Rs. 2500/-

**10th April
2026**

**Vidyalankar Institute Of
Technology, Wadala(E)**

**10:00 am to
5:00 pm**

General Guidelines

- Registration for the competition is free, and participants can submit their project proposal by filling out the Google Registration Form provided •
- Students from any branch or discipline with a ready Prototype Model (Hardware/Software) are eligible to participate.
- Only teams selected in the Preliminary Round will qualify for the Final Round.
- Team Composition:
 1. Each team must have a minimum of 2 and a maximum of 5 students.
 2. Individual entries will NOT be accepted.
 3. The Team Leader is responsible for filling out the online registration form.
- Selected students must bring both their poster and project model for the Final Round on 10th April 2026 at Vidyalkar Institute of Technology. • It is mandatory for the qualified teams to be physically present at the institute on 10th April 2025 with the required items.
- A panel of judges appointed by the organizing committee will evaluate the projects, and their decision will be final.
- Elimination and prize distribution will be based on the panel's recommendations.
- Guidelines for poster making, including size specifications, will be shared with selected participants after the Preliminary Round.
- Teams must create a project demonstration video that effectively highlights their work. It may include screen recordings of slide presentations and software demonstrations, video footage of physical/hardware project outputs, and narrated scripts by team members. Additionally, the video must feature an introduction of all team members, along with their institute name and location.

Categories of Participation

Projects will be invited under the following categories:
Student Category, Faculty Category
