Subject: Sample Question Papers for KT examination starting from 2nd December 2020.

Dear all,

Sample question papers for the KT examination starting from 2nd December 2020 are to be uploaded on the college website in a day or two.

Sample question papers for TE and BE are the same which we have uploaded for the last KT examination held in October 2020(examination cell will take care of that). We need to prepare the sample question papers for all the subjects of SE(R2012 & R2016).

Faculty members taking the subjects for SE need to prepare and submit the sample question papers to Prof. Uma Jayshankar. The format for the preparation of the sample paper is attached herewith. In the case of multiple faculty members involved in one subject, they will have to seat together and set the sample question paper and submit.

@Prof. Uma Jayshankar: Please coordinate with the faculty members and submit the set of question papers (R2012 & R2016) to the examination cell by tomorrow EOD.

Thanks and Regards,

Dear Sir/Madam,

(Please do not use 'Reply All' while replying to this mail)

As you are aware, the University of Mumbai has scheduled the backlog (KT) examination for the Semesters 4, 6 and 8 for both CBSGS (R-2012) and CBCGS (R-2016) schemes.

This examination will be conducted online between December 23, 2020 to January 06, 2021.

This mail is regarding the setting-up of Question Paper for this examination.

The panel for setting-up the question paper for this subject is attached.

It is requested to the Convener of each panel to conduct an online meeting at the earliest.

Please note the following important instructions regarding this task:

1. As per the rules of UoM, the panel members must maintain confidentiality in this matter.
2. The structure of the question paper will be as follows:

Q1 will have Multiple Choice Questions (MCQ) of 2 marks each. Each question will have 4 options out of which only one must be correct.

Q2 and Q3 will have descriptive sub-questions of either 5 marks or 10 marks each.

3. The question paper will be of total 80 Marks and Two hours duration. Out of which 40 marks will be of 20 MCQs carrying two marks each covering the entire syllabus. Remaining two questions carrying 20 marks each (Total 40 marks) will be subjective/descriptive in nature of 5 or 10 marks as per the requirement of the subject/course and covering the entire syllabus.

4. However in some subjects (as per the syllabus scheme), the question paper will be of total 60 Marks and One and Half hours duration. Out of which 30 marks will be of 15 MCQs carrying two marks each covering the entire syllabus. Remaining two questions carrying 15 marks each (Total 30 marks) will be subjective/descriptive in nature of 5 or 10 marks as per the requirement of the subject/course and covering the entire syllabus.

The detailed instructions are given in the attached QP template.

5. In MCQs, please avoid the choices like 'all of the above/below' or 'none of the above/below' as the options may get shuffled for students.

6. For the descriptive questions involving numericals, please add the important steps and final answer at the end of the answer key document.

7. Each panel has to submit 2 (TWO) different question papers for a subject along with the answer key. Please use the attached templates only. Please add the subject name and other details and rename the files as mentioned. **Please use 'ELEX' as the branch name.**

8. The distribution of questions on each module should be as per its weightage in the syllabus.

9. Please check the correctness of the questions and data in the question paper and answer key carefully.

10. It is the responsibility of the Convener to get these 2 question papers moderated (among the panel members).

11. It is the responsibility of the convener to make sure that all the question papers are error-free and the same are set as per the syllabus.

12. The convener will mail the 2 question papers and their respective 2 answer keys (both doc and pdf files) to this email address (electronics.exams@rait.ac.in) LATEST by December 14, 2020.

13. The convener will be the point of contact in case of any corrections during the examination.

Please feel free to contact me in case of any queries.

Thank you for the cooperation and support.

Dear Sir/Madam,

In continuation to my yesterday's mail, please note the following additional instructions regarding the setting up of question papers:

1. There should not be any ambiguity in the questions and the options. Only one option should be the Correct Answer.
2. Ensure that the same question is not repeated again in a question paper.
3. **Out of 25 questions, 13 questions can be under the 'Simple' category, 7 questions can be under the 'Moderate' category, and the remaining 5 questions can be under the 'Difficult' category.**

Please set the question papers accordingly.

Thank you.
