**9:15am - 10am:** Breakfast.

**10:15 am – 11:30 am(Rally):** The NSS volunteers conducted a rally for spreading awareness on cleanliness and its benefits with the help of Primary School Students of Khariwali. The rally helped the villagers to acknowledge the need for cleanliness and fight the major disease haunting the villagers, that is, dengue. The rally also had a positive impact on the villagers as their own children participated in it enthusiastically. The children were given a few posters by the volunteers and they also brought their own posters supporting the cause of the rally.

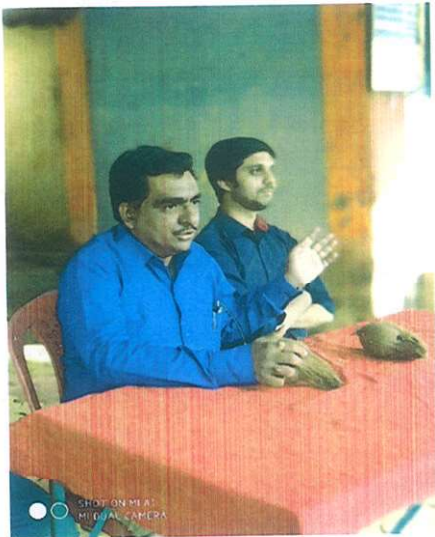

**11:30am – 12.30pm:** The volunteers then had a conversation with the school children and thanked them for showing great interest in their cause for the welfare of the whole village.

**12.30pm – 2.15pm:** Bath and Lunch.

**2:15pm – 3:00pm (Lecture arrangements):** Volunteers made the necessary arrangements for the guest lecture and fulfilled all the requirements listed down by the guest.

**3:00pm – 5:30pm (Guest Lecture):** The volunteers warmly welcomed the Guest Mr. Mandar Tillu. The guest then conducted the lecture on Street Plays and Drama. The volunteers then performed the street play prepared by them. Mr. Tillu then made necessary corrections in our play.

**Benefit:** This helped the volunteers to boost up their confidence as they had to soon perform in front of villagers. This also helped them make the necessary changes and uplift the quality of their play.

**5:30pm – 6pm:** Tea Break.

**6pm – 7pm (Publicity):** The volunteers went to each and every house in their respective groups to invite the villagers to attend the "Sangeet program" (Music Program) held near the village temple by Mr. Mandar Tillu Sir. Also they got the feedback of the Rally conducted in the morning.

**7pm – 8:30pm ("Sangeet"):** At 7:00 all the volunteers and the villagers gathered for the program. Mr. Mandar Tillu Sir along with his companion, pianist and singer Mr. Vaibhav and a local hand drummer took over the stage. The volunteers actively participated in the program. Various genres of music were played and Mr. Vaibhav sang many popular Marathi folk songs. Mr. Tillu kept entertaining the crowd with his own handwritten poems.

**Benefits:** "The program brought the villagers together despite their differences in opinions. It also helped in creating a light environment in the village. The villagers also felt the sense of togetherness with the NSS volunteers."

**8.30pm-9.30pm:** Dinner

**9.30pm-10pm:** Meeting was conducted with team leaders.

**Day 5-Sunday, 07/01/18**

**3.00pm-5.00pm:** Prof. Pravin Garge welcomed the chief guest of the day Mr. Rohidas Sanap. During the speech he spoke about the real meaning of business and entrepreneurship. His words enlightened the NSS volunteers

### Day 7- Tuesday, 09/01/18

**6.00 am-7.15 am:** Yoga and exercise Session was conducted for NSS volunteers

**Benefit:** It helped in warming up the bodies of NSS volunteers so that they can work efficiently for whole day.

**7.30am- Till evening:** All volunteers had a visit to nearby places like Ganeshpuri, Vajreshwari, etc..

**Benefits:** It helped in-

- *understanding local culture*
- *giving little enjoyment and free time to the volunteers after so much of field work*

**6.30pm-8.30pm:** All volunteers got distributed according to their groups and visited each and every home in the village. During the visit they interacted with the village people and tried to get their feedback on the activities conducted during the camp.

