Formal offer of a place on the Master Program Electrical Engineering and Embedded Systems at Hochschule Ravensburg-Weingarten for winter term 2018

Application number **253256**

Dear Mr. Ingale,

We are pleased to inform you that you have been awarded a place on our Master Program Electrical Engineering and Embedded Systems.

Acceptance

If you wish to accept this offer, please sign the enclosed acceptance form and return it. If we do not receive your reply by **June 04, 2018**, the place will be offered to another applicant. We would appreciate it very much if you also informed us as soon as possible if you do not intend to take up this offer.

Visa

If you accept the offered place, you should contact the German embassy in your country **without delay** to apply for a visa to study in Germany. In order to get a student visa, you must present your notification of admission to a German higher education institution or preparatory course. In some countries, the scan copy of this letter is sufficient to start the visa application process. So please do not wait until the original documents arrive by post and get your first interview at the German Embassy in your country as soon as possible. Please also inform yourself immediately on the required documents for your visa application and make sure that they are complete and filled in correctly in order to avoid delays in your visa application process.

You must also prove that you have sufficient financial means at your disposal for a stay of one year ("Finanzierungsnachweis"). The amount required is **€ 720 per month, € 8640 per year**, and the ways of proof accepted by the German diplomatic representation vary from country to country.

The most common and highly recommended way to prove that you have sufficient financial means for your studies in Germany is by opening a **blocked bank account with Deutsche Bank in Germany** while still being in your country, see <https://www.deutsche-bank.de/pk/konto-und-karte/konten-im-ueberblick/internationale-studenten1.html>. Please note that this procedure takes **several weeks**. Therefore, it is extremely important that you are informed about the procedure, have the required sum and application documents ready when going to the Consulate or Embassy the first time in order to avoid delays. In particular, **please do answer the question on the countries in which you have to pay taxes (except Germany) and give your tax identification number!** Usually, this is your home

Address:
Doggenriedstraße
88250 Weingarten
Germany

country. If you leave it blank, Deutsche Bank will reject your file after some time and you will have to apply again and therefore lose a lot of valuable time. In some countries, the appointments for getting the attestation of Deutsche Bank documents at the Consulates or Embassy are available only on one day in a week. However, the **advantages** of a blocked account in Deutsche Bank are that the account and your IBAN already exist when arriving to Weingarten and that the activation procedure is fast and simple so that you will have access to your money much faster than with other options and can directly continue with other formalities regarding accommodation and health insurance.

There are other ways of opening a blocked account as well, for example through Fintiba or a national bank in your home country recognized by the visa office, which both are faster. However, please be aware of the fact that you will have to open another account in Germany after your arrival and let your money be transferred to this account which both will take a long time so that you won't be able to access any money during the first 4-6 weeks nor proceed with the next steps, which will lead to serious problems.

In case you opt for a commitment ("Verpflichtungserklärung"), please get the form from the Embassy and required proof by your sponsor before your interview.

The attached letter "Zur Vorlage bei Auslandsvertretungen der Bundesrepublik Deutschland für Antragstellung zur Erteilung eines Studiervisums" confirms that you are admitted for the winter term 2018 and asks the German Embassy to give you the visa in time so that you can travel to Germany in September. Please note that, once you are in Germany, you need to **prove sufficient financial means every year**, either by means of a blocked bank account or a commitment. This means that you have to show in future € 8640 **per year**, not only now for your visa application.

Tuition fees for Non-EU citizens

As of winter term 2017, tuition fees for international students from Non-EU countries amounting to **€ 1500 per semester** have been introduced at the governmental universities in the state of Baden-Württemberg. For further information, **please see** <https://mwk.baden-wuerttemberg.de/de/hochschulen-studium/studienfinanzierung/gebuehren-fuer-internationale-studierende-und-zweitstudium/>.

There are only very few exemptions from these fees. In order to check your individual situation, **please fill out the "Questionnaire tuition fees - German version" and return the scan copy to Ms Christine Strobel** (strobec@hs-weingarten.de) **by June 04, 2018**. If you are obliged to pay the fees, you will receive your individual notification of tuition fees via email. The official notification of tuition fees will become devoid of purpose if you do not enrol at Hochschule Ravensburg-Weingarten.

Please transfer the tuition fee and the semester fee € 1657.50 (= € 1500 + € 157.50) as soon as you have been granted your visa. Bank transfer charges have to be entirely borne by you and added to the fees due. Please state the complete usage details in the transfer order as given below:

Amount: € 1657.50

Receiver: LOK BA-WÜ / HS RV-Wgt.

