

Vision of the Department:-

To be recognized as a centre of excellence in the field of Information Technology where learners are nurtured in a scholarly environment to evolve into competent professionals to benefit society.

Mission of the Department:-

- Evolve a curriculum which emphasizes on strong engineering fundamentals with the flexibility to choose advanced courses of interest and gain exposure to tools and techniques in Information Technology.

- Encourage a teaching learning process in which highly competent faculty share a symbiotic association with the institutes of repute.

- Facilitate creation and dissemination of knowledge through a digitally enabled earning environment.

- Develop academic and infrastructural facilities with modern equipment and other learning resources and encourage reciprocal sharing with other institutes through networking.

- Establish a centre of excellence to enhance academia – industry partnership and work on collaborative projects.

Programme Educational Objectives (PEOs) :-

1: Graduates will possess the fundamental knowledge, theoretical background and technical skills to lead a successful career in diverse domains.

2: Graduates will analyse real life problems and design technically sound, economically feasible and socially acceptable solutions in multidisciplinary domains to generate the employment by inculcating entrepreneurial spirit

3: Graduates will exhibit professionalism, ethics, teamwork, social awareness and agility through life-long learning.

PROF. DR. VIDYA CHITRE

HEAD OF DEPARTMENT, INFORMATION TECHNOLOGY

Dear Faculty, Staff, Students, and Alumni,

It is a moment of immense pride to reflect on the remarkable journey of our students—from curious learners to confident professionals prepared to excel in today's dynamic digital landscape.

The Department of Information Technology is committed to nurturing a vibrant academic environment that encourages innovation, critical thinking, and a strong technical foundation. These qualities empower our students not only to meet current industry demands but also to emerge as future leaders in technological advancement.

With a progressive vision, we continuously strive to equip our students with the skills, adaptability, and mindset required to thrive in an ever-evolving technological world. Our focus remains on developing future-ready innovators who will make meaningful contributions to society.

Together, we are not just keeping pace with technological change—we are shaping the future.

Faculty Achievement

Congratulations!

We are proud to share that Prof. Akshay Loke has successfully completed his Ph.D. defence in the field of Artificial Intelligence and Machine Learning. This significant academic achievement reflects his dedication, perseverance, and contribution to advanced research in emerging technologies.

Faculty Achievements

VIDYALANKAR INSTITUTE OF TECHNOLOGY

INFORMATION TECHNOLOGY

Proud moment for

DEPARTMENT OF INFORMATION TECHNOLOGY

We are delighted to inform you that the proposal submitted by
Dr. Shashikant Mahajan (Coordinator) and
Dr. Sushopti Gawade (Co-coordinator) to **AICTE-VAANI**
 (Vibrant Advocacy for Advancement and Nurturing of Indian Languages)
 Scheme 2026-27 has been approved by **AICTE, New Delhi**
 for organizing a two-day workshop in Marathi with
 grant up to **₹2,00,000/-**

Dr. Shashikant Mahajan
(Coordinator)

Dr. Sushopti Gawade
(Co-Coordinator)

The workshop is titled:

**“बुद्धिमान भारत : कृत्रिम बुद्धिमत्ता, डेटा सायन्स
आणि भाषा तंत्रज्ञानातील उदयोन्मुख प्रवाह”**

*(Intelligent India: Emerging Trends in AI, Data Science,
and Language Technologies)*

Hearty Congratulations to

Dr. Shashikant Mahajan (Coordinator), Dr. Sushopti Gawade (Co-Coordinator)
 and **Information Technology Department** on this achievement

Your dedication and hard work continue to bring glory to VIT.
Wishing you all the best for the successful conduct of the workshop!

We are delighted to inform you that the proposal submitted by *Dr. Shashikant Mahajan (Coordinator) and Dr. Sushopti Gawade (Co-coordinator) to AICTE-VAANI (Vibrant Advocacy for Advancement and Nurturing of Indian Languages)* Scheme 2026-27 has been approved by AICTE, New Delhi for organizing a two-day workshop in Marathi with grant up to ₹2,00,000/-

Alumni Achievement

The Department of Information Technology is We are pleased to announce that two INFT alumni from the Batch of 2025 have secured admission to prestigious IITs for M.Tech in Computer Science & Engineering through their excellent GATE performance. 🎓 Amey Dhole – IIT Bombay (GATE Rank: 227) 🎓 Ayush Rajpurohit – IIT Hyderabad (GATE Rank: 1489) Congratulations to Amey and Ayush on this remarkable milestone.

FACULTY ACHIEVEMENT

Dr. Dilip Motwani was felicitated with a Memento Appreciation in the recognition of his outstanding contribution as a Zone Co-coordinator for Aavishkar 2025–26.

ITSA EVENTS:**Capture the Flag****Cyber Crime Seminar****Student's Speak**
Samruddhi Khade,
TE INFT B (Batch 2025)

As a Third-Year Information Technology student at Vidyalankar Institute of Technology, I have realized that engineering is much more than learning programming languages and technical concepts. It is about developing innovative solutions, thinking critically, and working collaboratively to solve real-world challenges. Through practical sessions, coding assignments, hackathons, and project-based learning, I have gained valuable hands-on experience that has strengthened both my technical and analytical skills.

Beyond academics, participating in technical events, workshops, student clubs, and extracurricular activities has contributed significantly to my personal and professional growth. These experiences have enhanced my communication, leadership, teamwork, and time-management skills while inspiring me to continuously learn and adapt to emerging technologies. I am grateful to my faculty members and peers for their constant guidance and motivation, and I look forward to applying my knowledge to create meaningful technological solutions in the future.

STUDENT ACHIEVEMENT:

Aditya Bhogavkar (INFT B), Shravni Andhale (INFT A), Srushti Banugade (INFT A), and Samruddhi Khade (INFT B) secured 1st Place at the Echelon Hackathon held at NMIMS. Their solution, "Vidhyut – Autonomous Cutoff System," addressed the problem of invisible energy waste in smart infrastructure. This achievement highlights their innovation, technical proficiency, and effective problem-solving approach, adding to the department's growing list of accomplishments.

Events in INFT

The Department of Information Technology successfully organized the *Reality Remix* event across three venues, providing a dynamic platform for innovation and collaboration. The event featured a UI/UX and AR/VR Exhibition where 24 teams showcased their projects, receiving valuable feedback and industry exposure. The Game JAM encouraged creativity, teamwork, and rapid prototyping under the guidance of industry mentors, while the E-Cell launch connected aspiring entrepreneurs with experts, presenting four startup ideas. The event led to key outcomes such as identification of IPR opportunities, collaboration prospects with AR/VR solutions incubated at IIT Bombay, internship and training offers, and recognition for startup funding opportunities. Overall, the event significantly contributed to strengthening innovation, industry readiness, and entrepreneurial mindset among students.

Alumni Speak

**Pooja Bhabal , Passout Batch 2018,
Group Head at LS Digital | Performance Marketing**

It is a privilege to be an alumnus of Vidyalankar Institute of Technology, an institution that played a significant role in shaping my professional journey. The strong academic foundation, practical learning experiences, and constant encouragement from the faculty equipped me with the technical expertise, confidence, and problem-solving mindset needed to succeed in the industry. The values and skills I gained during my time at VIT continue to guide me throughout my career. I encourage every student to make the most of the opportunities available, embrace continuous learning, and step out of their comfort zone to explore new ideas and technologies. Stay curious, remain committed to excellence, and believe in your potential. I wish the Information Technology Department and Vidyalankar Institute of Technology continued success in nurturing future innovators, professionals, and leaders.