**Benefits:** It helped to increase interaction with village people. It helped to get feedback from the villagers about the activities conducted during the camp to improve the quality of work to be conducted in coming years.

**8.30pm-9.30pm:** Dinner

**9.30pm-10pm:** Meeting was conducted with team leaders.

At 10pm all the volunteers went to sleep.

### Day 8- Wednesday, 10/01/18

**6.00 am-7.15 am:** Yoga and exercise Session was conducted for NSS volunteers

**Benefit:** It helped in warming up the bodies of NSS volunteers so that they can work efficiently for whole day.

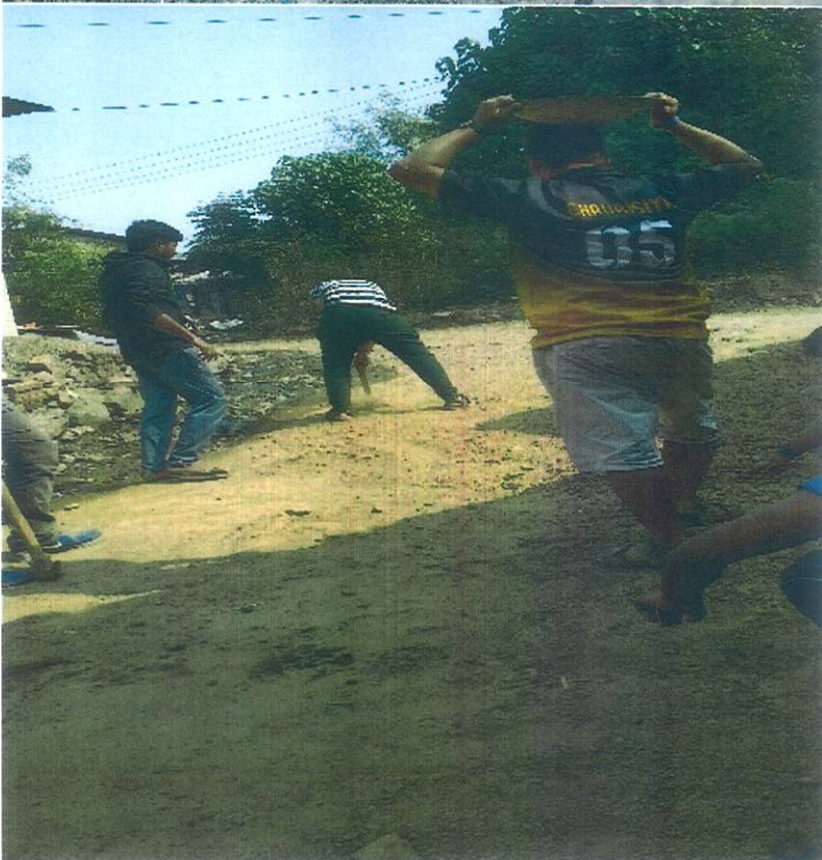

**7.30am-12.30pm (Shramadaan):** The entry road of the village had lots of pot holes which was causing some accidental cases in the village. NSS volunteers did proper levelling of the village by bringing soil from outside the village.

Again a tempo was called in which some remaining garbage was loaded by the NSS volunteers and unloaded outside the village in the proper dumping place.