Bank: Baden-Württembergische Bank (BW Bank)

IBAN: DE02 6005 0101 7495 5301 02

BIC: SOLADEST600

Usage: 8 679 130 002 817 INGALE 253256

Attention: Tuition fees arise **in addition** to the University administration fees of € 157.50 and are **not included in the € 720** minimum financial means you have to show per month of stay. This means that, in addition to the € 8640 per year required for your visa and residence title respectively, you will need to have an extra € 3000 per year to cover the tuition fees. In total, you have to calculate **€ 23280** for your Master program (on the basis of minimum financial means for 4 semesters).

European students don't have to pay tuition fees, but have to **transfer the semester fees (€ 157.50)** to the above mentioned account in the indicated way before coming to Weingarten.

Page 2 of 5 of admission letter for Abhishek Ankush Ingale, application ID 253256

Health Insurance

Your full health insurance coverage is a precondition for your legal stay in Germany and it is absolutely mandatory for your residence permit and for your registration as a student. EU-students bring their European Health Insurance Card (EHIC). Non-EU-students have to carry out a health insurance contract with a **German health insurance company** because **insurances from Non-EU countries** do not fulfil the requirements stipulated by German law and are therefore **not valid for your enrolment as a student**.

We recommend you to take out travel insurance for your trip to Germany and to sign a contract with a **public German health insurance company** within your first days here in Germany. During the Welcome and Orientation Program, the International Office will help you with this.

Please refrain from doing it through any agency in your country or online platform as it will cause unnecessary trouble for you and sometimes even avoidable costs. If you wish to take out a German public health insurance while still being abroad, please contact the person in charge in Germany. You will find his contact details in the attached information sheet about health insurance.

You are free to choose an insurance company according to your preferences. The monthly insurance premium for students is almost the same for all German public health insurance companies and amounts to **approximately € 90 per month**. However, they differ in the service they offer. For more information on the health insurance, please have a look at the attached information sheet.

Accommodation

You have to look for accommodation yourself and before arrival. We cannot reserve or guarantee any room for you. The International Office has collected links where you can search for a room: <http://www.hs-weingarten.de/web/international-office/accommodation>. We highly recommend you to **start searching for a room immediately** from your home country and try all options you have because the number of rooms and apartments in and around Weingarten is **limited**. It is **indispensable that you have a place to stay when you arrive!** Please do **not restrict your research to Weingarten** as rooms are also available in Ravensburg, the city just next to Weingarten and bigger than Weingarten, and in nearby villages such as Baienfurt and Baidt, which are only a few kilometres away and have an excellent bus connection. The local monthly rent amounts to \pm 300 € plus deposit.

In particular, we strongly recommend you to apply without delay and **before June 15** for a dormitory room in the organisation **SEEZEIT Studierendenwerk Bodensee**. Information on SEEZEIT's application procedure as well as the application form is sent via e-mail to you. Please read them and fill them in carefully. You will find more information on student dormitories by following the above mentioned link to our website.

Student Buddy Program

The International Office runs a Student Buddy Program called "WIR – Weingarten International Relationships" in which German and experienced international students in an advanced semester voluntarily help freshers settle down in Weingarten and organize their everyday student life. The contact will be established long before you come so that the buddy can help you prepare your stay and assist you upon arrival. Please find more detailed information attached. If you wish to register, fill in the **registration form** on your PC and send it to Ms Fischer from the International Office **before June 15, 2018**. Her address is fischele@hs-weingarten.de.

Travel and arrival

Foreign students are expected to arrive from **September 3 - 7**. Please **send an email to ramona.herrmann@hs-weingarten.de as soon as you know when exactly you are going to arrive and always keep her informed on your visa status and possible delays!** This is of utmost importance. The attached "**Travel Directions**" contain detailed information on how to get to Ravensburg and Weingarten. Please visit the International Office, room P 001, after your arrival.

For students having reserved a room in a dormitory: Note that you can generally move into your room only from Monday to Thursday from 8 a.m. to 4 p.m. and Friday from 8 a.m. to 12 p.m. If you arrive outside these opening hours, you have to book

a room in a hotel or youth hostel. Furthermore, you have to arrange an appointment with the caretaker of your dormitory for the hand-over of keys in advance as soon as you know your arrival date.

Welcome and Orientation Program

From **Monday, September 10 – Friday, September 14**, a welcome and orientation program will take place, especially organised for you by Ms Herrmann, your contact person in our International Office. The program will help you to settle in, struggle through bureaucracy and get familiar with the town and region you are going to live in.

From September 10 to 14, **all important formalities** will be completed (enrolment, registration in the town, bank account, health insurance); therefore, it is **of utmost importance to get here in time** for that. Understand, please, that we cannot provide such a service for students arriving after September 10. The program will be continued with visits and excursions in and around Weingarten. The overall fee for this first week's program is around 30 € and has to be paid on September 10.

