challenges.	72.56	Mentoring, programs/ activities for advance learners and encouragements	• Records of student's achievement must be maintained in the department • Students should be motivated to participate in various competitions and technical activities • Faculty and department should plan and conduct technical events including project competitions, coding competitions, innovative skill-oriented workshops etc.

6	14. Teachers are able to identify your weaknesses and help you to overcome them.	62.80	Mentoring, programs and activities for slow learners	• For effective mentoring, small groups of mentees should be assigned to each mentor to improve the individual-reach capacity • Remedial sessions including extra lectures for slow learners need to be arranged and shall be monitored by the drop out committee coordinator • Students should be provided with video lectures from NPTEL, MOOC courses • Every mentor must ensure, identification of specific weakness of the allocated mentee in terms of learning and other behavioural aspects and devise appropriate action plan for its solution
7	15. The institution makes effort to engage students in the monitoring, review and continuous quality improvement of the teaching learning process.	77.44	Laboratory evaluation, continuous internal evaluation method, identification and notification processes	• Department will ensure dissemination of continuous internal evaluation methodology for effective TLP among students • Department will ensure that student know the details of lesson/lecture plan, evaluation methods for exams, internal tests through faculty / student handbook documents • Department will ensure every faculty will conduct the laboratory evaluation through CIE approach • Academic coordinators with class teachers should plan monitoring of student's progress on fixed intervals and brief reports to department • All teachers should actively monitor the performance of students in terms of lab, theory and project executions
8	17. Teachers encourage you to participate in extracurricular activities.	75.61	Student participation in extracurricular activities, faculty involvement in guidance	• Department should motivate student participation in extracurricular and social activities • Department must organize and conduct extracurricular activities to provide platform for the students to showcase their skills

				• NSS activities should be planned to motivate and encourage students to take active participation in societal services and national services • Students should be informed and must be facilitated for pursuing sports activity and competitions held inter and intra college campuses • Department shall ensure conduction regular cultural and extra-curricular activities of students through Friday Pathshala

Action Plan for Student Satisfaction Survey – BIOM Engg.
Based Quantitative Analysis **Date: 13/06/2023**

Quantitative Analysis is carried out separately for the first 20 questions of Student Satisfaction Survey using Net Promoter Score (NPS).

Net promoter is metric used to find stakeholders satisfaction level which can be used to predict institutional growth and to take corrective measures to improve process if needed.

Not at all likely **Neutral** **Extremely likely**

(0)	(1)	(2)	(3)	(4)
Detractor		**Passive**	**Promotor**

Action Plan for Student Satisfaction Survey – INFT Dept
Based Qualitative Analysis **Date: 13/06/23**

Qualitative analysis is based on question no 22 wherein of the Student Satisfaction Survey.
Ques No. 22: Give three observation / suggestions to improve the overall teaching-learning experience in your institution. (3 observations mandatory)

S. No.	Parameter	Remarks /Suggestions by the students	Proposed Action Plan for further improvement
1	Internship opportunities	Make more internship opportunities. Make internships compulsory as a part of the curriculum. Internships should be provided by the college. They should improve the internship opportunities. They should support students to take internships.	MoUs have been signed for providing internships to students. Mentors will encourage students to pursue internship.
2	Competitions	Keeping competitions or quiz for students to demonstrate and explain lab activities. Have more competitions.	Teachers to organize competitions in class. (Mini Project – 2 A Web Based Business Model, IOE, Recent Open Source Project Lab, Data Science Lab, DBMS Lab)
3	Industrial visits	Have more industrial exposure. Field visits can be implemented.	Prof. Samuel Jacob to organize Industrial Visit for AR-VR subject in Last week of September, 2023.
4	Doubt solving sessions	Doubt learning session arrangements required.	All teachers to conduct doubt solving session before MSE and ESE exams.
5	Infrastructure maintenance and improvement	Sometimes PC's don't work and have internet issue. Good teaching, Just improve classrooms, Fix classroom AC and projector AC should be in a working condition	Proposal sent as part of Budget AY2023-24.

