Activity Description:

Career Counselling Committee had organised Exploratory session on Career Planning by Dr. Pratibha Jain, Founder and Managing Director of Eduabroad Consulting . . Dr. Pratibha Jain is a renowned education Consultant with over 20 years experience and a famous columnist with Times of India. These sessions were organized for 4 days for various batches of VIT students from 18th March to 24th March 2014. More than 550 students across all branches attended these interactive sessions

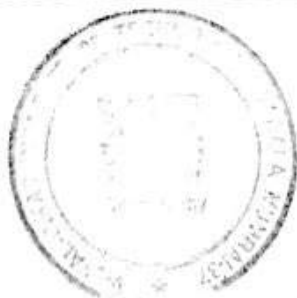

Dr. Jain guided our students on the various options they can pursue after graduation in countries like USA, UK, Canada, Australia & also within our own nation. She answered six basic questions that arises in mind of each aspirant : WHAT should I study ? WHERE should I apply ?, WHY study abroad ?, WHEN should I apply? ,HOW to apply ?WHO should I ask for guidance?

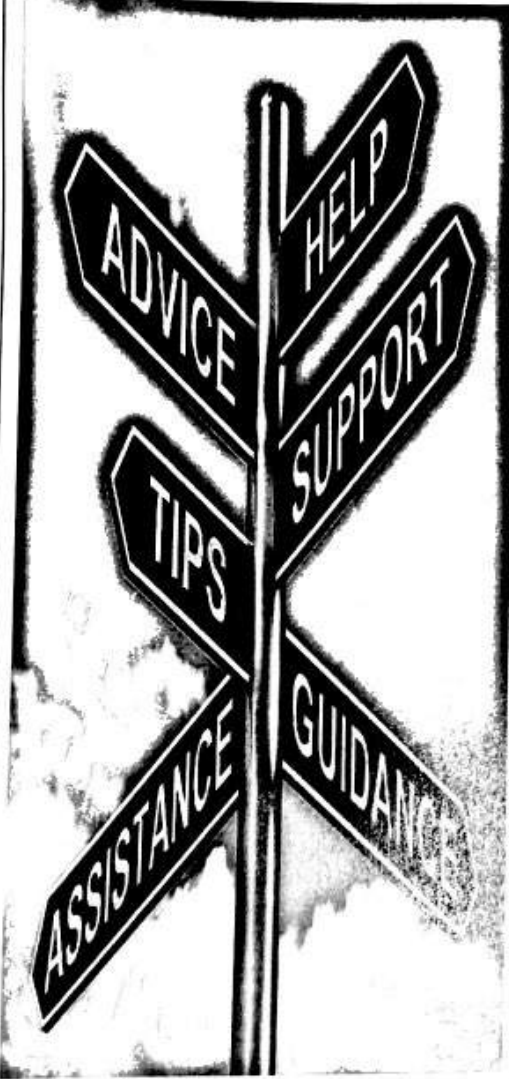

She spoke about the different courses available at various universities and their admission procedures. She also guided our students about various scholarships schemes. She told students that they should not feel demotivated if they can't score well in their graduation because they may still have various options at reputed universities abroad where they can apply to different courses.

She cleared all the queries of our students regarding Visa & accommodation. These sessions were of great value and have not only motivated our students to pursue higher education at reputed institutes in India and abroad but also guided them to how systematically they can plan their higher education.

Minutes of Meeting – Career Counselling Committee

The CCC meeting was conducted on Thursday, 11th July 2013 at 04.00 pm in cabin No.6, Computer department. Prof. Avinash Shrivastava chaired the meeting.

