

Initiatives taken to engage with and contribute to Local Community

Students are the future architects of the nation's development and progress. One of their prime responsibilities is to apply the knowledge that they gain in the course of their education towards making society a better place to live in. In support of the philosophy that "charity begins at home", Vidyalandkar Institute of Technology sensitizes its students and staff to identify ways and means to engage with and contribute to the local community. VIT understands that it is very important to imbibe a basic sense of social responsibility and sensitize students to social causes and issues, so that they are not just efficient inside the class but also act responsibly outside of it. Many students are actively involved in social service as VSS (Vidyalandkar Service Scheme) volunteers, NSS (National Service Scheme) volunteers and through NGOs.

Selfless service to society is encouraged and implemented right from the grassroots levels to the top administrators of the Institute and is integrated into the curriculum. Through exhibiting philanthropic behaviour, students are provided with a positive environment for understanding the issues concerning the betterment of society. Giving back to society is a priority of Vidyalandkar Institute of Technology. At Vidyalandkar all efforts towards the teaching-learning process focus not just on individual development but also lead to a more informed society and contribute to nation-building. The Institute ensures that it shoulders its societal responsibilities with dedication and enthusiasm for which many activities were undertaken. Some such initiatives which have contributed to the development of the local community include:

- Adoption of Wadala Road Suburban Railway Station for its upkeep and maintenance
- Conducting training programs on soft skills, leadership and stress management for the staff of Wadala Station
- Safety awareness programs to deter commuters from crossing railway tracks
- An annual health camp is organized on Gandhi Jayanti for the benefit of residents of the local community. The camp includes multi-medical check-up, distribution of free medicines, distribution of toothpaste and toothbrush, physiotherapy check-up, free distribution of knee cap, collar belt, eye check-up and distribution of spectacles.
- Taking the convenience of local residents and students into consideration, a request was made to BEST Authorities to initiate public bus services right from the campus main gate to Wadala Station and Dadar.
- Community Service by MMS Students which included anti-tobacco awareness, healthcare drive etc.
- Christmas celebration for underprivileged kids at Sangamnagar.
- Self-Defense workshop for local school going girls conducted by the Police.
- Celebration of National Voters Day among local community

Campus placements by Indian navy for 2017 batch

Dear Students,

Indian Navy has given an advertisement for the recruitment of Engineers (University Entry Scheme 2017) from all the branches. This is for the candidates graduating in 2017. All those students interested should **register on line before 07-08-2016**.

Only those students who apply on line will be eligible for campus placements by Indian Navy. There will not be "Spot Registration" like last year. Hence, you should register well before the given date as it requires many things like getting signature of the Principal on the information sheet etc.

Please go through the attachment for more information and complete on line registration process and procedure.

Dear Students,

Indian Navy will be visiting VIT on 13th and 14th September 2016 to recruit students. All the students who have applied for Indian Navy are informed to make note of it and be present for the process.

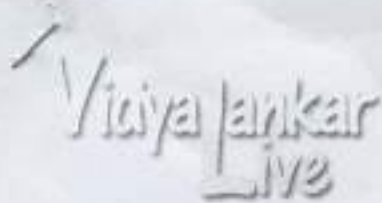

Procedure: They will be conducting group discussion and personal interviews based on which they will short list the students for the SSB interviews. SSB interviews will be held in the month of December 2016/January /February/march 2017.

There will be about 12 to 15 students in one group for GD. Each student will be given about 30 seconds time to say about himself/herself. Sometimes it might go up to 50 seconds or one minute. Later one topic will be given for group discussion. Group discussion will be for about 15 to 20 minutes.

They will declare the results may be after few days.

Students are informed to come in formal along with the following documents:

Job Fair 2015 – 'Times Jobs in Association with VIT'

Confucius a philosopher and teacher once said, "Choose a job you love, and you will never have to work a day in your life." In today's dynamic world all one needs is an opportunity to find a job of their competence and choice. One such opportunity was provided by Vidyalanakar Institute of Technology (VIT) in association with Times Jobs Group in the form of Job Fair. It was held on 12th December 2015. It provided a platform for students and professionals to choose from the plethora of jobs offered by various organisations which participated in the Job fair. Job Fair witnessed total 43 companies and 3000 enthusiastic young minds as candidates.

VIT a pioneer in education, has taken another step ahead through this grand Job Fair. The Job Fair 2015 was inaugurated by Dr. R. L. Bhatia, a specialist in Change Management and Organisation turnaround and Tinaz Rohilla, Deputy Manager Response of The Times of India Group. The function was graced by Dr. Sanjeevani Despande, Chairperson of VDT; Dr. Ankush Sharma, COO-VIT, Ms. Jayanti Das, Marketing Manager, VDT, faculty, placement managers and candidates. Dr. R. L. Bhatia gave an inspiring speech through sharing his own story of how he became HR head from merely an office boy. He encouraged candidates to have a right attitude which HRs are looking for these days and thus started the much awaited day.

The companies were ranging from various sectors like manufacturing, aviation, consultancy, educational institutes etc. and organisations participated not only for domestic but also for international recruitment. To name a few institutes were Vadilal, Renewsys, Vidyalanakar Dhyaneet Trust, Oberoi International School, Divine HR Solutions, Geehwale, Negi, Jet Airways etc. participated in the fair. They were allotted various rooms to conduct their selection process. Further the excitement within the participating candidates was much evident from those eagerly standing in a queue at the college entrance awaiting their turn for registration. After which they were allowed to approach for applying to job posts offered by the organisations. Owing to the huge footfall of participants on the day, each of the organisation adopted different approaches to shortlist the candidates. Some took one on one detailed interviews whereas some indulged in collecting the resumes etc. after briefing the interested candidates about the company profile. The job fair concluded with the recruiter's walking in content with affluent candidates.

The job fair was made a success by the collaboration of execution strategies of Times group and VIT. The event was made flawless by volunteers from both the sides that made all the efforts to cater to the needs of the industry professionals and guiding the candidates through the event. Ms. Reshma Bhansali, placement manager of VIT MMS presented the vote of thanks for making the Job Fair 2015 accomplish what it aimed for adding another feather to VIT.