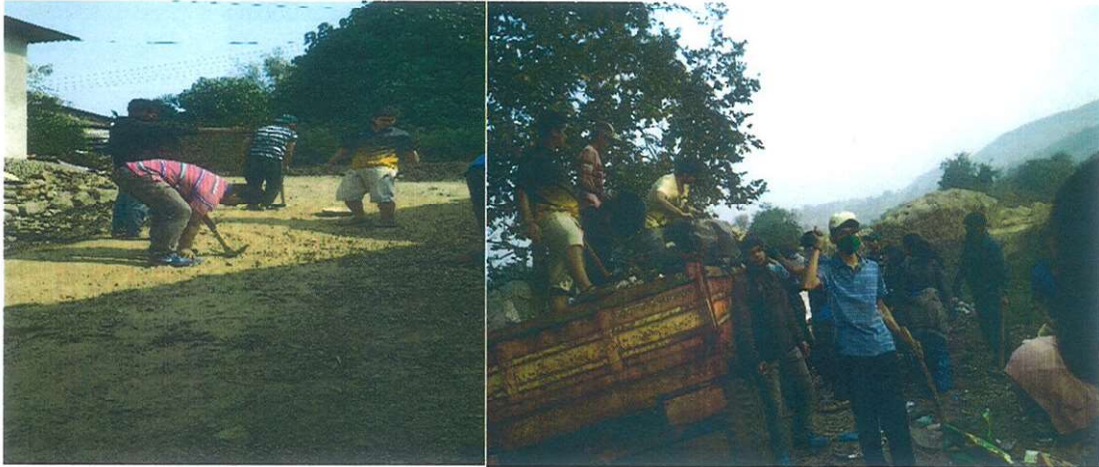

**Benefits:** It helped in-

- *Levelling of main road of the village which was causing accidents*
- *Cleaning the village and dumping the garbage outside the village*
- *Creating awareness of cleaning and to stop spreading of diseases*

**12.30pm-1.30pm:** Bath and Cloth washing.

**1.30pm-2.15pm:** Lunch

**2.15pm-3.00pm:** Volunteers got distributed to invite the local people for the upcoming closing ceremony event and also did the arrangements for the same.

**3.00pm-5.00pm: Closing Ceremony**

Closing ceremony was arranged with all village people. During the event Prof. Pravin Gharge on behalf of all the faculty members, NSS volunteers of NSS VIT unit, thanked village people for providing deep support in successfully conducting the special camp. He also requested village people to provide similar support in future camps. Village people were very happy with the work NSS volunteers carried out during the camp. They very much appreciated the developments done by NSS VIT unit during the camp. They requested NSS VIT unit to conduct similar camp in ext year.

IEEE through IRIS hosted a series of talks by some extremely illustrious speakers. The aim of the event was to get inspired by the Speakers' experiences and words, resonate with their ideas, thoughts and their way of thinking, integrate their teachings into one's lifestyle and succeed with what one has learnt. The event was hosted by Swati Tiwari and Sanyukta.</p> <ul style="list-style-type: none"> <li>● <b>Speaker 01: Dr. Vidita Vaidya</b><br/> Having received her doctoral from Oxford university, Dr. Vidita Vaidya is a neuroscientist at TIFR. Within limited time, Ma'am conveyed obscure concepts of neuroscience with visual portrayals and real life examples making them easy for the audience to comprehend. "The meandering walk through the neuroscience gharana" as Ma'am called it came to an end with a Question and Answer session.</li> <li>● <b>Speaker 02: Dinesh Israni</b><br/> With over 30 years of experience in technology and business, Mr. Dinesh Israni is the founder of Last Mile Business Solutions and the business incubator consultant at Sardar Patel Institute of Technology. Sir provided guidance on how to initiate and proceed when developing one's start up idea. He mentioned the difficulties one would face as an entrepreneur and suggested appropriate measures to counter those.</li> <li>● <b>Speaker 03: Nirmala Kewlani</b><br/> The entire arena was burst out laughing when the first ever Miss wheelchair India pageant Miss. Nirmala Kewlani and her colleague Miss. Sunita Sancheti performed a skit on their life experiences as differently abled through expressions of humor and satire. Various visual displays were shown which motivated the audience to alter the perception towards life. Ma'am zealously provided solutions to audience's problems in their day to day life.</li> </ul> |

