

07 September 2026

NOTICE

All First Year Engineering students should note the following:

First Year Engineering sessions (AY 2026-27) will commence on **Tuesday, 08 September 2026**. All newly admitted students are requested to report to the Institute and attend the sessions which will commence at **9:00 AM**. The schedule and classrooms will be shared on the Notice Board outside First Year Engineering Office D103.

14 September to 18 September 2026 shall be non-instructional on account of Ganapati Festival.

Orientation Program "Urja – The Spark Within" is organized for all First Year Engineering students on **21 and 22 September 2026**. Students along with Parents are cordially invited to the Orientation Program.

The Venue will be the Auditorium and the schedule for the same is as follows:

Branch & Division	Day & Date	Timings
Information Technology Divisions A, B, C	Monday, 21 September	11:00 AM – 01:00 PM
Computer Engineering Divisions A, B, C	Monday, 21 September	02:00 PM – 04:00 PM
Electronics & Computer Science Divisions A, B, C	Tuesday, 22 September	11:00 AM – 01:00 PM
Electronics & Telecommunication Engineering Divisions A, B Biomedical Engineering Division A	Tuesday, 22 September	02:00 PM – 04:00 PM

Please note that the National Anthem is played at 11:00 AM and National Song is played at 5:00 PM on the campus every day. All are required to stand in attentive position and display due respect.

In case of any queries, you may contact:

Prof. Sonaali Borkar (In-Charge, First Year Engineering) in D103
Prof. Meenakshi Nandula (Department Academic Officer) in D103

First Year Department Executives (Monday to Saturday between 9:00 AM to 5:00 PM)
Mr. Harshad Lad: 8087111487
Mr. Prathamesh Gurav: 8451822309

Welcome Message from the Desk of First Year Engineering In-Charge

My Dear First Year Engineering Students,

A very warm welcome to a new semester and an exciting chapter in your engineering journey! As we begin, remember that our **Student First** approach remains at the heart of everything we do. Your growth, success and well-being are very important to us, and we are always here to support you.

As you move forward, focus on three things: **Toolset, Skillset and Mindset**. Use the right tools to explore the fascinating world of engineering, keep sharpening your skills, and approach every challenge with a positive mindset, curiosity, confidence and a willingness to learn.

This semester don't just attend - participate. Don't just learn - apply. Don't wait for opportunities - step up and create them. Challenge yourself, try something new, make mistakes, learn, and keep moving forward. Believe in yourself, give it your best, and make every opportunity count. Take charge of your future. Keep growing to your full potential. May the start of your engineering journey be one of your best memories!

Wishing you all an energetic, fulfilling and successful semester ahead!

Warm regards,
Sonaali Borkar
In-Charge, First Year Engineering
Vidyalankar Institute of Technology