Intensive German course

The Master program Electrical Engineering and Embedded Systems is taught in English. However, for your better integration and for improving your professional skills, we highly recommend to learn German. Unfortunately, the curriculum allows only 4 hours per week for the German course. We therefore run additional intensive German courses (3-5 hours per day) in the lecture free periods, starting with an intensive German course for **absolute beginners and other levels** (A1 to B2 including) from **Monday, September 17 - Friday, September 28. Participation is mandatory** because the course in the lecture period will be the continuation of the intensive course. These German courses are free of charge. Please note, too, that the German course will be **continued in Semester 2 by an intensive course on level A2 to B2 including from the beginning of March onwards.**

Financial requirements

Please, be aware of the costs arising

Before arrival via bank transfer

- € 1500 tuition fee (Non-EU students), to be paid each semester
- € 157.50: University administration fee*/"Semesterbeitrag", to be paid each semester *subject to change
- € 550 deposit and admission fee for rooms in SEEZEIT
- First rent for rooms in SEEZEIT (after confirmation of reservation)
- Deposit and first rent for rooms in other dormitories according to their regulations

Upon arrival

- € 30: Welcome and Orientation Program in cash
- deposit and first rent for accommodation (outside dormitories)
- Approx. € 20 course book for the German course
- Students can buy a study bus ticket for approx. € 108 per semester. It is necessary to buy that ticket if you stay outside Weingarten

The regular costs arising every month are

- € 300 (approx.): monthly rent (Attention: the rent for the first month has to be paid as soon as possible after your arrival - if not transferred beforehand, see regulations)
- Approx. € 90: monthly contribution to health insurance
- According to your personal requirements, you should calculate other € 250 - 300 per month for food and personal needs

Additional annual costs

- € 150 for the continued use of a Blocked account in Deutsche Bank (once a year)
- Application for a one year's residence permit: first year: € 100, every following year: € 93

Financing

Please note that German universities in general are not able to award scholarships. It is also not realistic to base the financing of your studies in Germany on the prospect of getting a job. Furthermore, employment for Non-EU students is limited to 120 full days or 240 half days per year and the market offers only very few suitable jobs for students, especially when you are not fluent in German. For possible funding opportunities, please check out the DAAD websites: <https://www.daad.de/deutschland/stipendium/en/>.

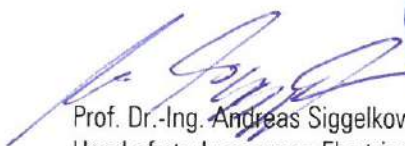

Important dates and contact persons at a glance

September	3 - 7	Arrival (Ms Herrmann, International Office)
September	10 - 14	Welcome and Orientation Program (Ms Herrmann, International Office)

October	1	Start of lectures / Introduction Meeting: Head of Study Program

We look forward to welcoming you to the Hochschule Ravensburg-Weingarten - University of Applied Sciences and very much hope that you will greatly profit from your studies in the Master Program Electrical Engineering and Embedded Systems.

If you have any queries concerning the course content of the study program, please contact professor Siggelkow (siggelkow@hs-weingarten.de). For questions concerning travel, the German course, the Welcome and Orientation Program, Student Buddy Program, address Ms Ramona Herrmann (ramona.herrmann@hs-weingarten.de), please. Ms Lucia Mengis (mengis@hs-weingarten.de) answers your questions regarding visa and enrolment. Ms Christine Strobel is in charge for the tuition fees (strobech@hs-weingarten.de).

Yours sincerely,

Prof. Dr.-Ing. Andreas Siggelkow
Head of study program Electrical Engineering and Embedded Systems

Zur Vorlage bei Auslandsvertretungen der Bundesrepublik Deutschland für die Antragsstellung auf Erteilung einer Aufenthaltsgenehmigung

Bestätigung über die Zulassung zum Studium

Wir bestätigen, dass Herr

Name Abhishek Ankush **Ingale**
geboren am 19.04.1995
geboren in Mumbai, Maharashtra/India
Bewerbernummer 253256 EMM

zum Wintersemester 2018 für den Masterstudiengang „Electrical Engineering and Embedded Systems“ an unserer Hochschule zugelassen ist. Das Studium wird mit dem akademischen Grad „Master of Engineering“ abgeschlossen. Die Regelstudienzeit beträgt 3 Semester.

Vor Studienbeginn sind keine Deutschkenntnisse erforderlich oder nachzuweisen. Die Unterrichtssprache ist in allen 3 Semestern Englisch. Ein Nachweis über ausreichende Englischkenntnisse liegt der Hochschule vor.

Wir erwarten die ausländischen Studierenden am 10. September 2018 zu einem Deutsch-Intensivkurs sowie einem für sie konzipierten „Orientation and Welcome Program“. Diese Vorbereitungskurse ermöglichen einen optimalen Studienbeginn. Wir bitten Sie daher im Interesse des Antragstellers um eine rasche Erteilung des Visums.