Agenda:

- Orientation sessions for career planning
- Exploratory session for career planning
- Discussion for conducting seminar on "PG courses after BE"

Item	Summary
Item 1	Prof. Avinash Shrivastava displayed the agenda and gave brief introduction of points in the agenda.
Item 2	Orientation sessions for career planning
Discussion	Prof. Avinash Shrivastava briefed everyone about the Student career choice survey. It was decided that all the members would go to TE classrooms and give the presentation about the different career options after BE. After presentation they would conduct the survey.
Item 3	Parent's feedback about career plan of their ward
Discussion	Parent's feedback would help to understand parent's opinion so it was decided to distribute the Parent's feedback form along with the survey form.
Item 4	Discussion for conducting seminar on "Higher education guidance and career planning"
Discussion	All the members discussed about what all points to be covered in this seminar and whom to be called for giving the seminar. All the members decided to Mrs. Jayantee Das Banarjee, VDT to give the seminar.
Item 5	Discussion on arranging a session for ME students
Discussion	It was decided to arrange a session on "Pathway to pursue PhD" by Dr. Sangeeta Joshi to motivate students to do research.
Item 6	Discussion and planning for arranging a seminar on "Higher Education in German-Indian Management Studies".
Discussion	According to career choice survey, it was observed that many students were interested in doing management study after BE. To enlighten the students about it, plan a seminar on "Higher Education in German-Indian Management Studies" by Prof. Srividya for BE students.

Item	Summary
Item 7	It was decided to conduct next meeting in the next academic year and discuss the progress of the current agenda items.

Meeting ended with vote of thanks by Prof. Jaya Gupta

Entrepreneurship Cell Team

Activity Details

Day/s: 0

Date/s :

Venue:

Classes of VIT-Vellore Institute of Technology

Activity Description

The campaign was a class-to-class publicity program, wherein existing Entrepreneurship Cell contributors campaigned to spread awareness about the E-Cell. The E-Cell effectively used social media throughout this campaign and also many flexes were strategically placed throughout the college campus for a better outreach.

Objective of the Activity

The main objective of this activity was to brief the incoming freshman students about the existence of the Entrepreneurial Eco-System present at VIT. It also served as a platform to encourage students to join the student body and to share their ideas with the college faculty who served as mentors for the Entrepreneurship Cell.

Activity Title	Learn By Doing
Activity Co-ordinated By:	NEC Team
Activity Details	
Day/s:	1
Date/s :	
Venue:	VIT Campus
Activity Description	The concept we chose to learn in this task was Merge sort. Merge sort is a sorting algorithm which sorts integers.
Objective of the Activity	<p>The logic behind merge sort can be explained as follows. We split the input in halves, Then we sort the halves using merge sort, and then merge them. Merge sort is a recursive algorithm. A recursive algorithm is the one which uses itself to sort subsets of the problem. Merge sort uses a simple fact that a single number is always sorted. When the input size is one, the input is sorted and we no more need to sort it. The input array is divided until the array is of size one.</p> <p>The recursive nature of merge sort is particularly difficult to understand, and the merging process too. Hence in order to learn the above lessons better the activity is very helpful. It gives clearer idea to the participants about exactly which numbers are compared when and how are they arranged so as to get sorted array.</p>
Takeaway	The activity helps participants understand exactly up to what extent the array is split and when the merging begins.

Hello CRs,

Congratulations on organising the ILLUMINATE Workshop in collaboration with E-Cell IIT Bombay.

We are looking to create an after-movie of the workshop series with all the best pictures/moments of the workshop. This would be posted through our Facebook page with due recognition to the concerned parties.

So please send us at least 3 pictures of the event taken by you and your team to help us re-create the magic. You can also send short clips if you have taken any or any cut-outs of a local daily which published the event on their newspaper.

Please send the pictures with the same subject name.

Last Date- 1st December 2015.