Action Plan for Student Satisfaction Survey – CMPN Dept
Based Qualitative Analysis **Date: 13-06-23**

Qualitative analysis is based on question no 22 wherein of the Student Satisfaction Survey.
Ques No. 22: Give three observation / suggestions to improve the overall teaching-learning experience in your institution. (3 observations mandatory)

S. No.	Parameter	Remarks /Suggestions by the students	Proposed Action Plan for further improvement
1	Industrial Visits to be planned	Planning industrial visit	1. The department actively encourages all students to enroll in industry training programs to gain essential practical experience and hands-on fieldwork exposure. 2. The department collaborates with industries to provide specialized training sessions to students, considering the growing demand in the respective fields. Additionally, at least one visit to a renowned industry will be scheduled annually.
2.	Internships	More internships opportunities	1. The department aims to bridge the gap between academia and industry by providing more internship opportunities to students. 2. They plan to identify students' areas of interest and establish connections with relevant industries through MoUs. 3. Additionally, the department will actively seek partnerships with organizations, universities, and companies that offer internship, student exchange, or field visit programs.

VIT Vidyalankar Institute of Technology Accredited A+ by NAAC

Action Plan for Student Satisfaction Survey – EXCS Dept Based Qualitative Analysis **Date: 13/06/2023**

Qualitative analysis is based on question no 22 wherein of the Student Satisfaction Survey.
Ques No. 22: Give three observation / suggestions to improve the overall teaching-learning experience in your institution. (3 observations mandatory)

Sr. No.	Parameter	Remarks /Suggestions by the students	Proposed Action Plan for further improvement
1	Curriculum Development	Keep Application oriented and eliminate irrelevant topics add some new advancements in same topic or subject.	• Analyse the existing curriculum and identify topics that are considered irrelevant by the students. • Update the curriculum by incorporating new advancements and real-world applications of the subjects. • Engage industry professionals as guest lecturers to provide practical insights and examples. • Include case studies and project-based assignments to encourage application-oriented learning.
		Teachers should not focus only on covering the syllabus.	• Encourage teachers to go beyond the syllabus and provide additional resources for further exploration. • Promote a holistic understanding of the subject matter rather than focusing solely on completing the syllabus. • Allocate extra time for in-depth discussions and interactive sessions on selected topics.
		Teachers should not, only emphasize on getting more and more marks in exam rather they prioritize learning.	• Create a supportive environment where students are encouraged to prioritize learning and understanding rather than just earning high marks. • Conduct regular assessments that focus on evaluating conceptual understanding rather than rote memorization.
		More importance should be given to practical learning.	• Enhance the availability and accessibility of well-equipped laboratories for practical experiments and hands-on learning. • Introduce more industry collaborations, internships, or projects that provide practical exposure and foster problem-solving skills. • Organize workshops and seminars to bridge the gap between theoretical knowledge and its practical applications
		Application-based module in a subject	• Develop specific modules within each subject that emphasize practical applications and real-world scenarios. • Incorporate industry case studies, simulations, and practical projects into these modules to enhance student engagement and understanding

Sr. No.	Parameter	Remarks /Suggestions by the students	Proposed Action Plan for further improvement
		Skill based labs provides better experience and can be implemented for all subjects instead of exams	• Establish skill-based labs that cater to various subjects, allowing students to develop practical skills relevant to their field of study. • Collaborate with industry partners to create opportunities for students to work on real-world projects in these labs.
		Use ICT tools and digital game-based learning.	• Encourage the use of Information and Communication Technology (ICT) tools such as interactive presentations, online resources, and educational software. • Incorporate digital game-based learning platforms that offer engaging and interactive learning experiences. • Provide training and support to teachers to effectively integrate these tools into their teaching methods.
		Use the flipped classroom model.	• Implement the flipped classroom model, where students are introduced to the topic through pre-recorded lectures or readings before class. • Utilize classroom time for discussions, problem-solving, and interactive activities that reinforce learning. • Provide students with resources and guidance to explore the subject matter outside of the classroom.
2	Student Development	More guidance about innovation	• Establish an Innovation Cell or Club to foster creativity and innovation among students. • Conduct workshops and seminars on ideation, design thinking, and entrepreneurship. • Provide mentorship and guidance to students interested in pursuing innovative projects.
		Hackathon program in every semester	• Organize regular hackathons, either within the college or in collaboration with other institutions. • Invite industry experts and professionals to mentor and judge the hackathons.
		Teachers encourages to participate in extracurricular activities.	• Encourage teachers to actively support and promote students' participation in extracurricular activities such as technical clubs, sports, cultural events, and community service. • Recognize and appreciate the achievements of students in these activities. • Provide flexibility in the academic schedule to accommodate extracurricular commitments.