Die Vorlesungen beginnen am 1. Oktober 2018.

Mit freundlichen Grüßen

Prof. Dr.-Ing. Andreas Siggelkow

ACCEPTANCE FORM

Name: **Ingale, Abhishek Ankush**

Application No. **253256 EMM**

I, the undersigned, hereby accept the offer of a place of study on the Master Program **Electrical Engineering and Embedded Systems** at the University of Applied Sciences Ravensburg-Weingarten, starting in winter semester 2018 (September). I declare to have read all information provided in the admission letter and attachments.

Place: Date:

Signature:

Furthermore, I register for the

Welcome and Orientation Program (September 10 - 14)

Intensive German Course (September 17 - 28)

In order to plan in advance we need some more details. Please answer the questions below:

Have you already been to Germany? If so, how long and for what purpose?

Have you already learned German? no yes → please answer question 1 - 3

1. Where have you acquired your knowledge of German (institution)?

2. When have you learned German? From/to:

How long and how many hours/day?

3. Please indicate – if possible – your German level according to the Common European Framework of Reference for Languages or according to the levels/exams of the Goethe Institute (A1, A2, B1, B2, C1):

India

Dear Mr. Mihir Sawant:

I am pleased to inform you of your acceptance into the *Graduate School of Engineering* at Northeastern University as a Full-time Regular student in the Masters degree program.

This action is by recommendation of the Admissions Committee following a thorough examination of your preparation and qualifications for graduate work. In accordance with your undergraduate studies, your degree designation will be Master of Science in Information Systems and will begin the first day of classes of the Fall 2018 term. Please go to [Northeastern's Office of the University Registrar](#) website to view the university calendar. Please also refer to the below student advising and registration information for important information regarding your studies including your initial point of contact in your department of admission. Note that your offer of admission is contingent upon your satisfaction of all local, state and federal laws.

The *Graduate School of Engineering* is available to assist you with any questions that you might have concerning your studies. On behalf of the Graduate Admissions Committee, I welcome you to the *Graduate School of Engineering* at Northeastern University.

Sincerely,

A handwritten signature in black ink, appearing to read "T.C. Sheahan".

Thomas C. Sheahan, Sc.D., P.E.
Senior Associate Dean for Academic Affairs

START Term: Fall 2018

CAMPUS: Boston

STATUS: Full-time

DEGREE LEVEL: Master of Science

CONCENTRATION: Not Applicable

ACADEMIC PROGRAM POINT OF CONTACT

NAME: Prof. Kal Bugarra

EMAIL: Program-related inquiries may be sent to: <https://husky.desk.com/>

You are encouraged to visit the [department or program website](#) for your program of acceptance and to read the Degree Requirements section carefully. If you have questions pertaining to your program of acceptance, please direct them to the person named above under ACADEMIC PROGRAM POINT OF CONTACT. Questions pertaining to health insurance, immunization requirements, and student tuition, billing and accounts should be directed to the appropriate offices referenced below. Otherwise for answers to common admissions questions (e.g. orientation, registration, visa-related) or to send an inquiry, visit <https://husky.desk.com/>

NEW STUDENT INFORMATION

The below information is provided to assist you during your preparation to begin or to continue your graduate studies at Northeastern University. It is important to note that new students should not register for courses until orientation or until receiving official guidance (typically provided via email within a month of the start of the term). Meanwhile, feel free to visit our [new student information](#) page to review pre-orientation information that was provided to new students who began here over the past year. This page will be updated as your term of entry approaches. Also visit <https://husky.desk.com/> for answers to common questions or to send an inquiry.

Accept or Decline Your Enrollment:

Please **CLICK HERE to ACCEPT or to DECLINE** this offer of acceptance. If you decide to Accept this offer, you will be prompted to provide a non-refundable deposit to confirm your attendance. This deposit is applied towards student fees, which all students will eventually incur upon enrollment. For planning purposes, we ask that you confirm your enrollment by paying the deposit by the enrollment deposit deadline. Print a receipt for your records.

Your enrollment deposit deadline: May 15, 2018

Activate Your Northeastern University Student Account (myNEU):

- Go to: <http://myneu.neu.edu/>
- Click on "Request Access"
- Follow the instructions
- Enter the requested information. Some applicants will need the following special ID (if blank, please ignore):

****Your International ID: 970343981** (this ID is for those who do not have a U.S. social security number at the time of application; please keep this ID number confidential).

Please note that you may need to wait 24-48 hours after paying your enrollment deposit before you are able to activate your myNEU account.

****Five Digit ZIP code.** Note: For international candidates, please use the first five digits of your zip code that you entered on your application contact address. If you have problems, please start over and follow the above instructions again, but this time use Northeastern's five digit ZIP code instead of your own; the zip code is: 02115.