Regards,

Rishi Shah,

Activity No.	19
Activity Title	Startup Meet
Activity Co-ordinated By:	Rutuja Gurav Priyanka Hursale
Activity Details	
Day/s:	1
Date/s :	30/12/2015
Venue:	Ambition Box
Activity Description	The task was to visit a start-up nearby and get to know, <ul style="list-style-type: none"> • How did they get the idea? • What kind challenges did they face? • How did they handle competition?
Objective of the Activity	NEC task completion To know more about how exactly a start-up works, and how exactly an entrepreneur is by meeting an entrepreneur.
Preparation	The questions to be asked were prepared by Priyanka Hursale. The visit was arranged by Rutuja Gurav.
Takeaway	From the meet we learnt about what all practical difficulties a start-up faces. Mostly financial challenges. As the idea of ambition box is quite original they don't have any competition as such, so the takeaway is, if the idea is original then there are less chances of competing with others, but eventually there might be competition if you do not continue innovating.

Activity No.	21
Activity Title	Entrepreneurship Summit 2016
Activity Co-ordinated By:	E-Cell, VIT
Activity Duration:	1 Day.
Activity Conducted on:	12/02/2016
Objective of the Activity	<p>Prior to the formation of student body of E-Cell, VIT, there were many who did not know about entrepreneurship, how to be an entrepreneur, what the hurdles in the journey are and how to overcome them.</p> <p>No student body was dedicatedly working for development of entrepreneurial ecosystem. Though people had many ideas, a lot more was needed to help them build a business out of it.</p> <p>E-Summit was a small steps towards the same, to boost the startup culture in the college. The objective was to help participants give an overall overview of the journey from an idea to a venture.</p> <p>And to accomplish the same, the sessions arranged were,</p> <ul style="list-style-type: none"> • Idea generation workshop – which was about getting an idea and validating it • Funding ecosystem in India – where a panel of experts discussed about the funding concepts, stages of funding etc. • Startups meet – where founders of startups from different areas shared their experiences

**Activity Description**

To create and boost an entrepreneurial ecosystem in Vidyalandkar Campus, for the first time E-Cell, VIT organised a pre entrepreneurship summit event "Envoyage" was conducted and post Envoyage Entrepreneurship-Summit was organized. The events conducted in Vidyalandkar E-Summit 2016 were:

- Motivation speeches by eminent speakers - Mr. Pradeep Tagare (director of Intel Capital, India) and Mr. Nitin Potdar (Founder trustee, Maxell Foundation)

The presence of Mr Tagare and Mr. Potdar inculcated the aura of entrepreneurship and professionalism and made us understand the difference in building a startup at Silicon Valley and considering the case in India where we get support from government programs and gave the global situations while starting up in their keynote.

- Idea generation workshop by Mr. Ankur Khera (Zone start-ups, India) and Mr. Tanish Thakker (Partnerships, Zone start-ups, India)

The professionals from zone startups led us to understand with entrepreneur friendly programs like immigration, incubation and innovation that, all that is need for being an entrepreneur is passion and a valid sustainable idea.

- Panel discussion on funding ecosystem in India by, Mr. Rohit Bhagwat (Founder & Director, Activitas) and Mr. Murtuza Haryanawalla (Business Development & Start-ups)

Clearing some of the popular stereotypes about funding ecosystems and understanding how they are beneficial for a startup in the true sense with the process of funding at various stages were encountered.

- Panel discussion where founders of various startups shared their journey. The startups were from different areas so as to get the knowledge of all the possible streams. The panel consisted of,
 - Mr. Hitesh Lalwani (Purple Squirrel)
 - Mr. Swapan Rajdev (Co-founder & CTO of Haptik)
 - Mr. Mayur Mundada (Founder of Ambitionbox)
 - Mr. Abhijit Patil (CTO, Dimensions NXG)
 - Miss Jui Gangan (Co-founder, Cycle Chalao!)

The founders' meet in which self-standing passionate entrepreneurs led us to understand the path of an early entrepreneur, the basic principles although beginning the startup has ups and downs, the future is rich in possibilities.