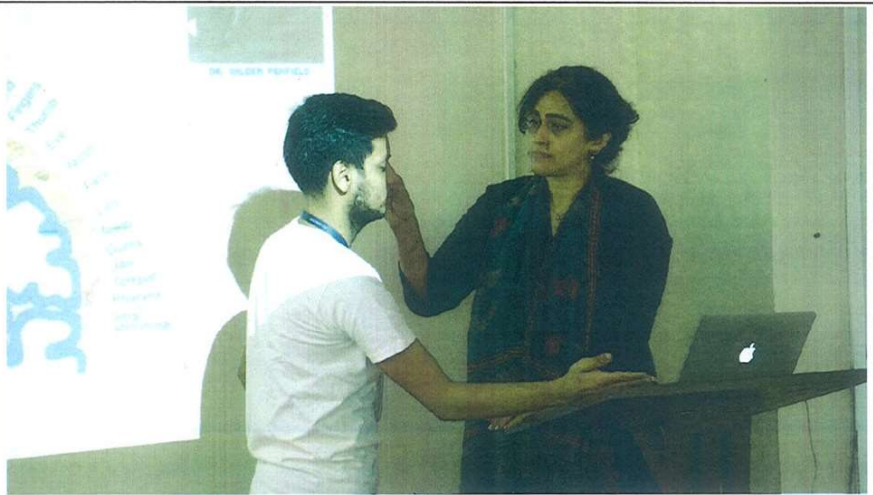

- **Speaker 04: Kuntal Joishier**

Software engineer by profession, Mr. Kuntal Joishier decided to chase his dreams rather than the usual 9 to 5 job and thus became the first vegan ever to climb Mount Everest. Having watched his journey and the hardships he had undergone to reach the summit, the audience learnt importance of teamwork, perseverance and dedication. Sir received a standing ovation from the audience and they enthusiastically got many queries solved through an interaction.

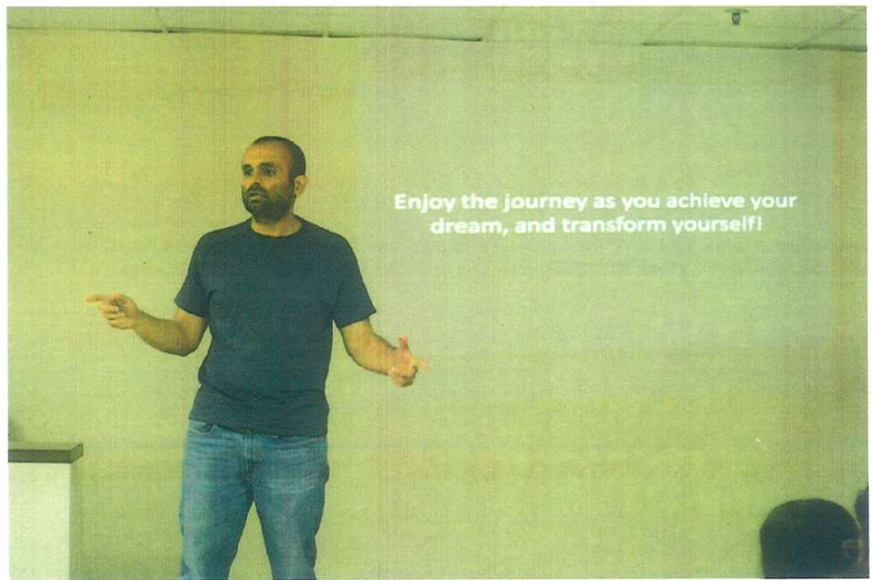

The event came to an end by IEEE Covener Mr. Rakshad Sood appreciating the efforts of the workforce and admiring the co-operation of the audience. Finally, the vote of thanks was delivered by IEEE Chairman Pushkar Mutha.