If you continue to have problems setting up your myNEU account, please visit <https://husky.desk.com/> or send an email to help@northeastern.edu.

Student Financial Services:

For tuition and fee, billing, payment methods, and financial aid information, go to:

<http://www.northeastern.edu/financialaid/tuitionandfees/>.

I-20/F-1 Visa Request Process and Instructions:

If the I-20/F-1 visa process is not relevant to you and you need guidance, send us an email. Otherwise, the I-20/F-1 visa process is relevant for most international students, and can be initiated by using the below notes and instructions.

- the request process is entirely electronic.
- I-20s may be express mailed after a complete electronic request is submitted and approved (I-20s cannot be sent via email attachment).
- new students who would like to request an I-20 should confirm their enrollment by paying the confirmation of enrollment deposit using the above instructions under the header:
Accept or Decline Your Enrollment.
- generally new students who submit a complete electronic request will receive their I-20 within 4-6 weeks of submitting their request.
- our electronic system is referred to as **myOGS**.
- the name myOGS is derived from the office at Northeastern that serves international students: the Office of Global Services (OGS).
- to use the myOGS system, you must first activate your myNEU account using the above instructions.
- to login to the myOGS system, you will use your myNEU Username and your myNEU Password.
- to complete the I-20 initiation process, you will be prompted to upload several documents into the myOGS system.

You may need electronic copies of the following:

1. Identity page of your passport (copy must be in color)
2. Financial documents evidencing at least \$43,630 U.S.D. of support (the amount is higher for students who plan to bring their spouse or a dependent with them) dated within 9 months of the first day of classes for your term of entry (program/semester start) date.
3. One or more letters of financial support

Financial documents and letters of financial support must be printed in English and the names of sponsors should be printed and signed in English. You may need to complete the myOGS process over several sessions.

To begin using the myOGS system, [CLICK HERE](#).

Problems?

If you attempt to use the myOGS system within 48 hours of setting up your myNEU account, you may experience technical problems since university systems typically take 1-2 days to update. If 2 days pass after you set up your myNEU account, and you experience problems with myOGS, send an email to: help@northeastern.edu for help. If you send such email, include the following information in the body of your email: (1) your NUID number (accessible by logging into your myNEU account), (2) the link that you are trying to use which is not working/causing problems, (3) a screen shot of the error, and (4) your

email address.

Â

Office of Global Services (OGS) orientation is mandatory for all international students. Please visit www.northeastern.edu/ogs/ for further information.

Graduate Cooperative Education (Co-op) Program:

The [Graduate Cooperative Education program](#) in the Northeastern University College of Engineering provides students with the preparation for professional work experiences and enables students who are eligible to participate in a cooperative education experience. Cooperative education policies and eligibility requirements are provided at: <http://www.coe.neu.edu/graduate-co-op/graduate-co-op-eligibility-and-requirements>

Completing Your Official Admissions File:

As soon as you decide that you plan to enroll at Northeastern University, arrange to send to us your official GRE and/or TOEFL/IELTS scores if required of you as an applicant, and if you have not done so already. Official test scores are those that are sent from the appropriate testing agency directly to Northeastern University. Also please arrange to mail to us your official transcripts (or their equivalent) to complete your official admissions file. Official transcripts are those that are sent from your previous institution directly to Northeastern University. Your goal should be to complete your admissions file/record before you enroll in courses, if possible. Mail to:

ATTN: Admissions
Graduate School of Engineering
Northeastern University
130 Snell Engineering Center
360 Huntington Avenue
Boston, MA 02115

Official transcripts should include information on all courses, grades, and credits taken at any and all university-level institutions attended and if a degree was conferred, the transcripts should include information about the degree conferred and date of conferral. If your transcripts do not reflect your degree conferred and date of conferral, please also arrange to provide your final, official diploma or degree certificate. If your documents are in a language other than English, arrange also to send to us official English language translations. Note that any documentation that you submit to Northeastern University becomes the property of Northeastern University and cannot be returned.

If you already made the appropriate arrangements to complete your file, please do not be concerned with your status as shown on your electronic application, as it may take us several weeks to update our records. If additional information is needed, you will be contacted.

Health Insurance:

The Commonwealth of Massachusetts requires that all students who are matriculating, carry a course load of nine credits or more or are enrolled in a **full-time** program have hospital insurance. Students who are covered under comparable insurance may request to waive the health insurance fee. The University Health and Counseling Services Center, Northeastern's student health services, coordinates care for all students enrolled in the health insurance plan. Graduate students who have waived participation in the insurance are eligible for services if they have paid the student health fee. Please refer to the University Health and Counseling Services Center's web site for further information, <http://www.northeastern.edu/uahcs/>

Immunization Requirements:

In accordance with state law, full-time students must provide documentation of immunity to certain diseases. Students will be blocked from registration for the next semester until this requirement is met. Contact your clinician for completion of the Health Form: <http://www.northeastern.edu/uhrs/wp-content/uploads/2016/03/2016-17-Health-Report-Meningitis-Waiver.pdf>. You can contact the [University Health and Counseling Services Center](#) for further information.