Preparation	<p>To create an entrepreneurial ecosystem and boost the present scenario preparation in general included,</p> <ul style="list-style-type: none"> • Pre E-Summit event 'Envoyage' was organized, In which the students were conveyed the general idea about entrepreneurship and steps to be taken to sustain a startup which highlighted preparation of a Business Canvas model.
Takeaway	<ul style="list-style-type: none"> • Situation of Start-ups in Silicon Valley and in India. • Growth of entrepreneurial ecosystem in India. • Idea generation for start-ups. • How an idea should be validated. • Funding, venture capitalism, incubators and accelerators for start-ups in India. • What are the challenges in the journey of an entrepreneur • Experiences of entrepreneurs from various fields, such as technical startups, non-technical startups, social startups, and social startups etc.
Attendees	<p>The pre e-summit event was attended by about 260+ participants in all from VIT and the Entrepreneurship-summit was attended by students of Vidyankar Campus and other engineering colleges.</p>

Dear Sir,

We are pleased to invite you to the E-Summit scheduled to be held on 11th and 12th February in Vidyalankar Institute of Technology which is one of the top institutes for engineering in Maharashtra and is an "A Grade" college affiliated with Mumbai University, India. The purpose of this summit is to increase awareness about entrepreneurship, skills needed to be an entrepreneur. Encouraging and inspiring students to choose entrepreneurship as a career option. 'E-summit' is an event where a series of motivational talks, Business plan competitions and panel discussions take place.

Your expertise and knowledge in the area would add a great value to the business sense of one and all, especially the budding entrepreneurs of the college who require the guidance to lead their way through tough competition to be successful entrepreneurs in the future.

We would like to know the availability of your time in your busy schedule, so that we can have an appointment with yourself and make appropriate arrangements. Also we would like to have a rough idea for the time-frame of the lecture and discussion session.

We eagerly hope to hear from you and get a positive response. We are looking forward to it. You can contact us at: Priyanka Hursale Email: priyankahursale@gmail.com Phone : +91 9833966482

Greetings,

We are pleased to invite you to the E-Summit scheduled to be held on 11th and 12th February in Vidyalankar Institute of Technology, which is one of the top institutes for engineering in Maharashtra and is an "A Grade" college affiliated with Mumbai University, India. The purpose of this summit is to increase awareness about entrepreneurship as a career option. Encouraging and inspiring students to choose entrepreneurship as a career option. 'E-summit' is an event where a series of motivational talks, Business plan competitions and panel discussions take place.

Your expertise and knowledge in this area would add a great value to the business sense of one and all, especially the budding entrepreneurs of the college who require the guidance to lead their way through tough competition to be successful entrepreneurs in the future.

We would like to know the availability of your time in your busy schedule, so that we can have an appointment with you and make appropriate arrangements. Also we would like to have a rough idea for the time duration of your talk and discussion session.

We eagerly expect to hear from you and get a positive response. We are looking forward to it. You can contact us at: Priyanka Hursale Email: priyankahursale@gmail.com Phone: +91 9833966482

Analysed problems based on facts and figures on the sectors mentioned below, and made a report.

1. Academics Example-There is a problem that seniors have books for donating to juniors, juniors need the books but there is no common channel to facilitate this transaction.

2. Services. eg: No laundry service available.

3. Infrastructure: Eg, pains such as inadequate lighting, damaged benches etc.

4. Leisure: eg. no common platform for people with similar interests to come together and interact.

- **Start your Eureka journey**

Encouraged students to participate in business plan competition Eureka with a vision to promote ideas and help these ideas in the journey to startup.

- **Basics of entrepreneurship Session**

Conducted a session / presentation, of minimum 15 mins, in a class of 70+ students to explain basics of Entrepreneurship.

- **Learn by doing**

Picked up a topic in our curriculum and converted it into a 'Learn by doing' module. The concept learnt was Merge Sort which is related to Computer Engineering.