## ACTIVITY REPORT

### Report on Security by NSS-Volunteers at VERVE - Vidyalankar Institute of Technology.

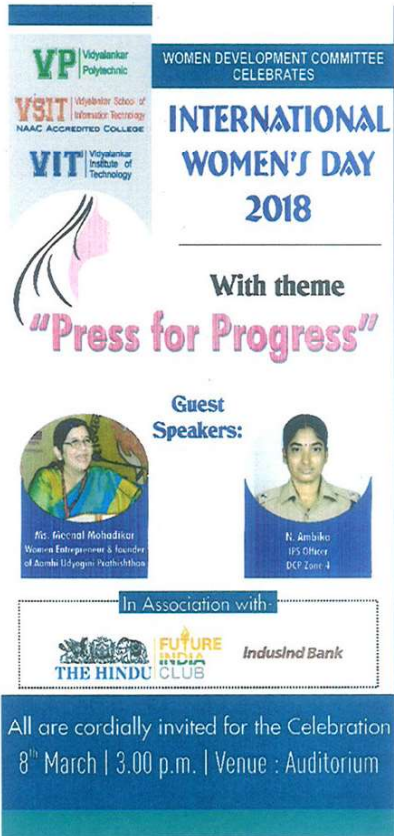

| <b>Event Details</b>  |  |
|---|--|
| Activity Title  | Security by NSS-Volunteers at NUCLEYA.   |
| Date  | 16 <sup>th</sup> February, 2018  |
| Venue   | Vidyalankar Institute of Technology Campus   |
| Time  | 9:00am-9:00pm  |
| Activity Coordinator  | Prof. Pravin Gharge, VIT NSS coordinator<br>Assistant Professor, Department of First Year Engineering, VIT |
| <b>Objectives</b>   |  |
| (i)   | To make aware the students to not to throw the garbage and waste in college campus.                        |
| (ii)  | To allow the students having valid pass only for the NUCLEYA.  |
| <b>Description</b>  |  |
| <p>The Activity was conducted on the occasion of <b>Nucleya</b> by Vidyalankar Institute of Technology, Mumbai on <b>16<sup>th</sup> February</b>, 2018 at the Vidyalankar Polytechnic. A total 25 of NSS volunteers participated in the program. First all NSS volunteers gathered at the Main Entry Gate where they were instructed and they were told about how to and what things to do during the security by all the NSS faculty coordinators. The security work was divided into 3 groups,</p> <ol style="list-style-type: none"> <li>1. At the main entry gate</li> <li>2. At the desk</li> <li>3. To manage the crowd</li> </ol> <p>The volunteers worked hard for the whole day of NUCLEYA by managing the student entries at the Main Gate, strictly restricting them to not to throw the wrappers, eatables, etc. Instead, make use of the Dustbins. The <b>NSS-Volunteers</b> from VIT also checked the passes of the students entering the event.</p> |  |
| <b>CONCLUSION</b>   |  |
| <p>The activity was conducted smoothly and helped in proper conduction of the annual festival VERVE 2018 for Vidyalankar Institute of Technology.</p>   |  |

"The meandering walk through the neuroscience gharana" as Ma'am called it came to an end with a Question and Answer session.</li> <li>● <b>Speaker 02: Dinesh Israni</b><br/> With over 30 years of experience in technology and business, Mr. Dinesh Israni is the founder of Last Mile Business Solutions and the business incubator consultant at Sardar Patel Institute of Technology. Sir provided guidance on how to initiate and proceed when developing one's start up idea. He mentioned the difficulties one would face as an entrepreneur and suggested appropriate measures to counter those.</li> <li>● <b>Speaker 03: Nirmala Kewlani</b><br/> The entire arena was burst out laughing when the first ever Miss wheelchair India pageant Miss. Nirmala Kewlani and her colleague Miss. Sunita Sancheti performed a skit on their life experiences as differently abled through expressions of humor and satire. Various visual displays were shown which motivated the audience to alter the perception towards life. Ma'am zealously provided solutions to audience's problems in their day to day life.</li> </ul> |