On-Campus Housing:

All full-time students enrolled in a graduate program at Northeastern may apply to live in campus housing. Because space is limited, housing is not guaranteed. The application form is available on the On-Campus Housing and Residential Services web site, <https://www.northeastern.edu/housing/university-housing/>

Off-Campus Housing:

Students may search for housing, sublets, and roommates through the listings and message boards on <http://www.northeastern.edu/offcampus/> This free service requires account registration with your Northeastern e-mail account.

Contact a Current Student!

You are invited to contact one or more currently enrolled *Graduate School of Engineering* students to learn more about the graduate student experience at Northeastern! For more information, visit: <https://www.coe.neu.edu/admissions/graduate-student-ambassadors>

Name: Mukul Anil Sathe
UFID: 38234313
email: mukulsathe1995@gmail.com

Dear Mukul,

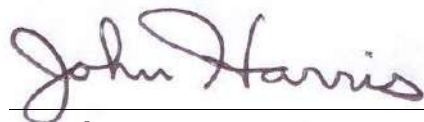

It is with great enthusiasm that we inform you of your acceptance into the MS program in Electrical and Computer Engineering at the University of Florida! We are thrilled to have you with us as a Gator Engineer!

UF College of Engineering is on a mission to solve the world's greatest challenges. Our renaissance approach to engineering education and research promises you a journey that is interdisciplinary and dynamic. Our focus on leadership and innovation will challenge you to redefine the world around you, and your role in it. We take a human-centered approach to problem solving that requires an attitude of service and deep respect for the lives of others. All of this will set you apart as a New Engineer.

From now on, you're part of a team effort, where the solution to every problem impacts billions of people. From now on, you're working for the Gator Good.

Your space has been reserved, but we still need to make it official. Please confirm your acceptance directly to Julie Markus via email at jmarkus@ece.ufl.edu and sign and return the signed letter of response by **May 1, 2018**. If you have any questions at all about your admission, please feel free to contact us.

Best wishes,

Dr. John Harris
Professor and Chair

Dr. David Arnold
Professor and Graduate Recruiting and
Admissions Committee Chair

Requirements:

- You will be required to maintain minimum enrollment as required by your visa.
- You must maintain satisfactory progress toward your degree with a 3.0 GPA in both your overall and major area of study (as well as in your minor area if a minor is declared).
- Note that this appointment between you, the appointee, and the University of Florida is subject to the constitution and laws of the State of Florida, the rules of the Florida Board of Governors and the University of Florida, Board of Trustees, and the Collective Bargaining Agreement.
- Under the Immigration Reform and Control Act of 1986, the University of Florida is required to verify the identity and work authorization of all new employees. As a federal contractor, the University of Florida also participates in E-Verify, the federal on-line verification system.

University of Florida Engineering Innovation and Leadership Institutes

The UF Herbert Wertheim College of Engineering is nationally recognized in producing engineering leaders and innovators that change the world. The UF Engineering Innovation and Leadership Institutes focus on providing specialized training and experiences in innovation and leadership to our graduate students.

The UF Engineering Innovation Institute (www.eng.ufl.edu/innovation) fosters a culture of innovation among faculty and students of the Herbert Wertheim College of Engineering. The Institute serves as a nexus of engineering innovation education and experiential programs extending across the spectrum of creative discovery and invention, to the transition of UF engineering technologies and innovative students to the marketplace. The Institute produces leaders with engineering and innovation skills to attack the world's most daunting problems and change the world. The Institute's primary program elements are Creativity and Entrepreneurship built on the foundation of the College's research programs. The College's inter-disciplinary research institutes, and its broad spectrum of Departments and Schools, provide a unique platform upon which Creativity and Entrepreneurship education produce many of our next generation innovation leaders, whether they work in the private, academic, public service, non-profit, or government / military sectors.

The UF Engineering Leadership Institute (www.eng.ufl.edu/leadership) focuses on creating leaders for a new world where technology plays a major role and the need for principle based, character focused leaders is now more than ever demanded by our country and the world. For the US to continue to lead the world in engineering and innovation, engineers must take their rightful role in becoming leaders in all aspects of society – in industry, education, government, and the military. The UF Herbert Wertheim College of Engineering is dedicated to being a leader in this field. The Engineering Leadership Institute will change the view of and by engineers about their role as leaders in modern society. The Institute provides the experience, the educational framework, and the expectation within students, faculty, and the profession that engineers are to be leaders, with a strong focus on integrity and character. Active engagement of world renowned leaders at all levels establishes the Institute as a nexus for leaders to share their experiences, where leaders can engage with students and faculty to instill values and learn from creative minds, and where aspiring leaders can come to examine a life in leadership and establish their own life plans to achieve their goals.