Sr. No.	Parameter	Remarks /Suggestions by the students	Proposed Action Plan for further improvement
		Encourage students for doing internships.	• Develop collaborations with industry partners to provide internship opportunities for students. • Establish a dedicated internship cell to assist students in finding suitable internships. • Organize internships fairs and workshops to educate students about the benefits and requirements of internships.
		Try to reach every student and ask for their doubts.	• Implement an open-door policy where teachers make themselves available to students for doubt clarification and discussions. • Conduct regular one-on-one or group sessions to address students' concerns and queries. • Encourage students to actively communicate their doubts and difficulties through a designated platform or during dedicated office hours.
		Projects should be encouraged more.	• Promote project-based learning throughout the curriculum by allocating specific credits or grades to project work. • Provide resources, mentorship, and guidance for students to undertake projects aligned with their interests and career aspirations. • Showcase exemplary student projects and provide platforms to present them within and outside the college.
		The college can take us outside of the college campus to show us onsite working and process.	• Organize industrial visits to relevant companies and sites to expose students to real-world working environments and processes. • Collaborate with industry partners to arrange guest lectures or sessions within their premises.
3	Infrastructure Development	Use better graphics and visual media to engage students well.	• Invest in modern presentation tools and software that allow for engaging visuals and graphics during lectures and presentations. • Provide training and resources to faculty members on how to effectively incorporate multimedia elements into their teaching materials. • Collaborate with design or multimedia experts to develop visually appealing and interactive learning resources.
		The technology used in the college can be improved.	• Conduct an assessment of the existing technology infrastructure and identify areas for improvement.

Sr. No.	Parameter	Remarks /Suggestions by the students	Proposed Action Plan for further improvement
			• Upgrade computer systems, software, and network infrastructure to ensure a seamless learning experience. • Provide access to the latest software tools and technologies relevant to the engineering curriculum.
		Better facilities such as inhouse incubation centres, workshops, and finances for project development can provide an excellent environment for startups.	• Set up in-house incubation centers to support and nurture entrepreneurial ideas and startups. • Provide mentorship, guidance, and resources for students interested in starting their own ventures. • Collaborate with industry experts, successful entrepreneurs, and alumni to offer mentoring and networking opportunities. • Create a supportive ecosystem that encourages innovation, idea validation, and business development. • Establish a funding mechanism or grants specifically dedicated to supporting student projects and startups. • Collaborate with external funding agencies, industry partners, and alumni to create opportunities for financial support. • Offer workshops on entrepreneurship, product development, prototyping, and other relevant topics to foster a startup-oriented mindset.

Action Plan for Student Satisfaction Survey – EXTC Dept
Based Qualitative Analysis **Date: 13/06/23**

Qualitative analysis is based on question no 22 wherein of the Student Satisfaction Survey.
Ques No. 22: Give three observation / suggestions to improve the overall teaching-learning experience in your institution. (3 observations mandatory)

S. No.	Parameter	Remarks /Suggestions by the students	Proposed Action Plan for further improvement
1	Student Development	Improvement in assignment quality and discussion on assignment performance, facilitation of internships, I extracurricular activities	• Assignment must be made on thought provoking-based model • Assignment must be engaging and must ensure thorough involvement of student to prepare it • Faculties must include these assignments in their faculty and student handbook and inform student well before their dissemination • Faculty must discuss the performance of individual students in their assignment through effective interaction • Department though project committee will exercise delivering internships to the students during their semester breaks • Department will ensure planning and conduction of mock viva, group discussion for practice purpose of the students
2	Mentoring Mechanism	Identification of student's strength and weaknesses, implementation of effective teaching-learning methodologies	• Department should effectively plan allocation of mentors to small group of mentees • Mentors shall conduct minimum two meetings with their allocated mentees to understand student needs and their problems • Mentors should prepare report focussing on overall developmental actions that he / she recommends to the allocated mentee • Mentor will also pay special attention to psychological and developmental issues through on campus counsellor • Motivation to the student for certification courses, higher studies including GRE / Gate preparation and related counselling