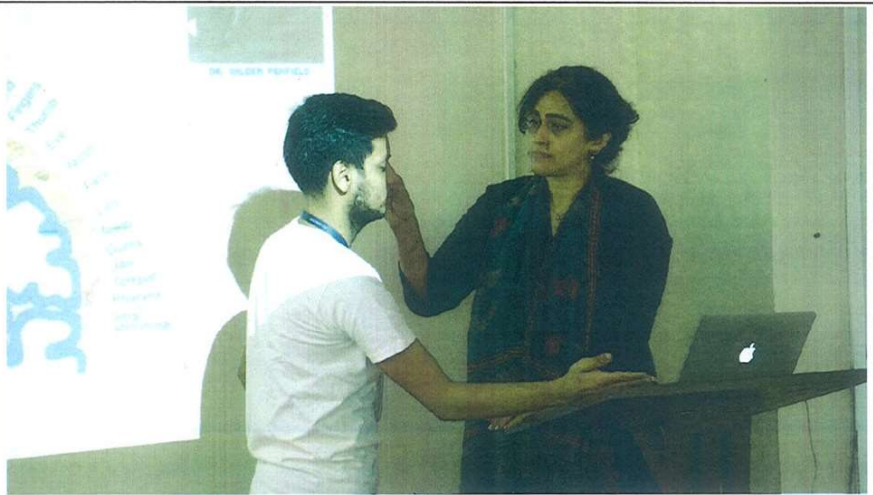

- **Speaker 04: Kuntal Joishier**

Software engineer by profession, Mr. Kuntal Joishier decided to chase his dreams rather than the usual 9 to 5 job and thus became the first vegan ever to climb Mount Everest. Having watched his journey and the hardships he had undergone to reach the summit, the audience learnt importance of teamwork, perseverance and dedication. Sir received a standing ovation from the audience and they enthusiastically got many queries solved through an interaction.

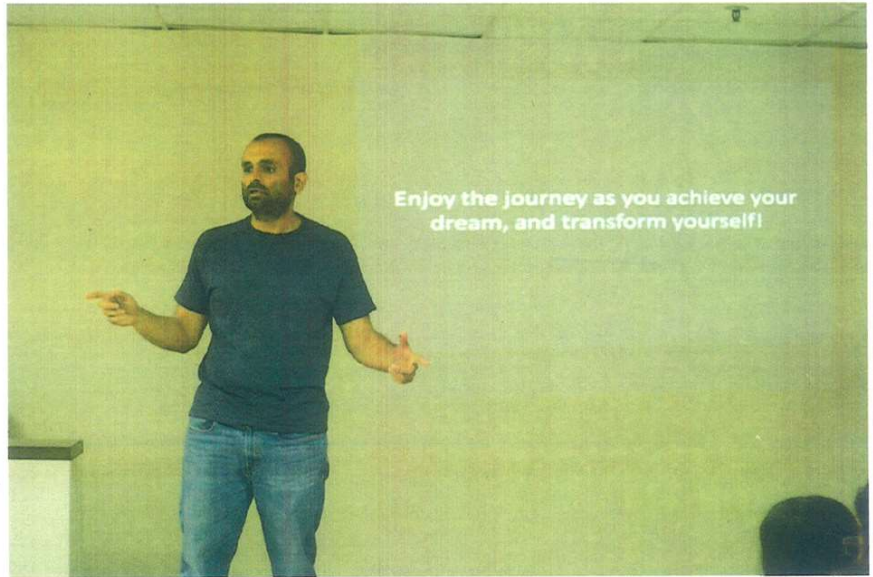

The event came to an end by IEEE Covener Mr. Rakshad Sood appreciating the efforts of the workforce and admiring the co-operation of the audience. Finally, the vote of thanks was delivered by IEEE Chairman Pushkar Mutha.