The Institutes will offer focused seminars and workshops to you each semester during your time at UF. Specifically, the Institutes will provide focused training in skill sets such as communications, ethics, creating a powerful value proposition, entrepreneurship and entrepreneurial thinking, innovation, and leading in a changing world. These seminars will be provided by the Institute's senior leadership as well as industry, academic, and public sector innovation leaders.

Date of Birth: July 12, 1996

Dear Shubham:

It is my pleasure to inform you that you have been accepted into Northeastern University's College of Professional Studies' Master of Science in Project Management program for the Fall 2018 term with a September start date. Our regionally accredited programs provide an educational experience that is founded on proven scholarship strengthened through practical application and sustained by academic excellence. Here at the College of Professional Studies we are committed to providing you with a high level of academic excellence and superior service.

Your acceptance to the College of Professional Studies is granted under the following condition(s):

- You must submit final official transcripts showing degree conferral and date.

Additionally, your offer of admission is contingent upon your satisfaction of all local, state, and federal laws.

Upon successfully meeting the condition of your acceptance, you will be formally accepted into the program and admitted to the University. If the condition is not met, your conditional admittance will be rescinded and you will not be able to continue to register for classes. Should any changes to your condition of acceptance and/or program requirements occur, you will be notified of the changes and be held to any new standards put in place.

Now that you have been accepted, **please confirm that you plan to attend by completing the enrollment confirmation form.**

This is also a great time to visit our website for accepted students which will help guide you through the enrollment confirmation process and important next steps such as activating your myNortheastern account, submitting official transcripts, and exploring program curriculum.

In addition, you can view our current course offerings online at <https://cps.northeastern.edu/academic-resources/registration/courses>. It is important to note that you are required to follow the program curriculum that is in effect during the Fall 2018 term. Please review the curricula at the beginning of your start term to be sure you have the most up to date information.

Registration will open six weeks prior to the start term. Once registration is open for the Fall 2018 term, you should create your myNortheastern account. myNortheastern is a portal where you will receive critical information from the University and College, access billing and course information, and several other student related items. Once you have created your account you can proceed to register for classes via the student portal.

On behalf of the faculty and administration at Northeastern University, I would like to congratulate you on your admission. I am sure you will find the College of Professional Studies an exciting and intellectually challenging place to further your education.

Sincerely,"

Northeastern University

Activating Your myNortheastern Account

How do a get a myNortheastern account?

- Activate your myNortheastern account at <http://my.northeastern.edu>, click on "Need an account? Request Access" and then under Students, click "Activate Account".
- Once at myNortheastern "Account Self Registration", you will need a four-digit **International ID Number**, which is provided below.
- If your current and/or permanent address is outside the United States, you will have to use Boston's five-digit zip code 02115.
- Upon your acceptance, it may take up to **two-business days** until your myNortheastern account is ready to be activated. After you activate your myNortheastern account, it may take up to an hour before you can log into myNortheastern and Blackboard with your new username and password.

Account Activation

The following information will be used to verify your identity.

Last 4 Digits of your Social Security Number (or your International ID):	7960
Your date of birth in format (mmddyy)	071296
5 Digit ZIP code of your permanent address:	02115
Your last name:	Beldar

On myNortheastern you can:

- Register for courses and add/drop courses in real time
- Confirm your transactions and final schedule instantly
- Confirm course registration
- Find room assignments
- View billing information
- View grades and transcripts
- Access NU Online

Hamerschlag University Professor and Department Head

April 14, 2017

Dear Sourabh Karandikar:

I have the pleasure of offering you admission to the Professional M.S. Program in the Department of Electrical and Computer Engineering. Unfortunately, due to the limited size of the M.S. class and the constraints of our physical facilities, we are unable to offer to you the opportunity to begin your M.S. studies in Fall 2017. We would like to offer you admission to the Professional M.S. Program in the Department of Electrical and Computer Engineering beginning the Spring 2018 semester, in residence at Carnegie Mellon's Pittsburgh campus.

The Professional M.S. degree is typically completed within three academic semesters (spring, fall, spring). For more information about the department's graduate programs, please visit ECE's website <https://www.ece.cmu.edu/programs-admissions/masters/index.html>.

All students in the Professional M.S. Program are assigned a faculty mentor. Prior to the beginning of classes, you will be notified regarding the mentor who has been assigned to you in order for you to plan your spring schedule of classes.

Students admitted to the Professional M.S. Program are required to remain in this program for a minimum of two academic semesters (spring, fall). Only after this requirement has been fulfilled may students join the Ph.D. Program. Should a student desire to pursue a Ph.D. degree, the application process can begin as early as after your first (spring) semester. For assistance with the application process, please contact the ECE Graduate Admissions Office.