3	Industrial Exposure	On job training internship, Industrial visit, Field trip should be conducted, more emphasis on skill-based learning	• More no. of internal Internships to work on industrial problems • Industrial visits at Reliance Jio, BSNL, Satellite centre are proposed • Student exchange program with other technical institutes and industries must be initiated • Faculty internship should be initiated and faculty along with students should be trained on the same • Initiating project / research proposal from industries
4	Teaching-Learning Methods	Teachers should focus more on practical based learning rather than only theory, Application based learning in core subject, Focus on practical instead of theory	• Blended teaching methodology will be adopted where emphasis will be given on application-based learning. • Mini projects and PBL experimentation for understanding practical aspects of core subjects. • Sponsored industrial projects to be made available • Implementation of projects replacing conventional lab exercises • Incorporating different pedagogical aspects during lab content delivery

S. No.	Parameter	Remarks /Suggestions by the students	Proposed Action Plan for further improvement
1	Student Development	Academic sessions should be more interactive rather than spoon feeding or overloading of information	• Activity-based learning approach • Adoption of innovative pedagogy • Lab in theory
2	Student Development	Practical aspect should be strengthened	• Identify lab of excellence anywhere in Mumbai with advance technology. Student visit to lab. • Real-life problem-based assignments e.g., Floor plan of home to explain AutoCAD concepts and orthographic projection
3	Faculty Development	Active use of ICT tools and modern teaching technologies should be promoted	Every faculty must list down the ICT tools and innovative pedagogies to be used topic wise in their lecturer guide and implement the same

MEMORANDUM OF UNDERSTANDING

Between

VJTI Technology Business Incubator (VJTI-TBI)

and

Vidyalankar Institute of Technology (VIT)

1. **Introduction**

THIS MEMORANDUM OF UNDERSTANDING ("Memorandum"), dated 27th of February 2023, between Veermata Jijabai Technological Institute - Technology Business Incubator (VJTI-TBI) and Vidyalankar Institute of Technology (VIT), collectively referred to as "the Partners".

2. **Preamble**

WHEREAS, the objective of this MOU is to define a partnership model where Vidyalankar Institute of Technology (VIT) wants to partner with Veermata Jijabai Technological Institute-Business Incubator (VJTI-TBI) to promote Students and Faculty led startups of VIT.

3. **Goal**

To synergize the outreach and funding capabilities of Veermata Jijabai Technological Institute's Technology Business Incubator (VJTI-TBI) where Vidyalankar Institute of Technology (VIT)'s startups will be nurtured and provided with incubation opportunity in VJTI-TBI. VIT's department of management studies will extend support to startups of VJTI-TBI in its domain of expertise.

4. **Role of Veermata Jijabai Technological Institute -Technology Business Incubator (VJTI-TBI)**

- VJTI-TBI will support VIT in its mission to source promising startups and ideas in Technology space.
- VJTI-TBI will provide the VIT startups with funding opportunities, incubation facilities, mentoring guidance, and networking opportunities on case-to-case basis.
- VJTI-TBI will provide access to their labs for VIT Startups / Students, as per the availability.
- VJTI-TBI will invite VIT-students for a tour of their labs as per their convenience.
- VJTI-TBI will extend the opportunity of working on the research and business aspects of VJTI-TBI students' startups and projects to the students of VIT department of management studies, wherever possible on mutually agreed terms.

5. **Role of Vidyalankar Institute of Technology (VIT)**

- Vidyalankar Institute of Technology (VIT) will promote Veermata Jijabai Technological Institute - Technology Business Incubator (VJTI-TBI) in college and its alumni network.
- Vidyalankar Institute of Technology (VIT) will invite Veermata Jijabai Technological Institute Technology Business Incubator (VJTI-TBI) for conducting sessions in college.
- VIT startups and students will follow the selection procedures of VJTI TBI. Vidyalankar Institute of Technology (VIT) will follow the timelines provided by Veermata Jijabai Technological Institute Technology Business Incubator (VJTI-TBI).
- There is no commercial or legal obligation from Vidyalankar Institute of Technology (VIT) to Veermata Jijabai Technological Institute - Technology Business Incubator (VJTI-TBI) and also no commercial or legal obligation from Veermata Jijabai Technological Institute - Technology Business Incubator to Vidyalankar Institute of Technology.
- Veermata Jijabai Technological Institute Technology Business Incubator (VJTI-TBI) will mentor startup pre-incubation at Vidyalankar Institute of Technology (VIT) wherever possible.