Stage 2:

Tasks

- **Interviewing three professors**

A SWOT Analysis of proposed solution in task in the previous stages, under the format:

Strengths of our solution

Weaknesses of our solution

Opportunities for our solution

Threats to our solutions

- **Will you choose Entrepreneurship?**

Floated a google form to know why people hesitate to pursue on the entrepreneurship on the following points

Name, Email ID, College, City, Phone number

Has the person heard about the Entrepreneurship?

If No, let him know about it from Wiki page and go to the next question

Now, since the person knows what entrepreneurship is, will he/she be willing to pursue

Entrepreneurship ?

If the person already knows about entrepreneurship, is he pursuing entrepreneurship ?

If the person knows about entrepreneurship, then what are the reasons of not pursuing entrepreneurship?, for example

- Too much money involved
- Parental pressure
- Academic pressure
- Dont know how to start

- **Organize a business/ Finance quiz**

Organized a Business Quiz Competition in our college.

- **Let's start blogging**

Made a Blog of our E-Cell on Wordpress - <https://wordpress.com/> wrote 3 blogs on it:

1. Who is an Entrepreneur according to us.
2. Interview / Testimony of an Entrepreneur
3. How Industrial Visit/ Internship is important while taking your education

- **Debate session on Job vs. Entrepreneurship**

Conducted a debate session of around 30 minutes to see the view of students regarding job, entrepreneurship and higher studies.

- **What an idea sirjee**

We organised a workshop of at-least 60+ people. Divided people in groups of 2 and handed them over a newspaper each. Asked them to go through the newspaper, and pick out a news item that they are interested in, and brainstorm about the possible solutions for the same.

- **Viral marketing campaign**

Read about Purple Squirrel Eduventures and created a marketing campaign to make the brand viral among our peers on and around our campus.

Stage 3:

Tasks

- **Case : Building a revenue model of startups out of scratch**

Thought about how money can be made from our idea, and created a revenue model for the same.

- **Publicity via video**

- **Make a business model Canvas and modelling your team as a running startup**

Modelled E-Cell team as a startup and filled in a Business Model Canvas and made a team presentation.

- **Pitch to the dean.**

Designed a pitch to convince the Heads of our college/ department/ placement officer to agree to a tie-up with Purple Squirrel to organize an exciting Learning tour or conduct workshops for our batch of students.

Stage 4:

Tasks

- **Approval of E-Cell from your college**

Established student body to the E-Cell, VIT

- **Organize a pitching workshop**

Conducted a pitching workshop.

- **Disrupt your Dad's/Relative's/Friend's Business**

Tried to make people more and more aware about the problem we decided to work on in the previous stage. We tied up with an OYE – an NGO- to conduct the campaign.

- **Case on Silicon Valley**

Made a case study on Silicon Valley and Tech Bubble. Drew some conclusions on Indian Startup Ecosystem.

- **Conduct a meetup of startaup and students at a renowned startup workplace/ Startup visit**

Planned a trip tp startup Ambition Box as to know about what is it like to be an entrepreneur.

Hello CRs,

Very warm greetings from E-Cell IIT Bombay.

As a CR for E-Cell IIT Bombay, we cordially invite you to **The Entrepreneurship Summit 2016** on the 30th and 31st January 2016.

As a benefit of being the CR, you can attend the summit for free and along with it will get an opportunity to get a contingent of 10 students for free.

You need to register yourself and your contingent at <http://www.ecell.in/esummit/register/cr/> to avail this opportunity.

Your CR certificates will be given at the **E-Summit** itself so we strongly recommend that you attend the summit and collect it.

Rishi Shah,
Public Relations Manager

Dear Sir,

We are pleased to invite you to the E-Summit scheduled to be held on 11th and 12th February in Vidyalankar Institute of Technology, which is one of the top institutes for engineering in Maharashtra and is an "A Grade" college affiliated with Mumbai University, India. The purpose of this summit is to increase awareness about entrepreneurship, skills needed to be an entrepreneur. Encouraging and inspiring students to choose entrepreneurship as a career option. 'E-summit' is an event where a series of motivational talks, Business plan competitions and panel discussions take place.