You will be responsible for all your financial support (tuition, health insurance, plus living and other expenses) for the duration of the Master's Degree program. As an aid in your financial planning, the enclosed page details the approximate costs of one year (for the 2017-2018 academic year) at Carnegie Mellon University.

I would appreciate hearing from you no later than May 1 regarding your decision about accepting our offer of admission. Please use the following link to let us know of your decision: https://www.surveymonkey.com/r/MS_Pgh_S18

In closing, I want to congratulate you on your excellent academic record. I am confident that you will find the ECE Department at Carnegie Mellon a stimulating and warm environment and we are excited about the prospect of your joining our department. The faculty and I look forward to welcoming you in the spring.

Sincerely,

Goa Institute of Management
(GIM)

Admission Letter PGDM (BDA) 2018-20

Ref No: GIM:BDA:W:804281 Date: 01/05/2018

1. We are pleased to inform that the candidate with the following particulars has been admitted to Two-Year Full Time Postgraduate Diploma in Management 2018-2020 of Goa Institute of Management (GIM), subject to compliance with terms and conditions of this letter and rules and regulations of the institute.

2. Particulars of candidate:

Name:	Yash Chawla
GIM id:	804281
Programme Admitted in:	PGDM (Big Data Analytics)
Registration date & time:	07/06/2018 9a.m.
Hostel Rooms available on:	06/06/2018
Waitlist Fee paid:	Rs. 12,000/-
Fees Payable	
by 19/05/2018	Rs. 6,02,800/-

3. Candidates are required to pay fees for first two terms, in instalments as per the schedule given above. These fees include the Academic Fee and hostel fees for the first two terms and the caution deposit.

4. An authenticated copy of Fees payable is attached to the hard copy of this letter. The details of the fees are also available on the website and in bulletin couriered to all applicants.

5. Payment of the fees will be taken as the acceptance of Admission by the candidate, as per terms and conditions of Admission letter.

6. If the stipulated amounts are not paid by the due date, GIM will assume that candidate is not joining GIM and the offer of admission will stand cancelled.

Ref No: GIM:BDA:W:804281

7. The admission is granted based on the on-line application form filled by the candidate, competitive exam scores and personal interview. Any misrepresentation will disqualify the candidate and the admission will stand cancelled.
8. Registration in person at the specified date and time is mandatory. Failure to report for Registration will result into cancelling of Admission.
9. At the time of registration, candidate is required to produce prescribed documents in original, as evidence of meeting the prescribed qualification for the programme and substantiating the particulars in on-line form, as well as the scores of competitive examination(s). Failure to register, or failure to produce appropriate documentary evidence, would result in the forfeiture of this offer.
10. Admission to the programme mentioned in Clause 2 above is granted based on the choice exercised by the candidate. A candidate can be considered for Admission in only one of the full time programmes, and acceptance of Admissions in any of the programmes renders candidate ineligible for Admissions to other full time programmes in GIM.
11. The full time programme is a residential programme. GIM will provide hostel accommodation. Choice of facilities such as single or double occupancy will be subject to availability. Hostel fees for the facility allotted will be applicable.
12. Candidates may note that at GIM attendance to classes, academic session, activities, events etc. is mandatory and failure to meet this requirement could result in severe penalties.
13. **WITHDRAWAL POLICY:** A candidate can withdraw from the program only before reporting for registration for the program by informing the Admissions Office in writing.
14. Candidates who have paid the fees and choose to withdraw from the programme will receive refunds after deducting processing fee of Rs. 1000/-
15. The refund shall be made after due verification. Candidate will be required to furnish payment details and related particulars for verification. In case of any queries, please write to payments@gim.ac.in and admissions@gim.ac.in
16. No withdrawals are permitted after registration.

17. **PREMATURE DISCONTINUATION POLICY:** A student may choose to discontinue the programme any time after (s)he has reported for Registration. Such premature discontinuation of the programme should be informed to the Admission Office in writing.

18. No refund of the fees paid (except Caution Deposit) is permissible for premature discontinuation.

Page 2 of 3

Ref No: GIM:BDA:W:804281

19. The Administration of Goa Institute of Management reserves the right to make changes in the requirements for Admissions, for continuing in the programmes, in the content of course, the fees charged, the regulations affecting the students, or to make any other suitable modifications, without prior notice, should these be deemed necessary in the interest of students, the institute or the profession.

20. Any legal dispute will be subject to jurisdiction of the competent courts within the territorial jurisdiction of Panaji, Goa only.

For and on behalf of

GOA INSTITUTE OF MANAGEMENT

(Prof Rakesh Shrivastava)

Admissions Chairman