- Veermata Jijabai Technological Institute - Technology Business Incubator (VJTI-TBI)'s logo shall be displayed on the promotional materials, leaflets, etc. related to the proposed initiative.
- Vidyalankar Institute of Technology (VIT) should display a banner with Veermata Jijabai Technological Institute - Technology Business Incubator (VJTI-TBI) as partner in the incubation setup by VIT.

6. **Use of Intellectual Property**

The parties agree that any intellectual property, which is jointly developed through activities covered under this MoU, can be used by either party for non-profit, non-commercial purposes without obtaining consent from the other and without any need to account to the other.

All other intellectual property used in the implementation of the MoU will remain the property of the party that provided it. Either party for purposes covered by the MoU can use this property but prior consent will be obtained from the owner of the property before using it for purposes not covered by the MoU.

7. **Effective dates and amendments.**

This MoU shall take effect upon signing by both Parties. Neither party may assign or transfer all or any portion of this MOU without the prior written consent of the other party.

The provisions of this MoU may only be amended or waived by mutual written agreement by both Parties.

The individuals signing this MoU on behalf of their respective entities represent and warrant (without personal liability therefor) that upon the signature of each, this MoU shall have been duly executed by the entity each represents

8. **Transfer of funds.**

The parties acknowledge and agree that this MoU does not create any financial or funding obligation on either party.

9. No Joint Venture

Notwithstanding the terms "Partners" and "Partnership", the Partners agree that they are not entering into a Legal Partnership, joint venture or other such business arrangement, nor is the purpose of the Partners to enter into a commercial undertaking for monetary gain. Neither Partner will refer to or treat the arrangements under this MoU as a Legal Partnership or take any action inconsistent with such intention.

10. Non-disclosure of confidential information

Confidential Information: Veermata Jijabai Technological Institute Technology Business Incubator (VJTI-TBI) and Vidyalankar Institute of Technology (VIT) may from time to time, and at their sole discretion, disclose to the other certain Confidential Information for the sole purpose of this Agreement. Veermata Jijabai Technological Institute Technology Business Incubator (VJTI-TBI) and Vidyalankar Institute of Technology (VIT) mutually agree to hold such Confidential Information in strict confidence and such Confidential Information shall not be disclosed to any other person other than in connection with Veermata Jijabai Technological Institute Technology Business Incubator's support for Vidyalankar Institute of Technology (VIT) under this MOU.

11. Entirety

This MOU embodies the entire and complete understanding and agreement between the Partners and no amendment will be effective unless signed by both Partners.

12. Term

Unless terminated by either parties in accordance with the provisions of this Agreement, this Agreement shall be for a period 1 year ("the Period") and can be extended basis on mutual written consent of both parties at the end of 1st year.

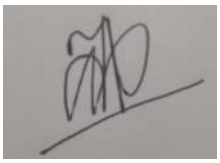
13. General Indemnification

Subject to the provisions of, and limitations contained in this agreement, VIT shall upon demand indemnify, hold harmless and defend VJTI - TBI and its respective trustees/directors, officers

and employees from and against any claim, loss (including reasonable legal costs and expenses on a full indemnity basis) or liability incurred or suffered by any of the aforementioned indemnified persons arising out of or in connection with this Agreement, or arising from any suit, action or proceeding by any third party against any of the indemnified persons, to the extent such claim, loss or liability was caused by any willful, gross negligence of VIT and/or its employees and/or its representatives/nominees/promoters/directors and/or any or all of the above.

FOR Veermata Jijabai Technological Institute- Technology Business Incubator

Dr. Anita S. Diwakar
CEO, VJTI-TBI
Date 27 February, 2023



FOR Vidyalankar Institute of Technology
Mr. Nilesh Deshpande
Assistant Professor, MMS
Head-Institute of Innovation Council,
Vidyalankar Institute of Technology

Date 27 February, 2023

Dr. Saurabh Mehta
Chief Academic Officer,
Vidyalankar Institute of Technology

Date 27 February, 2023