Your expertise and knowledge in the area would add a great value to the business sense of one and all, especially the budding entrepreneurs of the college who require the guidance to lead their way through tough competition to be successful entrepreneurs in the future.

We would like to know the availability of your time in your busy schedule, so that we can have an appointment with yourself and make appropriate arrangements. Also we would like to have a rough idea for the time-frame of the lecture and discussion session.

We eagerly hope to hear from you and get a positive response. We are looking forward to it. You can contact us at: Priyanka Hursale Email: priyankahursale@gmail.com Phone : +91 9833966482

Date:of activity

15/02/2015

In this activity students were educated about the various big companies, organizations that were incorporated in university campuses globally. The students understood that all it takes to start a venture is just an idea to fulfil a social need and the rest of the plan automatically falls in place. This has been the case in most of the on-campus start-ups.

At the end of the activity feedback was taken from the students. So that it would be useful to arrange such activity in the future.

Report for E-Summit IIT Bombay

The Entrepreneurship Cell, IIT Bombay firmly believes that emerging economies like India need the drive and innovation of young entrepreneurs. The Cell therefore aims at manifesting the latent Entrepreneurial spirit of the youth. The Cell not only motivates the youth to start-up their own enterprise, but also makes efforts to provide them with the necessary resources to do so.

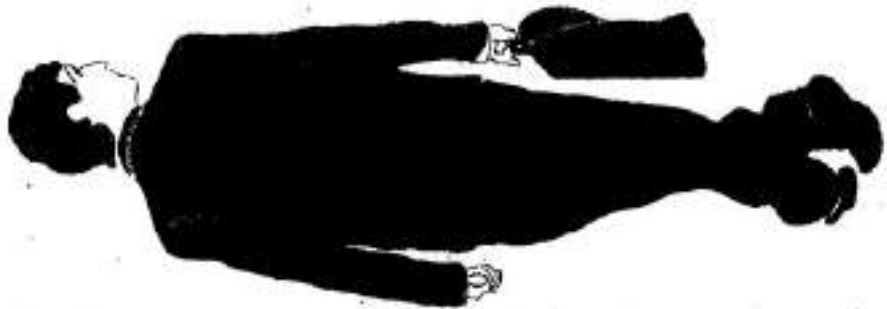

The Entrepreneurship Cell is a non-profit organization run by the students of IIT Bombay that aims at manifesting the latent entrepreneurial spirit of the young students. E-Cell hosts various workshops, speaker sessions, innovative games, competitions for aspiring entrepreneurs and support them by providing necessary resources such as seed funding, mentoring, consultancy and networking.

The Summit was commenced with an inaugural address from Mr. Alexander Blass, CEO of Innovative Institution of America, an Oxford and Wharton alumnus. The keynote address on February 1, 2014 was been given by Mr. Bharat Desai, Chairman & Co-Founder of Syntel, and a distinguished alumnus of IIT Bombay. In addition to founding Syntel, he is an active philanthropist and has been ranked on the Forbes 400 list of the wealthiest people in America. Event Report	<p>On May 8, Monday over 90 students from VIT gathered to attend ETS' seminar on GRE & TOEFL. The event was organized by the VIT Career Counselling Committee. Educational Testing Service (ETS), founded in 1947, is the world's largest private non-profit educational testing and assessment organization. They are responsible for developing and administering standardized exams such as GRE and TOEFL.</p> <p>Mr.Rohit Mehra, the spokesperson on behalf of ETS was the featured speaker for the seminar. He spoke about the GRE and TOEFL exams in detail explaining the prerequisites, exam preparation techniques and strategies. The event also involved a mobile-van inside which students could avail a one on one counselling session to clear any extra doubts students may have.</p> <p>The students seemed more than satisfied about the proceedings of the event and had very positive reviews about the event.</p>
